

## Renton Farmers Market 2016 Community Booth Participant Form

The Renton Farmers Market reserves one booth each week during the Market free of charge for non-profit community groups offering services in the Renton area. We ask that your group provide two volunteers for booth staffing from 3 pm until 7 pm and assist with booth take down at the end of each market at 7 pm. The Market provides a 10x10 stall and canopy, one table and two chairs. Please bring any information and handouts that you have for your group. Selling of items is not allowed in our Community Booth.

We will review your application and call you to schedule a market day based on your available dates listed below.
