

Mites/ 8U Girls Participation Agreement

This Agreement is between Johnson Como Hockey Association and/or North St. Paul Area Hockey Association [hereinafter "Association"] and the undersigned parent or guardian [hereinafter "Parent"]. This agreement details the terms of the fee payment and the fundraising requirements as agreed to by the Parent in consideration for the child's participation in the 2014/2015 Mites/ 8 U Girls Level Hockey programs provided by the Association.

The goal of the Association is to build a competitive and successful, yet affordable, hockey program. In order to do so the Association has, in addition to creating the Co-op, combined fees with fundraising opportunities. Complete participation in the fundraising is what allows the Association to keep your fees low and enables the continuation of the hockey program. If you choose not to participate in all of the fundraising then you must pay the full cost fee. Please note, if you have not met your obligations to the association in prior years you will not be allowed to participate in the fundraising programs described below.

Regardless of which payment option you select, you agree to meet the following minimum obligations:

- 1. Your player must be enrolled in USA/MN Hockey prior to registration and you must bring a copy of the registration bar code with you to registration. The cost of this registration is \$50.00 online if your child is over the age of 6, or free.**
- 2. Tournaments and Hockey Operations: The Association raises funds by hosting tournaments. Each age level hosts a tournament at its age level. Mites have an end of season Jamboree. Each family must work shifts at this Jamboree as determined by the Mite Coordinator. You agree that you will meet your obligations in this regard.**
- 3. If by some unusual circumstances, your team attends any additional Jamborees, each family will be responsible for their share of any gate fees for which their team is registered to participate in.**
- 4. There are Team Requirements, such as a team basket for the Spaghetti dinner, each family shall participate by either buying an item for the basket or soliciting a donation for the basket. This season all teams will share in the responsibility to flood the Phalen Ice Arena. The number of shifts has yet to be determined. Each skater and/or their family need to support their team responsibilities.**

Option 1 - The Total Cost Option: The total cost of each Mites/ 8 U girls team is approximately \$12,800. There are approximately 16 total players per team. Therefore, the total cost per player is approximately \$800. If you choose to pay the total cost, this amount is due at Registration and you will have no further fundraising obligations beyond the minimum obligations detailed above.

Option 2 - The Fundraising/Fee Combination Option:

You understand that at Registration there is no guarantee which mite level your child will be placed in. That placement is made in accordance with their age in conjunction with their current skills and abilities. At this level there are more obligations as you prepare to progress to our upper level traveling program.

1. **Fees:** You agree that you owe a total of \$250 in fees for our advanced top level team, \$200 in fees for the mid-level, \$100 for youngest and less experienced including the mini-mite or introductory level. The initial payment for Mites is \$100. First year Mini Mites (6 and Under) do not owe any fees but do have a small fundraising requirement.
2. **Fundraising:** You agree that you will fully meet the following fundraising obligations:

Advanced Mites: Families will work 2 shifts in the concession stand at Phalen or Polar Arena; and

will sell or buy six (6) \$5 Taco Tickets for Taco Day;
will sell or buy twenty (20) Butter Braids at \$12 each;

I, _____, select the **Option 1 - Total cost Option / Option 2-Fundraising Fee Combination Option**, (circle choice) and agree to bound by the terms and conditions herein. In addition to the financial terms herein, I understand and appreciate that the risk from hockey is significant; this risk of serious and/or permanent injury does exist. By my child's participation, I KNOWINGLY ASSUME ALL SUCH RISKS, both known and unknown, and agree to hold harmless and release Johnson Como Hockey Association, including its Board Members, Officers, Coaches and other personnel, from any and all claims and/or accidents that may occur. I agree to pay all fees and participate in all fundraising as agreed to above.
