

Christmas For Kids CARDS

Every year, Bright Futures Joplin partners together with area organizations like Shop with a Cop to help make the Holidays special for children throughout the district that would not otherwise have gifts to open on Christmas. This year, you can join us in that effort by purchasing Christmas cards designed by our own Joplin Schools 'kids. You can purchase custom cards with your own personal message and/or business logo inside or you can purchase them by the dozen with a standard greeting. Either way, it's a great way to send your holiday greetings and impact the life of a child in need this Christmas!

Orders will be received through October 16th and will be shipped directly to your home or business by the middle of November.
