

Get More Home for Your Money With A 5/1 Adjustable Rate Mortgage!

The 5/1 ARM is designed to give payment stability, but also allows you to qualify and pay at a rate of interest that typically may be lower for the first five years. With lower rates it allows you to buy that larger home that you have been dreaming of.

- 30 year loan, with the rate fixed for 5 years before adjusting
- Down payment assistance permitted
- Credit Score must be above 640
- Contact your AmeriFirst loan officer for current interest rates

If you have any questions or would like more information about 5/1 ARM please contact us.
