Rail system o + c

• Accessories , Hooks, Adaptors	28 – 30
• Boxes, Filing Systems	13 - 15
• Flip-Charts , Pad Holder, Accessory Tray, Pads	6, 23 – 24
• Leaflet Holder	16
• Magnetic Adaptor , Magnetic Strip, Rail For Magnets	2
• Paper Pads	7
• Planning Boards , Accessory Tray To Sliding Boards	5, 12
• Projection Screens	8 – 10, 24
• Quality Management	22
• Wall Rail , Double Rail, Decor Strip, Colour Code	1 – 2
• Whiteboards	3 – 5, 11 - 12

Mobile Boards „Exposition“

• adeco space acoustic	20
• Display	19
• Mobile Board	18
• Mobile Coat Hanger	18
• Presentation Stand	18
• Whiteboards	3 – 4
• ScrumBoards®	21

Mobile Line „Profi-line“

• Flipchart, Multi-Media Trolleys	22 - 24
• Lectern	25
• Projection Trolleys	25
• Roll-up Screen	24

Moderator

• Workshop Boards	26
• Workshop Case, Carriage, Paper	27

Technical Information

31 – 33

the advantage

- | **o + c design**
 - uniform and elegant design
 - optimal ergonomic conception
 - stable yet light construction
- | **Mural support rail**
 - elegant and discreet design
 - safety groove, prevents accidental dislocation of boards
- | **Double rail**
 - allows projection boards to glide over the various hanging boards
 - simple supplementary installation
- | **Decorating strip**
 - available in 17 different colors
 - corporate identity for rooms
 - covers the rail supporting screws
- | **Safety suspension**
 - guarantees absolute security in use
 - boards can only be removed at an angle of 15°
- | **Sliding boards**
 - single- or double-sided
 - very light and stable construction
 - various surface provisions and colors
 - pinboard with excellent all-over hold of pins
- | **Planning boards**
 - optimum organisational medium
 - erasable and magnetized
 - printing as per your proposition
- | **Spacer - rolls**
 - with non-abrasive rubber O-ring
 - prevent damage to walls
 - allow quiet and easy gliding
- | **Handy - tablet**
 - for felt-markers, pointing stick, magnets
 - for single- and double-sided boards
 - can always be supplemented
- | **Mural flipchart**
 - light and stable construction
 - easy overturning of the paper sheets
 - magnetic paper-clamping device
- | **OHP-board tilt**
 - gradually adjustable up to 25°
 - high degree of surface reflection
 - can be positioned across a corner
- | **OHP-board tilt & swivelling**
 - simple rearrangement of suspension elements, allows left or right side orientation up to an angle of 55°
- | **Vertical supports**
 - Elegant support element
 - for simple suspension or removal of shelves, tablets and cupboards
- | **Shelf-supports**
 - stable support element, for installation of existing shelves, to be hooked onto the vertical supports

Our **guarantee** covers manufacturing- and material defects for a period of 24 months from delivery date. Normal wear and misuse are excluded from the guarantee. 25 years guarantee on steel enamelled surface when respecting the prescriptions.

Several patents have been received in Switzerland for **o + c system products**.

Rail

Multi-purpose mural support rail for all **o + c** item. With paper gripping rollers for fixing plans, sheets, posters, etc. Elegant aluminium rail, anodized mat-silver, security panel avoiding unintentional dislocation of suspended elements.

	alu	<i>white</i>
dimension (LxHxD)	item no.	<i>item no.</i>

green	203 007	d. brown
orange	203 008	black
red	203 009	

Double Rail

The double rail allows to slide boards and flipcharts over and in front of various hanging boards, adding thus mobility to space saving. **Indicated prices are to be understood only for double rail. The **o + c** double rail may only be used together with the **o + c** rail. Below mentioned additional mounting sets are required.**

	dimension (LxHxD)		
Price only double rail	200x7,8x1,5cm	60.00	64.00
Price only double rail	300x7,8x1,5cm	90.00	96.00
Corner parts for double rail		12.50	14.70
Mounting set for double rail			
for flipchart and single sided sliding boards		79.00	85.00
for projection screens 248/248		73.50	82.00
for tilt projection boards		73.50	82.00

Magnetic Adaptor

to wall rails o + c on metal walls

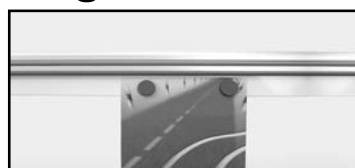

In addition to o + c wall rails. Mounted on reverse side of o + c rail for hanging in whiteboards, flipcharts and projection boards up to 130x130cm.

Per running meter rail : 1 pc. of magnetic adaptor

Price excl. wall rail

dimension (LxHxD)	steel/magnets item no.
80x4x1cm	205 080

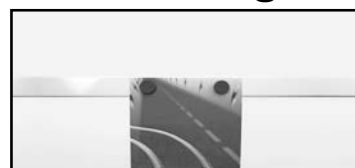

Magnetized Strip

The magnetized strip is to be fixed under the o + c rail thus allowing the whole flexibility of the o + c rail. Standard execution in RAL 9010.

dimension (LxHxD)	white item no.
200 x 8.5x0,1cm	304 200
300 x 8.5x0,1cm	304 300

Rail for magnets

To use magnets on the rail. Powder coated steel rail, white RAL 9010.

(LxHxD)	
200x4,5x0,5cm	306 200
300x4,5x0,5cm	306 300

Colour Code For Felt Boards

The soft high quality felt boards come in a colour range suitable for the integration with your office environment, conveying a decorative touch. The felt surface lend itself for use as a pinboard or a self-adhesive felt board

Colour	Code no.	
white	*1	violet
light grey	*2	blue
anthracite	*3	green
arctic blue	*4	orange
linen	*L	red

Sliding Boards

Single sided

Usable on one side only. Stable and light construction. White surface of scratch-resistant, enamelled steel-sheet. Aluminium frame anodized mat with bevel cut. Single-sided suspension, security panel. Spacer rolls with rubber O-ring prevent damage to walls and allow quiet and easy gliding.

Accessory trays for sliding boards see on page 5

Flipchart

Flipchart

Flipchart board with enamelled and magnetized surface, suitable for writing, erasable. With magnetized paper pad holder. The distance between wall and frame allows easy overturning of the paper sheets. Spacer-rolls with rubber O-ring avoid damage to the wall and favour quiet and easy gliding. Incl. 1 paper-block.

dimension L x H	alu item no.	<i>white</i> <i>item no.</i>
78 x 108cm	N231 000	<i>N331 000</i>

Flipchart

Tilt

Same specification as above, but tilt.
Distance to wall when tilt : 32cm

78 x 108cm	N231 500	<i>N331 500</i>
-------------------	----------	-----------------

Flipchart

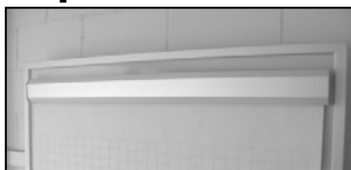

without holder

With supporting elements and spacer-rolls for direct suspension on to the **o + c** rail, inclusive magnetized paper pad holder. (Paper cannot be flipped). Possibility to add backside a special holder for fitting the board to the movable roller base. Incl. 1 paper block.

78 x 108cm	N231 100	<i>N331 100</i>
78 x 108cm	*N231 300	<i>*N331 300</i>
	* (incl. Trapezoidal sheet)	

Flipchart Pad Holder

Due to the magnetized handy pad holder, it can be attached on every magnetized **o + c** surface, i.e., white and chalk boards.

N329 081

Flipchart Paper Pads

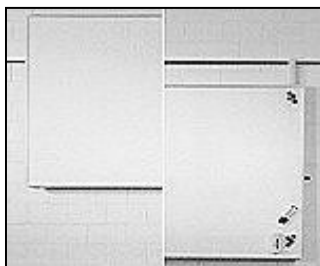

Recycled flipchart paper with 6 suspension points as per DIN. Suitable for all standard flipcharts. The perforated tear-line allows a clean removal of papersheets, even in the middle of the pad. This makes it easy to introduce individual sheets under the cylindrical paper pad holder of the o + c rail.

Pad dimensions : 70 x 96cm

Item No.

Pad, 20 sheets (packing unit 10 pads)	233 020	per pad
Pad, 50 sheets (packing unit 2 pads)	233 025	per pad
Pad, 50 sheets (packing unit 4 pads)	233 050	per pad

Adaptor To Height Adjustable Sliding Boards

Adaptor with gas pressure cartridge allows to adjust the height of sliding boards of 30 cm and pulling down up to 20cm. The sliding board remains removable on the o + c rail. Adaptor may be mounted later on. **Price without board.**
