### ADDENDUM TO REVOCABLE BENEFICIARY (please print)

All beneficiary designations are revocable **except** a designation where:

- a *Designation of irrevocable beneficiary* form is completed; or
- the **Civil Code of Quebec** applies and the beneficiary is the member's spouse (designated without stipulation of revocability) – see box below.

- **Where the Civil Code of Quebec applies, any designation of a member's spouse as beneficiary is irrevocable unless the member stipulates the designation to be revocable by checking the box below** ("spouse" here means married or civil union spouse). Where a beneficiary designation is irrevocable and while that beneficiary is living, the member may not, without the consent of the beneficiary (who must be of legal age to give consent), change or revoke the designation, make withdrawals from the plan where permitted, assign, surrender, exercise certain rights under or in respect of, or otherwise deal with the contract.
  - I stipulate that whenever in this application my spouse (see above definition) is designated as beneficiary, that designation is **revocable**.
- **Where a minor beneficiary resides in Quebec** - Benefits payable under the plan(s) to a beneficiary who, at the time payment is to be made, is a minor, will be paid to his/her tutor(s), unless a valid trust has been established for the benefit of the minor, by will or by separate contract, to receive the benefits and the Issuer has been provided notice of the trust. If a trust has already been established, designate the trust as the beneficiary in this section. **Legal advice should be sought.**

If more than one beneficiary, total distribution, including those appointed on the *Designation of revocable beneficiary/trustee appointment* form, must equal 100%.

**ADDENDUM TO TRUSTEE APPOINTMENT FOR BENEFICIARY LACKING LEGAL CAPACITY (to be completed if beneficiary is a minor or otherwise lacks legal capacity AND DOES NOT RESIDE IN QUEBEC)**

**Please complete this trustee appointment section if any of the primary or contingent beneficiaries are minors or otherwise lack legal capacity to receive the proceeds (not required if the member has already completed a trust agreement).**

The member appoints the trustee to receive, in trust, all benefits payable to any beneficiary designated under the plan(s) who, at the time benefits are paid, is a minor or lacks legal capacity to give a valid discharge according to the laws of the beneficiary's domicile. Payment of benefits to the trustee discharges the Issuer to the extent of the payment. The member authorizes the trustee in his or her sole discretion to use the benefits for the education or maintenance of the beneficiary and to exercise any right of the beneficiary under the plan(s). The trustee may, in addition to the investments authorized for trustees, invest in any product of, or offered by, the Issuer or its affiliated financial institutions. The trust for any beneficiary will terminate once that beneficiary is both of age of majority and has legal capacity to give a valid discharge. The member directs the trustee to deliver at that time to the beneficiary the assets held in trust for that beneficiary. The member or the member's personal representative may by writing appoint a new trustee to replace the former trustee.
