Proposed Addition of Bob Hunter's Name to the Scarborough Walk of Fame and the Appropriateness of a Plaque Outlining Bob Hunter's Accomplishments at Bob Hunter Greenspace

(January 29, 2007) report from General Manager of Parks, Forestry and Recreation Division

Recommendations

The General Manager of Parks, Forestry and Recreation Division recommends that:

1. A commemorative plaque, honouring Bob Hunter, be installed at the Bob Hunter Greenspace.
2. Parks, Forestry and Recreation staff continues to work with the "Stand UP Scarborough" committee on the nomination of Bob Hunter into the Scarborough Walk of Fame.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

This report provides the results on the discussions with Stand UP Scarborough on adding Bob Hunter's name to the Scarborough Walk of Fame and recommends that it is appropriate for a commemorative plaque to be installed at the Bob Hunter Greenspace outlining his accomplishments.

Background Information

Community Council Recommendations

On motion by Councillor Moeser, the Scarborough Community Council recommended that:

1. City Council authorize the installation of a commemorative plaque honouring Bob Hunter be installed at the Bob Hunter Greenspace.
2. City Council direct Parks, Forestry and Recreation staff to continue to work with the "Stand UP Scarborough" committee on the nomination of Bob Hunter into the Scarborough Walk of Fame.

Decision Advice and Other Information

On motion by Councillor Thompson the Scarborough Community Council directed that the previously requested report to rename "Environment Day" to "Bob Hunter Day" be submitted to the Public Works and Infrastructure Committee for its meeting of March 28, 2007.

Request for Approval of a Variance from the Former City of Scarborough Sign By-law No. 22980, as amended, for One Wall Sign at 300 Borough Drive

(January 24, 2007) report from Director of Building and Deputy Chief Building Official

Recommendations

Toronto Building, Scarborough District, recommends that the request for variances be approved for the reasons outlined in this report.

Financial Impact

There are no financial implications resulting from this report.

Summary

To review and make recommendations on a request by John (David) Adam, of Zip Signs Ltd., on behalf of Moxies Classic Grill, for approval of a variance from the former City of Scarborough Sign By-law No. 22980, as amended, to permit one facial wall sign at the above

location.

There is another roof sign for the Sportchek store, in close proximity, which is larger and higher than the proposed Moxie's restaurant sign. The Sportchek sign is in compliance with the Sign By-law due to the greater height of the building at that location.

In the opinion of staff, the Moxie's sign appears to be less intrusive, is aesthetically pleasing, blends with the design of the new addition in that location and will enhance the appearance of that part of the building. Staff recommends approval of the variance.

Request for Approval of Variances from the Former City of Scarborough Sign By-law No. 22980, as amended, for Three Additional Facial Signs, Related to the Building, at 4675 Steeles Avenue East (Deferred from January 16, 2007 meeting)

(January 2, 2007) report from Director of Building and Deputy Chief Building Official

Recommendations

The Director of Building and Deputy Chief Building Official recommends that the requested variances be refused for the reasons outlined in this report.

Financial Impact

There are no financial implications resulting from this report.

Summary

To review and make recommendations on a request by applicant Patrick Chan, on behalf of Splendid China Square Inc., for approval of variances from the former City of Scarborough Sign By-law No. 22980, as amended, to permit three additional building-related facial wall signs at the above address.

The proposed and existing building-related facial wall signs would have an aggregate area exceeding the permitted sign area by 24.69m² (265.78ft²) or 149 per cent. The signs also would exceed the number of permitted signs by three and would not be located on the same storey.

The requested variances significantly exceed what is permitted by the Sign By-law, are not minor in nature, and are not in compliance with the purpose and intent of the Sign By-law which regulates the area and location of signs. Staff recommends refusal of the requested variances.

Background Information

Speakers

Bruce McMinn, Solicitor, representing Splendid China Square Inc.

Community Council Recommendations

On motion by Councillor Del Grande, the Scarborough Community Council recommended that:

1. City Council receive the recommendation in the report (January 2, 2007) from the Director of Building and Deputy Chief Building Official.
2. City Council approve the variances from the former City of Scarborough Sign By-law 22980, as amended, for three additional facial signs to the building at 4675 Steeles Avenue East.

Decision Advice and Other Information

On motion by Councillor Del Grande, the Scarborough Community Council received the communication (January 31, 2007) from Councillor Del Grande (SC3.4a).

Recorded Vote:

A recorded vote on the recommendation moved by Councillor Del Grande, was as follows:

FOR: Councillors Ainslie, Ashton, Cho, Del Grande, Heaps, Kelly, Lee, Thompson

AGAINST: Councillor Moeser

ABSENT: Councillor De Baeremaeker

-------	--------	---------	---------------	----------

Proposed Speed Limit Reduction on Knightsbridge Road

(January 29, 2007) report from Director, Transportation Services, Scarborough District

Recommendations

Transportation Services, Scarborough District, recommends that:

1. The 40 kilometre per hour speed limit on Knightsbridge Road, as identified in Appendix 1 of this report be adopted.
2. The appropriate by-law be amended.

Financial Impact

The financial cost of installing these speed limit signs is approximately \$500.00. Funding for these stops controls is available in the Transportation Services 2007 Operating Budget, within Cost Centre TP0226.

The Deputy City Manager and Chief Financial Officer have reviewed this report and agree with the financial impact information.

Summary

This report provides the results of traffic studies conducted on Knightsbridge Road, where a 40 kilometre per hour (km/h) speed limit is technically justified and recommended for implementation over its entire length.

Background Information

Proposed Speed Limit Reduction on Knightsbridge Road

(<http://www.toronto.ca/legdocs/mmis/2007/sc/bgrd/backgroundfile-1192.pdf>)

Community Council Recommendations

On motion by Councillor Heaps, the Scarborough Community Council recommended that:

1. City Council adopt the 40 kilometre per hour speed limit on Knightsbridge Road, as identified in Appendix 1 of this report.
2. City Council amend the appropriate by-law.

Proposed Minor Street Stop Controls at Two Locations in the Dorset Park Community

(January 29, 2007) report from Director, Transportation Services, Scarborough District

Recommendations

Transportation Services, Scarborough District, recommends that:

1. An all-way stop control not be installed at the west intersection of Wye Valley Road and Glaive Drive.
2. The “Compulsory Stops” regulation, as identified in Appendix 1 of this report, be adopted.
3. The appropriate by-law be amended.

Financial Impact

The financial cost of installing these stop controls is approximately \$500.00. Funding for these stop controls is available in the Transportation Services 2007 Operating Budget, within Cost Centre TP0226.

The Deputy City Manager and Chief Financial Officer have reviewed this report and agree with the financial impact information.

Summary

This report responds to a request to install all-way stop controls at the intersection of Wye Valley Road and Glaive Drive. At the same time, staff reviewed the installation of minor street stop signs at two other uncontrolled three-way intersections (i.e., Glaive Drive at Lewiston Road and Maxim Crescent at Lewiston Road) in the Dorset Park Community, and determined that minor street stop signs should be installed at these two locations to clearly define the right-of-way and to regulate traffic flow.

Background Information

Proposed Stop Controls at Exford Drive and Blaisdale Road in the Dorset Park Community

(January 29, 2007) report from Director, Transportation Services, Scarborough District

Recommendations

Transportation Services, Scarborough District, recommends that:

1. An all-way stop control not be installed at the intersection of Exford Drive at Blaisdale Road.
2. The “Compulsory Stops” regulation, as identified in Appendix 1 of this report, be adopted.
3. The appropriate by-law be amended.

Financial Impact

The financial cost of installing these stop controls is approximately \$1,500.00. Funding for these stop controls is available in the Transportation Services 2007 Operating Budget, within Cost Centre TP0226.

The Deputy City Manager and Chief Financial Officer have reviewed this report and agree with the financial impact information.

Summary

This report responds to a request to install all-way stop controls at the intersection of Exford Drive at Blaisdale Road. The installation of an all-way stop control is not justified at this time; however, a minor street stop sign will be installed for Blaisdale Road. At the same time, staff reviewed the installation of minor street stop signs at nine other uncontrolled three-way intersections in the immediate neighbourhood. It is recommended that minor street stop signs be installed at the ten uncontrolled three-way intersections to clearly define the right-of-way and to regulate traffic flow.

Proposed Parking Regulations on the North Side of McNicoll Avenue between Birchmount Road and Pharmacy Avenue

(January 29, 2007) report from Director, Transportation Services, Scarborough District

Recommendations

Transportation Services, Scarborough District, recommends that:

1. The “No Parking” regulation, as identified in Appendix 1 of this report, be adopted.
2. The appropriate by-law be amended.

Financial Impact

The financial cost of installing these stop controls is approximately \$4,000.00. Funding for these stop controls is available in the Transportation Services 2007 Operating Budget, within Cost Centre TP0226.

The Deputy City Manager and Chief Financial Officer have reviewed this report and agree with the financial impact information.

Summary

This report responds to a concern about a parking problem along McNicoll Avenue between Birchmount Road and Pharmacy Avenue during Warden Park soccer events. Staff reviewed this road section during a weekend when a soccer tournament was being held and recorded a traffic safety concern on McNicoll Avenue in the neighbourhoods of Huntmill Park and Fundy Bay Park.

It is recommended that the “No Parking Anytime” signs be installed on the north side of McNicoll Avenue between Birchmount Road and Pharmacy Avenue to help ensure that pedestrians do not cross between parked vehicles during Warden Park tournaments.

Background Information

18 Tideswell Boulevard – Part Lot Control Application – Final Report

(January 29, 2007) report from Director, Community Planning, Scarborough District

Recommendations

The City Planning Division recommends that:

1. City Council enact a Part Lot Control Exemption By-law with respect to the subject property for Block 1 of Plan 66M-2426 to be prepared to the satisfaction of the City Solicitor and to expire two (2) years from the date of its passing.

2. City Council authorize the City Solicitor to introduce the necessary Bill after the owner of the subject lands has registered a Section 118 Restriction under the *Land Titles Act*, agreeing not to transfer or charge any part of the said lands without the prior written consent of the Chief Planner and Executive Director, or his designate.
3. City Council authorize the City Solicitor to take the necessary steps to release the Section 118 Restriction from title upon receipt of confirmation that the Common Elements Condominium Plan has been registered.
4. City Council authorize the owner to provide staff with proof of payment of all current property tax for the subject lands prior to the enactment of the Part Lot Control Exemption By-law.
5. City Council authorize the City Solicitor shall be authorized to make such stylistic and technical changes to the Part Lot Control Exemption By-law as may be required.

Financial Impact

The recommendations in this report have no financial impact.

Summary

An application has been submitted to permit exemption from Part Lot Control for a development containing 43 townhouse units at 18 Tideswell Boulevard.

The issues regarding the proposed development were addressed through the approval of the Official Plan and Zoning By-law Amendment applications and the Site Plan Control application. The lifting of part lot control for a period of two years is considered appropriate for the orderly development of the lands.

Kingston Road Revitalization Study – Phase 1 Profile Kingston Road – Birchcliff Community

(January 30, 2007) report from Director, Community Planning, Scarborough District

Summary

This report presents the Phase 1 Profile Report for the Kingston Road Revitalization study of Kingston Road through the Birchcliff Community. The purpose of the study is to develop a revitalization strategy for Kingston Road in Birchcliff that promotes reinvestment along Kingston Road in the context of the policies and directions of the Official Plan and that builds upon and supports local community improvement initiatives. The Phase 1 Profile report includes a review and analysis of existing conditions in the study area with respect to: land use; housing; population; environment; economic conditions; transportation; and community services and facilities. Issues, obstacles and opportunities for revitalization are also identified.

The emerging directions from the Phase 1 work will form the basis for developing a vision for Kingston Road through the Phase 2 work.

1725 Kingston Road - Zoning Application - Preliminary Report

(January 29, 2007) report from Director, Community Planning, Scarborough District

Recommendations

The City Planning Division recommends that:

1. Staff be directed to process the application concurrently with the Kingston Road Revitalization Study.
2. Staff be directed to schedule a community consultation meeting together with the Ward Councillor within the context of the ongoing Revitalization Study and that notice for the community consultation meeting be given to landowners and residents within 120 metres of the site, and to the Kingston Road Advisory Committee.
3. Notice for the public meeting under the Planning Act be given according to the regulations under the Planning Act.

Financial Impact

The recommendations in this report have no financial impact.

Summary

An application has been submitted to permit the development of a 7 storey mixed use residential/commercial building at the southwest corner of Kingston Road and Birchmount Road.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application and on the community consultation process.

The application has been circulated to agencies and City divisions for review and comment. The subject application should be processed and evaluated concurrently with the Kingston Road Revitalization Study currently underway.

Planning staff have concerns with the proposal, including the proposed height and density, and have requested additional information from the applicant to assess the proposal. The continued processing of the application depends on the applicant submitting the requisite information without delay.

90 Morningside Avenue - Draft Plan of Subdivision Application – Final Report

Statutory - Planning Act, RSO 1990

(January 23, 2007) report from Director, Community Planning, Scarborough District

Recommendations

The City Planning Division recommends that:

City Council recommend to the Chief Planner that the draft plan of subdivision be approved, generally as illustrated on Attachment 1, subject to:

- a. the conditions as generally listed in Attachment 4, which except as otherwise noted, must be fulfilled prior to the release of the plan of subdivision for registration; and

- b. such revisions to the proposed plan of subdivision or additional or modified conditions as the Chief Planner may deem to be appropriate to address matters arising from the on-going technical review of the development.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

An application has been submitted for draft plan of subdivision approval to permit eight (8) lots for single-detached dwellings on a 0.72 hectare (1.7 acre) property at the east end of Portia Street. The site is situated within the area of the former Phase 4 Scarborough Transportation Corridor (STC) land use study. The proposed plan of subdivision is consistent with the results of the STC study that provided for an extension of Portia Street and new residential development of single-detached dwellings on the lands. The lots are compatible with existing residential development in the neighbourhood and schools and a local park are nearby. The proposed plan of subdivision promotes the orderly development of the land in keeping with the results of the STC Phase 4 study and the Official Plan.

Proposed conditions of draft plan approval are included in Attachment 4 that address requirements for the road, services, tree protection, street tree planting, noise and safety issues, urban design and other technical matters. Staff recommend draft approval of the plan of subdivision subject to the conditions included in Attachment 4.
