MEDICAL RECORDS

Medical records that address and support your work absence are the best documentation to provide for favorable consideration of your request. For example, if you need leave to cover your absence from January 1 to January 15, ask your treating physician(s) to submit **actual medical records** that address the period from January 1 to January 15. It is not necessary for your physician to write any additional notes or letters.

You must submit the State Employees' Leave Bank Request Form (MS-408), the State Employees' Leave Bank Medical Request Form (MS-402) and the Authorization Form for Release of Records & Information (HIPAA Form) to your Agency Leave Bank Coordinator. Your Agency will submit the Leave Bank request to DBM for consideration. A determination will be issued within 30 days of receipt of your request.

You may wish to have your physician submit additional medical records directly to the Department of Budget and Management (DBM). The records may be mailed, faxed or emailed to:

FACT SHEET FOR THE STATE EMPLOYEES' LEAVE BANK

To join the Leave Bank, employees must donate eight hours of sick, annual or personal leave or a combination thereof. New employees may join within the first 60 days of employment or during open enrollment, which occurs at the same time as the State's health insurance open enrollment. All other employees may join or renew Leave Bank membership during open enrollment. Employees who join the Leave Bank for the very first time must wait 90 days before using leave. Membership is for a two-year period and may be renewed by donating an additional eight hours of leave. It is the responsibility of each employee to verify that the Leave Bank membership has been received and processed by the Agency Personnel Office. Please check with your Personnel Office if you have questions about your Leave Bank eligibility or membership.

To qualify for leave from the Leave Bank, an employee:

- must be an active member of the Leave Bank;
- must have exhausted all forms of annual, sick, personal and compensatory leave;
- must qualify for the use of sick leave under the requirements of the employee's personnel system;
- must **not** have a record of sick leave abuse (i.e., must not have been on a one-day sick slip restriction within the past two years);
- must have received a satisfactory performance rating;
- must **not** have been disciplined within the past year;
- must have a serious and prolonged medical condition;
- must provide sufficient medical documentation to substantiate absence for the time period covered by the Leave Bank request;
- must in all likelihood be able to return to work;
- must have received less than 2,080 hours of leave from the Leave Bank and the Employee-to-Employee Leave Donation Programs; and
- must **not** have used more than 16 continuous months of leave from the Leave Bank and all other forms of paid leave.

To request leave from the Leave Bank, members must complete a State Employees' Leave Bank Request Form (MS-408). Members must also have their physician complete a State Employees' Leave Bank Medical Request Form (MS-402) and provide medical records that address the absence for which Leave Bank is requested. Leave Bank forms are available from your Personnel Office or on the Department of Budget and Management (DBM) website at www.dbm.maryland.gov. Please submit completed forms and medical documentation to your Personnel Office. The Personnel Office will send the Leave Bank request to DBM for consideration. DBM will issue a determination within 30 days of receipt of the request.

If an employee exhausts accrued leave before DBM makes its determination, the employee shall be granted leave until a decision is rendered. If an employee is automatically granted leave and the request is subsequently denied, any leave used must be converted to leave without pay. The employee shall reimburse the State at a minimum rate of one half of all sick leave earned. At the employee's discretion, additional sick leave and any accrued annual, personal or compensatory leave may be applied to the reimbursement or the employee may elect to make cash payments.

Approval to use leave from the Leave Bank is **discretionary**. Denial may be based on any reason that is consistently applied and is not illegal or unconstitutional.
