Register

	<p>Title: American Girl Doll Tea Party Course Fee \$107 Presenter: Sue DiCenzo</p> <p>Do you like American Girl Dolls? If so, come join other American Girl Doll lovers to learn more about Kaya, Caroline, Samantha, and Julie! You will participate in fun activities to learn more about the time periods of these amazing girls. Finally, we will do crafts and have a tea party with our dolls on the last class. You can participate a whether you have an American Girl Doll or another favorite doll.</p>	<p>Grades: TP-2 Max Enrollment: 15 Seats available:1</p>
	<p>Title: Books, Games, Crafts, and More! Course Fee \$115 Presenter: Jennifer Hopson</p> <p>Do you enjoy reading great books, doing crafts, and playing games? Then this is the course for you. We will read picture books, do crafts, (some you can even eat), play games, and do many other activities! Each day is a new theme filled with FUN! Please Note: Some foods that will be served are processed in a facility that may have NUTS. However, no NUTS will be served.</p>	<p>Grades: TP-2 Max Enrollment: 15 Seats available:2</p>
	<p>Title: Kids' Favorite Books Course Fee \$105 Presenter: Kimberly Wright</p> <p>Come explore your favorite authors such as Dr. Seuss, Kevin Henkes, Arnold Lobel, and more. We will read books, play games, do art projects, and act out our</p>	<p>Grades: TP-2 Max Enrollment: 15 Seats available:10</p>

	<p>favorite stories. Have fun playing games like "Pin the Eggs on the Plate" and "Tic-Tac-Toe Green Eggs in a Row" just to name a couple. If you love to read and have fun, then this is the class for you!</p>	
<p>○</p>	<p>Title: Let's Celebrate! Course Fee \$110 Presenter: Maggie Krick & Aileen JohnstonBarrios</p>	<p>Grades: TP-2 Max Enrollment: 25 Seats available:8</p> <p>LET'S CELEBRATE our year with GAMES,CRAFTS and MUSIC! We will celebrate the seasons as well as holidays. Where else can you sing Halloween songs in the middle of July? Where else can you have a snowball fight in the summer? Join us and LET'S CELEBRATE together.</p>
	<p>Title: CLOSED OUT Science Adventures! Course Fee \$135 Presenter: Jacqueline Levash</p>	<p>Grades: TP-2 Max Enrollment: 15 Seats available:0</p> <p>Do you like to learn about dinosaurs, plants, space, weather or sharks? If you do, then be sure to join us as we explore each of these topics. Together we'll have fun and learn as we read fiction and non-fiction books about these topics. We will write stories or reports and make posters too! We will also create art projects each day when we explore a new topic. During the week, we will make and play games. Every day will be new adventure!</p>
	<p>Title: CLOSED OUT Under the Sea Course Fee \$110 Presenter: Diana Visicaro</p>	<p>Grades: TP-2 Max Enrollment: 15 Seats available:0</p> <p>Let's dive into summer by celebrating life under the sea! Get creative and come ready to make homemade "moon sand," delicious ocean snacks, and awesome sea creature arts and crafts. Do you love collecting seashells? Not only will we hunt for buried seashells in the sand, but we will also go on a scavenger hunt to look for hidden treasure!</p>
	<p>Title: Artful Insects Course Fee \$102 Presenter: Joseph Dugan</p>	<p>Grades: TP-3 Max Enrollment: 15 Seats available:5</p> <p>Students will explore a variety of insects using both fiction and non-fiction sources. They will then create "one of a kind" works of art featuring the insects of the day. No need to be an artist to take this course, all levels of artistic expertise can have fun with our insect creations.</p>
	<p>Title: Create Like Eric Carle Course Fee \$110</p>	<p>Grades: TP-3 Max Enrollment: 15</p>

Presenter: Joella Sperber

Seats available:11

Come and investigate the wonderful world of Eric Carle! We will read stories by the famous author and illustrator, Eric Carle and create magical works of art using his unique method of illustrating. Get messy and have fun as we transform our ideas into terrific illustrations. We will take our writing and add it to these illustrations. Our own books will be terrific! While our work is drying, we will enjoy making special food projects to go along with Eric Carle's stories. Please bring a smock and a snack/drink each day.

Title: Cultural Creations

Grades: TP-3

Course Fee \$110

Max Enrollment: 25

Presenter: Kelley Callahan & Marina Devino

Seats available:25

Come learn about different cultures from around the world! We will learn about different cultures from Europe, Latin America, the United States, Africa, and Asia! Each day of the week will be based on a different culture. During the day, we will listen to music, read a story, learn a few facts, make a snack, create a craft, and play a game native to specific countries and cultures.

Title: CLOSED OUT **Science Is Elementary!**

Grades: TP-3

Course Fee \$105

Max Enrollment: 25

Presenter: Jill Hannum & Barbara Golden

Seats available:0

Are you a budding scientist? Do you like to make things explode? How much water can a penny hold? What ingredients do you need to make ice cream? Young scientists will explore the answers to these questions and many more!
*Experiments in this course use food ingredients. Some foods may contain nuts.
*Please send a snack for your child each day.

Title: SUN-Sational Stations!

Grades: TP-3

Course Fee \$110

Max Enrollment: 25

Presenter: Keri Krawski & Tina Mandraccia

Seats available:20

Have you ever participated in stations at school? If so, you know how much FUN they can be! If not, then this is your chance to find out just how SUN-sational they can be! Each day, a new theme will be introduced and new stations will be revealed. Some of the SUN-sational activities you will participate in are: frame-making, beading, scratch-art, painting, sand art, suncatchers, games, experiments, and so much more. Just think of all the great projects you'll make and treasures you'll get to take home with you. All you need to do...sign-up and bring a daily snack and water with you! So don't miss your opp...Sun-Sational Stations is your stop!

<p>Title: Team Games Course Fee \$105 Presenter: Amy Borer & LeeAnn Best</p>	<p>Grades: TP-3 Max Enrollment: 25 Seats available:2</p>
<p>Children will participate in a variety of team games throughout the week. Class will focus on team work, sportsmanship and having fun. The week will conclude with a pizza party. Please have your child bring a snack, water bottle and apply sunscreen daily.</p>	
<p>Title: Getting to Know Computers Course Fee \$105 Presenter: Dawn Zomorrodian</p>	<p>Grades: TP-4 Max Enrollment: 15 Seats available:14</p>
<p>This summer, get to know computers in a fun and engaging way. Students will use Google programs to learn the basics of Word Processing, Spreadsheets and Presentations. Students will also visit some fun, educational websites.</p>	
<p>Title: Yoga Experience Course Fee \$110 Presenter: Jessica Kunath</p>	<p>Grades: TP-4 Max Enrollment: 15 Seats available:14</p>
<p>Yoga is for everyone! Yoga means the "union" of the mind, body, and spirit. The Yoga Experience will introduce students to the practice of yoga with daily yoga class and supplemental related activities. Students will enhance their daily 35-45 minute yoga practice with group activities on yoga poses, partner practice, character building, empowerment, relaxation techniques, and information on healthy eating. The instructor, along with being a teacher, is also a 200-Hour Registered Yoga Teacher and Nutrition and Wellness Consultant. *Yoga mats are optional as they will be provided by the teacher.</p>	
<p>Title: Crazy, Wacky Weather! Course Fee \$105 Presenter: Kelley Yankowski</p>	<p>Grades: 2-3 Max Enrollment: 15 Seats available:8</p>
<p>Interested in science? Want to learn more about the crazy weather in the world? Come join us as we take the storm head on! Learn about hurricanes, tornadoes, rain, tsunamis, and much more! We will create projects, read stories, and watch video clips to learn more about our world's weather!</p>	
<p>Title: Magic Tree House Book Club Course Fee \$110 Presenter: Dana Rosen</p>	<p>Grades: 2-3 Max Enrollment: 15 Seats available:15</p>
<p>Join Jack and Annie on their adventures during this week long book club. We</p>	

will read several Magic Tree House books, perform a Reader's Theater skit, and enjoy many more activities.

Title: Awesome Acting and Dynamic Dancing

Grades: 2-4

Course Fee \$110

Max Enrollment: 25

Presenter: Lynn Kelly & Annie McCloskey

Seats available:1

Come live out your performing dreams! With your friends and fellow classmates, you will dance to the latest music, play creative theater games, and perform individual and group plays. As a group we will decide what elements we need for our final show. We could choose a hip hop dance, a comedic performance, or a skit that includes audience participation. This course is high energy, fast moving and encourages the creative mind! Even if you have signed up for this class in the past, join us for a brand new experience!

Title: Jewelry Making

Grades: 2-4

Course Fee \$120

Max Enrollment: 15

Presenter: Debi Kurisko

Seats available:11

Are you creative and unique? Do you like to be fashionable or to start your own trends? If so, join us to create your own custom jewelry. You will have a chance to experiment with different kinds of beads, charms and wire. We will learn how to make different designs with seed beads and accent them with focal beads. You will be able to create necklaces, bracelets, and earrings. By the end of these sessions you will have many one-of-a-kind masterpieces to take home to show off or give as gifts.

Title: Puppet Making

Grades: 2-4

Course Fee \$125

Max Enrollment: 15

Presenter: Heather Bartholomew

Seats available:9

In this course you will learn to make a variety of puppets. We will use an array of materials like, pipe cleaners, fabric, paper towel rolls, pom poms, paper mache and paint to create realistic and non-realistic puppets. Each day will be spent learning how to design and build a different kind of puppet like finger puppets, sock puppets, paper mache bottle puppets and marionettes. You will also have a chance to make a puppet resemble your favorite story book character. Come and spend a week in the creative and imaginative world of puppet design.

Title: Sizzling Summer Celebration

Grades: 2-4

Course Fee \$115

Max Enrollment: 25

Presenter: Grace Verano & Samantha Hillier

Seats available:14

Do you want to go to the beach? How about an amusement park? Maybe

camping or on a picnic? Well, you can! Everyday, during Sizzling Summer Celebration, we will turn our classroom into a different summertime destination. Put on your shades and let's celebrate summer as we enjoy summer stories, create cool crafts and make delicious summertime sweet treats. *Please provide a drink and small snack for you child daily. *Snack made in this program may contain nuts and/or dairy ingredients.

Title: The Incredible Human Body: The Five Senses
Course Fee \$105
Presenter: Lauren Bonick

Grades: 2-4
Max Enrollment: 15
Seats available:13

The human body is AMAZING! It helps us see stunning sights, hear super sounds, smell spectacular scents, taste fantastic flavors and feel fabulous textures! As scientists, we will examine a different sense each day. We will play games as well as conduct experiments in order to observe how we use each sense to help us navigate and explore the world around us! Would you like to be part of making a giant human ear to see how sound travels to the brain? Perhaps you are interested in sniffing out mystery scents using your olfactory (smelling) senses! Maybe you'd like to challenge your vision with some optical illusions! You can explore four different zones of your own tongue by taste testing mystery materials! You can even appreciate your sense of touch, especially when the rest of your senses are not available to help you figure out hidden objects are within a hidden box! Get your summer started by discovering your inner scientist!

Title: Beginning Chess & More
Course Fee \$107
Presenter: Robert Massaroni & Patricia Sellar

Grades: 2-5
Max Enrollment: 25
Seats available:14

Learn the time honored battle of the chessboard, Kings and Queens, Knights and Pawns. Learn how each piece moves and captures its opponent. Basic chess strategies will be demonstrated and discussed. All abilities are welcomed.

Title: Basketball Skills, Drills, and More
Course Fee \$95
Presenter: Andrew Mehring & Timothy Quimby

Grades: 2-6
Max Enrollment: 25
Seats available:11

Tired of your son/daughter sitting around inside during the summer time? Are you trying to think of ways to get them to be more active? Basketball Skills, Drills, and More is your answer! Students will spend one week learning and improving on the fundamentals of basketball, staying active, and having fun. In our camp, students will learn key basketball drills to improve their basic skills, play fun min-games that will challenge their newly developing skills, and play in

organized, structured scrimmages to test out their abilities against one another.

Title: Disney Movies & Crafts

Course Fee \$110

Presenter: Caitlin O'Neill & Kathryn D'Onofrio

Grades: 2-6

Max Enrollment: 25

Seats available:13

Do you enjoy Disney movies & love crafts? This summer session is for you! Throughout the course of the week, participants will view Disney movies with the opportunity to create thematically oriented crafts associated with Disney movie viewed. Movies and crafts will include: Frozen [Snow globes, necklaces, tiaras, and Olaf Snowmen], Lilo & Stitch [Hawaiian celebration, design-your-own mini surfboard, and leis], Finding Nemo [Decorate-your-own fish & Shoe box aquariums], The Incredibles [Makes, capes, & String Art], and Monsters Inc. [Pajama Party & Themed Photo Booth].

Title: CLOSED OUT SNAP! Circuits Basics

Course Fee \$165

Presenter: Christopher Aleo

Grades: 2-7

Max Enrollment: 15

Seats available:0

Learning about electrical circuits in a SNAP! This course teaches students how to understand the concepts behind circuitry and how to read schematics in a fun and creative way. The circuits snap together, and there are over 300 projects kids can build ranging from very simple light switches to more complicated sirens, alarm systems and even one where you can broadcast your voice through a clock radio! This course has been one of the most popular in recent Summer Enrichment history and it fills up quickly!

Title: Xbox Kinect

Course Fee \$110

Presenter: Chris Giordano

Grades: 2-8

Max Enrollment: 15

Seats available:5

The brand new and popular video game accessory, Xbox Kinect, offers the joy of video games without a controller! Students in this class will use only their bodies to interact with the video game. Finally, players can truly simulate the motions of their virtual counterparts. The entertainment value is apparent, but don't tell them about the exercise they get from it too!

Title: Building Challenges for Kids

Course Fee \$110

Presenter: Amy MacCrea & Kara Kornberger
(McKenna)

Grades: 3-4

Max Enrollment: 25

Seats available:8

Children will design, create and implement building structures with different kinds of materials. Do you like to create things with Legos and other reusable

materials? Do you think you have what it takes? If so, this may be the class for you. You will work beside fellow engineers in training to create structures with your imagination.

Title: CREATION STATION

Course Fee \$103

Presenter: Michelle Klink

Grades: 3-5

Max Enrollment: 15

Seats available:13

Imagine starring in a commercial packed full of persuasive language and originality! Let your ideas and pencil run wild as we discover the creative writer in you! The surprises and activities continue each day as we play games, create art projects and even enjoy a sweet treat together; all while developing your writing skills. You can become the lead character in a story or be inspired by ordinary objects that spark your interest. This is your chance to let your creativity shine through varying styles of writing. The best part is you'll have completed projects to show those you love just what a writing star you are!

Title: Miss Marton's Around the World with Art

Course Fee \$115

Presenter: Marissa Marton & Jessica Raymond

Grades: 3-5

Max Enrollment: 25

Seats available:25

Come and explore art from various cultures around the world! We will be working with a variety of media to create both two and three-dimensional works of art. Each day we will take a look at different cultures' works of art and you will create one of your own to take with you. Some works will include Greek Mosaics, Native American Dream Catchers, Aboriginal Dot Painting, Puerto Rican Vejigante Masks and more!

**Title: Storybook/Super Hero Inspired
Printmaking and Paper Mache Sculptures**

Course Fee \$135

Presenter: Samantha Banker

Grades: 3-5

Max Enrollment: 15

Seats available:11

Students will get to work in 2D and 3D during this course! Part of this week will be spent exploring a variety of printmaking techniques such as stamping, monotypes, collagraphs, fish prints, and relief printmaking. Printmaking is an exciting way for artists to create multiples of their design and will be able to duplicate their illustrations to create an accordion book and T-shirts based on self portraits and our favorite storybook/superhero characters. Students will bring these characters to life, by creating sculptures with newspaper, tape, and paper mache.

**Title: CLOSED OUT Welcome to Giulia's Italian
Cooking Class!**

Course Fee \$135

Grades: 3-5

Max Enrollment: 12

Presenter: Giulia Barbiero	Seats available: 0
<p>Become a true Italian chef and get a taste of great Italian food this summer while you learn to prepare meals you can share with friends and family! Come prepared to eat, learn, and have fun! Buon Appetito!!</p>	
Title: CLOSED OUT Cupcake Wars Course Fee \$145 Presenter: Rebecca Barajas & Kristen Jones	Grades: 3-6 Max Enrollment: 18 Seats available: 0
<p>It is time once again for CUPCAKE WARS!!!! In this class student will learn how to create cupcake from the bottom up, as well as, decorate them like a pro!! At the end of the week we challenge the students to a bake off creating cupcakes based on a theme to battle it out in a CUPCAKE WAR!!! Can't wait to see you there! (NUT FREE OPTIONS)</p>	
Title: FUNDamental Field Hockey Course Fee \$115 Presenter: Nicole Cecchetti	Grades: 3-6 Max Enrollment: 25 Seats available: 16
<p>Looking for a chance to play field hockey for the first time? FUNdamental Field Hockey is focused on inspiring boys and girls in grades 3 through 6 to try a new sport by increasing playing opportunities and emphasizing small-sided games and skill development. We will be making field hockey crafts to bring home, enjoying healthy snacks, and playing exciting team building games and activities. All you need to bring are water, shin guards, and a positive attitude. Sticks are provided and made of plastic and foam for the safety of all players. See you on the field!</p>	
Title: Knitting Course Fee \$120 Presenter: Nina Presuto	Grades: 3-8 Max Enrollment: 15 Seats available: 7
<p>Students will learn the basics of knitting: casting on, knitting, purling, and binding off. They will receive two sets of needles, a PowerPoint presentation, yarn, two darning needles, a craft bag and knitting patterns. After learning the two basic stitches, exploring how these stitches can be combined to create patterns, and examining a variety of completed projects, the students will create one or more projects. Snacks will be served! While the course is being offered over a two week period, students may take one or the other or both sessions. No knitting experience is required.</p>	
Title: Kids Can Cook: Healthy Chef 101 Course Fee \$145 Presenter: Ashlea-Nichole Skiles	Grades: 4-6 Max Enrollment: 12 Seats available: 3

Do you enjoy eating, but find it challenging to navigate your own kitchen? Let alone make something healthy, nutritious, AND tasty!! If your typical after-school snack consists of potato chips, cookies, or anything sugary-sweet that's a no-brainer--why not learn how to make something quick, easy, yummy, and actually GOOD for you, too?! Maybe you would like to surprise your family with a scrumptious one-pot dinner? If you need to learn your way around the kitchen, and want to eat well--then this course is for YOU!

Title: Rock Hounds
Course Fee \$113
Presenter: Mary K Jett

Grades: 4-6
Max Enrollment: 15
Seats available:13

Discover the wonders of rocks and minerals by using your investigative skills. Each student will be provided with their own rock and mineral collection to do the investigations. Conduct your own experiments and field tests to identify rocks and minerals. Grow your own crystals, make your own fossils and models of rocks - igneous, sedimentary & conglomerate. Play games and go on a scavenger hunt to discover unique rocks and minerals and their everyday uses.

Title: Travel the World
Course Fee \$110
Presenter: Lisa Olszewski

Grades: 4-6
Max Enrollment: 15
Seats available:14

Students in this class will "travel the world" and learn about a different country each day. The daily "trip" will allow students to experience each different country's unique culture, geography, and history right from the classroom. We will learn and explore through stories, videos, crafts, games, and activities to gain an understanding of how diverse the world is.

Title: Creative Computers
Course Fee \$105
Presenter: Aimee Castellano & Jessica Fox

Grades: 4-8
Max Enrollment: 15
Seats available:10

Have you ever wanted to create and edit your own movie and commercial? Now is your chance! With WeVideo and Powtoons you can create a memorable event or aspect of your life (vacation, school trip, family, or friends - whatever moment you decide to run with) and a cool commercial to boot. You will bring in digital pictures and compile these photos onto a storyboard in WeVideo. From there, you will unleash your creativity by adding video effects, transitions, titles, captions, and credits. You'll take your movie to the next level by adding songs, audio clips, and narration. Whether you are a beginner or an avid computer user, you will leave this summer enrichment program with a movie masterpiece and a fun commercial! Hollywood here you come!

	<p>Title: Sports Plus Course Fee \$105 Presenter: Barrie Foley & Cassandra Fisher</p>	<p>Grades: 4-8 Max Enrollment: 25 Seats available:5</p>
	<p>Title: Super Weavers! Course Fee \$125 Presenter: Ann-Marie Pahoulis</p>	<p>Grades: 4-8 Max Enrollment: 15 Seats available:11</p>
	<p>Title: Caking and Decorating...Without the Baking Course Fee \$120 Presenter: Brianne Gattuso & Lauren Henry</p>	<p>Grades: 5-6 Max Enrollment: 18 Seats available:3</p>
	<p>Title: Mini Shark Tank: Improving the World Through New Inventions Course Fee \$110 Presenter: Nicole Ruggiero</p>	<p>Grades: 5-6 Max Enrollment: 15 Seats available:3</p>
	<p>Title: Fashionista Fun Course Fee \$125</p>	<p>Grades: 5-8 Max Enrollment: 25</p>

	<p>Presenter: Mindi Andreski & Amy Crowe</p> <p>Would you like to design your own jewelry, accessories, and more? If so, then you will love spending a week as a designer in "Fashionista Fun"! You will be able to design and construct your own pieces of jewelry, hair accessories, and more.</p>	<p>Seats available:21</p>
	<p>Title: Fun with Yoga! Course Fee \$105 Presenter: Linda Schley & Karen Bryant</p> <p>Learn about yoga through songs and storytelling, making crafts, and preparing healthy snacks. We will be practicing yoga postures and breathing exercises. Other aspects of yoga, such as meditation and helping others, will be introduced at a level appropriate for each age group. Students should wear comfortable clothing and bring a yoga mat or a towel. We will have some yoga mats available for use if needed.</p>	<p>Grades: 5-8 Max Enrollment: 25 Seats available:25</p>
	<p>Title: Jewelry for Divas Course Fee \$120 Presenter: Heather Cohen</p> <p>Are you creative and unique? Do you like to be fashionable or to start your own trends? If so, join us to create your own custom jewelry. You will have a chance to experiment with different kinds of beads, embroidery thread, and wire. You will be learn how to create necklaces, bracelets, anklets, and earrings. By the end of these sessions you will have many one of a kind masterpieces to take home to show off or give as gifts. Please bring a snack and something to drink.</p>	<p>Grades: 5-8 Max Enrollment: 15 Seats available:15</p>
	<p>Title: CLOSED OUT Lego Robotics Course Fee \$100 Presenter: Rebecca McManus</p> <p>Join the world of robots using the Lego Mindstorm NXT robot system. Program a Lego robot using simple drag and drop software. Design and build attachments to complete missions using motob + sensors. Compete against other robots!</p>	<p>Grades: 5-8 Max Enrollment: 15 Seats available:-1</p>
	<p>Title: Loglc Course Fee \$115 Presenter: Thomas Sharples & Brandon Wiater</p> <p>Do you want to learn to solve the Rubik's Cube? This this class will have you solving the cube in minutes. The first three days will be fun filled with learning the different algorithms it takes to master the cube. In this class we will also work on a strategies for a variety of puzzles (ex:Sudoku, Logic puzzles, Rebuses, Crosswords, Mind Master and many more). Finally, everyday we will test your</p>	<p>Grades: 5-8 Max Enrollment: 25 Seats available:8</p>

brain with riddles and Mensa puzzles.

Title: Rockets!!

Course Fee \$100

Presenter: Katie Merriam & Shawn Templin

Grades: 5-8

Max Enrollment: 25

Seats available:18

Come spend a week with us creating rockets! Throughout the week, we will be building our own rockets and learning the science behind these rockets which are launched using water pressure. Each day, students will work on designing, assembling, and launching their own individual rocket. Join us and see how fun and exciting rocket science can be!

Title: CLOSED OUT **Say Cheese**

Course Fee \$104

Presenter: Faith Wight

Grades: 5-8

Max Enrollment: 15

Seats available:-1

Students will get a chance to create art using the program photo shop and their camera. We will go outside and photograph nature as well as photograph portraits of our friends. Each day will present a new task!

Title: From Page to Stage: Theater for Young Adults

Course Fee \$115

Presenter: Casie Fitzgerald

Grades: 6-8

Max Enrollment: 15

Seats available:9

Using fun, silly, and creative theater exercises in listening, concentration, spontaneity and ensemble work, instructors will introduce students to the basics of acting for the stage! Students will experience Acting 101- they will explore all different aspects of putting on a production, from warming up, to rehearsal time, to curtain call! By playing warm up games, practicing improvisation, and working with partners on building a scene, students are bound to learn a lot and have fun with the basics of theater. Finally, students will work individually and with a group to work towards a short presentation to be shown at the end of the program. Come learn how to be yourself- while being someone else!

Title: Math Explorations and Games

Course Fee \$110

Presenter: Laura Pospiech

Grades: 6-8

Max Enrollment: 15

Seats available:8

Math Explorations and Games is a one-week course offered to middle school students so your child can brush up on their math skills during the summer. Topics such as fraction explorations, probability, and graphing will be taught through games and mathematical cartoons to enhance students' problem-solving skills. Students will also have the opportunity to design their own probability

experiments or create their own cartoons to showcase their learning.

<input type="radio"/>	<p>Title: Books, Games, Crafts, and More! Course Fee \$115 Presenter: Marian Salvatore</p>	<p>Grades: TP-2 Max Enrollment: 15 Seats available:9</p>
<input type="radio"/>	<p>Title: Kids' Favorite Books Course Fee \$105 Presenter: Kimberly Wright</p>	<p>Grades: TP-2 Max Enrollment: 15 Seats available:15</p>
<input type="radio"/>	<p>Title: Let's Celebrate! Course Fee \$110 Presenter: Maggie Krick & Aileen JohnstonBarrios</p>	<p>Grades: TP-2 Max Enrollment: 25 Seats available:21</p>

Do you enjoy reading great books, doing crafts, and playing games? Then this is the course for you. We will read picture books, do crafts, (some you can even eat), play games, and do many other activities! Each day is a new theme filled with FUN! Please Note: Some foods that will be served are processed in a facility that may have NUTS. However, no NUTS will be served.

Come explore your favorite authors such as Dr. Seuss, Kevin Henkes, Arnold Lobel, and more. We will read books, play games, do art projects, and act out our favorite stories. Have fun playing games like "Pin the Eggs on the Plate" and "Tic-Tac-Toe Green Eggs in a Row" just to name a couple. If you love to read and have fun, then this is the class for you!

LET'S CELEBRATE our year with GAMES,CRAFTS and MUSIC! We will celebrate the seasons as well as holidays. Where else can you sing Halloween songs in the middle of July? Where else can you have a snowball fight in the summer? Join us

	and LET'S CELEBRATE together.	
	Title: Ooh la la! It's a week of Fancy Nancy Fun! Course Fee \$145 Presenter: Jacqueline Levash	Grades: TP-2 Max Enrollment: 15 Seats available:10
	<p>If you like to be fancy like Nancy then be sure to join us as we read and enjoy the Fancy Nancy series. Together we'll have fun and learn new things as I read aloud a different Fancy Nancy book each day! During the week, we will learn new words, create fabulous fashion accessories, produce posh projects, and learn to make delectable snacks all inspired by the Fancy Nancy series! We will wrap up the week on Friday with a Fancy Nancy tea party celebration!!</p>	
	Title: Silly Summer Fun Course Fee \$105 Presenter: Denise DiPano & Stephanie Moore	Grades: TP-2 Max Enrollment: 25 Seats available:16
	<p>Does your child love playing games, singing songs, listening to silly stories, painting and making arts and craft projects? If so, then this is the course for your child. Your child will help make a "kid-friendly" snack each day and be engaged in total KID FUN activities! We will even do some outdoor activities. Note - we may use food that is not allergy safe.</p>	
	Title: CLOSED OUT Under the Sea Course Fee \$110 Presenter: Diana Visicaro	Grades: TP-2 Max Enrollment: 15 Seats available:0
	<p>Let's dive into summer by celebrating life under the sea! Get creative and come ready to make homemade "moon sand," delicious ocean snacks, and awesome sea creature arts and crafts. Do you love collecting seashells? Not only will we hunt for buried seashells in the sand, but we will also go on a scavenger hunt to look for hidden treasure!</p>	
	Title: Artful Insects Course Fee \$102 Presenter: Joseph Dugan	Grades: TP-3 Max Enrollment: 15 Seats available:15
	<p>Students will explore a variety of insects using both fiction and non-fiction sources. They will then create "one of a kind" works of art featuring the insects of the day. No need to be an artist to take this course, all levels of artistic expertise can have fun with our insect creations.</p>	
	Title: Create Like Eric Carle Course Fee \$110 Presenter: Joella Sperber	Grades: TP-3 Max Enrollment: 15 Seats available:4

Come and investigate the wonderful world of Eric Carle! We will read stories by the famous author and illustrator, Eric Carle and create magical works of art using his unique method of illustrating. Get messy and have fun as we transform our ideas into terrific illustrations. We will take our writing and add it to these illustrations. Our own books will be terrific! While our work is drying, we will enjoy making special food projects to go along with Eric Carle's stories. Please bring a smock and a snack/drink each day.

Title: Mini Cheer Camp

Course Fee \$100

Presenter: Cassandra Luke-Fisher & Barrie Foley

Grades: TP-3

Max Enrollment: 25

Seats available:18

Go Raiders!!!! Come to mini-cheer camp to learn cheers and dances similar to what the HHS cheerleaders perform at games. On the last day of camp, participants will put on a performance highlighting all of the skills they have learned. Students should wear sneakers for safety and bring a snack and water bottle.

Title: Science Is Elementary!

Course Fee \$105

Presenter: Jill Hannum & Barbara Golden

Grades: TP-3

Max Enrollment: 25

Seats available:3

Are you a budding scientist? Do you like to make things explode? How much water can a penny hold? What ingredients do you need to make ice cream? Young scientists will explore the answers to these questions and many more!
*Experiments in this course use food ingredients. Some foods may contain nuts.
*Please send a snack for your child each day.

Title: SUN-Sational Stations!

Course Fee \$110

Presenter: Keri Krawski & Tina Mandraccia

Grades: TP-3

Max Enrollment: 25

Seats available:17

Have you ever participated in stations at school? If so, you know how much FUN they can be! If not, then this is your chance to find out just how SUN-sational they can be! Each day, a new theme will be introduced and new stations will be revealed. Some of the SUN-sational activities you will participate in are: frame-making, beading, scratch-art, painting, sand art, suncatchers, games, experiments, and so much more. Just think of all the great projects you'll make and treasures you'll get to take home with you. All you need to do...sign-up and bring a daily snack and water with you! So don't miss your opp...Sun-Sational Stations is your stop!

Title: Travel the World

Grades: TP-3

	<p>Course Fee \$110 Presenter: Lisa Olszewski</p>	<p>Max Enrollment: 15 Seats available:10</p>
<p>○</p>	<p>Students in this class will "travel the world" and learn about a different country each day. The daily "trip" will allow students to experience each different country's unique culture, geography, and history right from the classroom. We will learn and explore through stories, videos, crafts, games, and activities to gain an understanding of how diverse the world is.</p>	
<p>○</p>	<p>Title: COLOR EXPLOSION Course Fee \$145 Presenter: Rebecca Barajas & Kristen Jones</p>	<p>Grades: TP-4 Max Enrollment: 25 Seats available:10</p>
<p>○</p>	<p>WAIT HERE IT COMES... A COLOR EXPLOSION!!! Come and see how much fun coloring can be when you melt crayons and splatter paint. What happens when you float color on water can you catch it? What about mixing colors or turning your old crayons into exciting new ones? Well if sounds FUN and EXCITING then this is the class for you!!!! Can't wait to see you there!!</p>	
<p>○</p>	<p>Title: Getting to Know Computers Course Fee \$105 Presenter: Dawn Zomorrodian</p>	<p>Grades: TP-4 Max Enrollment: 15 Seats available:8</p>
	<p>This summer, get to know computers in a fun and engaging way. Students will use Google programs to learn the basics of Word Processing, Spreadsheets and Presentations. Students will also visit some fun, educational websites.</p>	
	<p>Title: CLOSED OUT Mo Willems Party! Course Fee \$105 Presenter: Jess Fox</p>	<p>Grades: TP-4 Max Enrollment: 15 Seats available:0</p>
	<p>Does your child rave over Elephant and Piggie? Have they fallen in love with Pigeon? Whether or not they've ever experienced author/illustrator Mo Willems' hilariously entertaining style, they're in for a fabulous treat this summer. Join us for reading, writing, games, and crafts as we explore the whimsical world of Mo Willems! I hope your child will join in the fun and grow with Mo.</p>	
	<p>Title: Magic Tree House Book Club Course Fee \$110 Presenter: Dana Rosen</p>	<p>Grades: 2-3 Max Enrollment: 15 Seats available:14</p>
	<p>Join Jack and Annie on their adventures during this week long book club. We will read several Magic Tree House books, perform a Reader's Theater skit, and enjoy many more activities.</p>	

<p>Title: Amelia Bedelia Adventures Course Fee \$110 Presenter: Grace Verano</p>	<p>Grades: 2-4 Max Enrollment: 15 Seats available:14</p>
<p>Students will GIGGLE their way through a week, exploring the world of Amelia Bedelia. Draw drapes? Make a sponge cake? Dress the chicken? Find out what Amelia does when given directions. We will enjoy a variety of activities including arts and craft projects, games, writing activities, Amelia Bedelia SNACKS and much, much more. Come join the world of Amelia Bedelia and get ready to laugh at her interpretations of many hilarious happenings. *Snacks will be made by students daily. *In addition: please bring a snack and drink daily.</p>	
<p>Title: Fun with Yoga! Course Fee \$105 Presenter: Linda Schley & Nicole Cecchetti</p>	<p>Grades: 2-4 Max Enrollment: 25 Seats available:18</p>
<p>Learn about yoga through songs and storytelling, making crafts, and preparing healthy snacks. We will be practicing yoga postures and breathing exercises. Other aspects of yoga, such as meditation and helping others, will be introduced at a level appropriate for each age group. Students should wear comfortable clothing and bring a yoga mat or a towel. We will have some yoga mats available for use if needed.</p>	
<p>Title: Jewelry Making Course Fee \$120 Presenter: Debi Kurisko</p>	<p>Grades: 2-4 Max Enrollment: 15 Seats available:9</p>
<p>Are you creative and unique? Do you like to be fashionable or to start your own trends? If so, join us to create your own custom jewelry. You will have a chance to experiment with different kinds of beads, charms and wire. We will learn how to make different designs with seed beads and accent them with focal beads. You will be able to create necklaces, bracelets, and earrings. By the end of these sessions you will have many one-of-a-kind masterpieces to take home to show off or give as gifts.</p>	
<p>Title: The Incredible Human Body: The Five Senses Course Fee \$105 Presenter: Lauren Bonick</p>	<p>Grades: 2-4 Max Enrollment: 15 Seats available:7</p>
<p>The human body is AMAZING! It helps us see stunning sights, hear super sounds, smell spectacular scents, taste fantastic flavors and feel fabulous textures! As scientists, we will examine a different sense each day. We will play games as well as conduct experiments in order to observe how we use each</p>	

sense to help us navigate and explore the world around us! Would you like to be part of making a giant human ear to see how sound travels to the brain? Perhaps you are interested in sniffing out mystery scents using your olfactory (smelling) senses! Maybe you'd like to challenge your vision with some optical illusions! You can explore four different zones of your own tongue by taste testing mystery materials! You can even appreciate your sense of touch, especially when the rest of your senses are not available to help you figure out hidden objects are within a hidden box! Get your summer started by discovering your inner scientist!

Title: Basketball Skills, Drills, and More

Grades: 2-6

Course Fee \$95

Max Enrollment: 25

Presenter: Andrew Mehring & Timothy Quimby

Seats available:2

Tired of your son/daughter sitting around inside during the summer time? Are you trying to think of ways to get them to be more active? Basketball Skills, Drills, and More is your answer! Students will spend one week learning and improving on the fundamentals of basketball, staying active, and having fun. In our camp, students will learn key basketball drills to improve their basic skills, play fun min-games that will challenge their newly developing skills, and play in organized, structured scrimmages to test out their abilities against one another.

Title: Disney Movies & Crafts

Grades: 2-6

Course Fee \$110

Max Enrollment: 25

Presenter: Caitlin O'Neill & Kathryn D'Onofrio

Seats available:16

Do you enjoy Disney movies & love crafts? This summer session is for you! Throughout the course of the week, participants will view Disney movies with the opportunity to create thematically oriented crafts associated with Disney movie viewed. Movies and crafts will include: Frozen [Snow globes, necklaces, tiaras, and Olaf Snowmen], Lilo & Stitch [Hawaiian celebration, design-your-own mini surfboard, and leis], Finding Nemo [Decorate-your-own fish & Shoe box aquariums], The Incredibles [Makes, capes, & String Art], and Monsters Inc. [Pajama Party & Themed Photo Booth].

Title: Xbox Kinect

Grades: 2-8

Course Fee \$110

Max Enrollment: 15

Presenter: Chris Giordano

Seats available:5

The brand new and popular video game accessory, Xbox Kinect, offers the joy of video games without a controller! Students in this class will use only their bodies to interact with the video game. Finally, players can truly simulate the motions of their virtual counterparts. The entertainment value is apparent, but don't tell them about the exercise they get from it too!

Title: American Girl Doll Tea Party

Grades: 3-4

	<p>Course Fee \$107 Presenter: Sue DiCenzo</p>	<p>Max Enrollment: 15 Seats available:5</p>
○	<p>Do you like American Girl Dolls? If so, come join other American Girl Doll lovers to learn more about Kaya, Caroline, Samantha, and Julie! You will participate in fun activities to learn more about the time periods of these amazing girls. Finally, we will do crafts and have a tea party with our dolls on the last class. You can participate a whether you have an American Girl Doll or another favorite doll.</p>	
○	<p>Title: Building Challenges for Kids Course Fee \$110 Presenter: Amy MacCrea & Kara Kornberger (McKenna)</p>	<p>Grades: 3-4 Max Enrollment: 25 Seats available:10</p>
	<p>Title: CLOSED OUT CREATION STATION Course Fee \$103 Presenter: Michelle Klink</p>	<p>Grades: 3-5 Max Enrollment: 15 Seats available:0</p>
	<p>Title: Cultural Creations Course Fee \$110 Presenter: Kelley Callahan & Marina Devino</p>	<p>Grades: 3-5 Max Enrollment: 25 Seats available:25</p>
	<p>Come learn about different cultures from around the world! We will learn about different cultures from Europe, Latin America, the United States, Africa, and Asia! Each day of the week will be based on a different culture. During the day, we will listen to music, read a story, learn a few facts, make a snack, create a craft, and play a game native to specific countries and cultures.</p>	

Title: Miss Marton's Around the World with Art **Grades:** 3-5
Course Fee \$115 **Max Enrollment:** 15
Presenter: Marissa Marton **Seats available:**9

Come and explore art from various cultures around the world! We will be working with a variety of media to create both two and three-dimensional works of art. Each day we will take a look at different cultures' works of art and you will create one of your own to take with you. Some works will include Greek Mosaics, Native American Dream Catchers, Aboriginal Dot Painting, Puerto Rican Vejigante Masks and more!

Title: Storybook/Super Hero Inspired **Grades:** 3-5
Printmaking and Paper Mache Sculptures **Max Enrollment:** 15
Course Fee \$135 **Seats available:**8
Presenter: Samantha Banker

Students will get to work in 2D and 3D during this course! Part of this week will be spent exploring a variety of printmaking techniques such as stamping, monotypes, collagraphs, fish prints, and relief printmaking. Printmaking is an exciting way for artists to create multiples of their design and will be able to duplicate their illustrations to create an accordion book and T-shirts based on self portraits and our favorite storybook/superhero characters. Students will bring these characters to life, by creating sculptures with newspaper, tape, and paper mache.

Title: CLOSED OUT **Welcome to Giulia's Italian** **Grades:** 3-5
Cooking Class! **Max Enrollment:** 12
Course Fee \$135 **Seats available:**0
Presenter: Giulia Barbiero

Become a true Italian chef and get a taste of great Italian food this summer while you learn to prepare meals you can share with friends and family! Come prepared to eat, learn, and have fun! Buon Appetito!!

Title: Knitting **Grades:** 3-8
Course Fee \$120 **Max Enrollment:** 15
Presenter: Nina Presuto **Seats available:**7

Students will learn the basics of knitting: casting on, knitting, purling, and binding off. They will receive two sets of needles, a PowerPoint presentation, yarn, two darning needles, a craft bag and knitting patterns. After learning the two basic stitches, exploring how these stitches can be combined to create patterns, and examining a variety of completed projects, the students will create one or more projects. Snacks will be served! While the course is being offered

over a two week period, students may take one or the other or both sessions. No knitting experience is required.

Title: SNAP! Circuits Advanced: Light!
Course Fee \$175
Presenter: Christopher Aleo

Grades: 3-8
Max Enrollment: 15
Seats available:1

Intended as a 'sequel' to the SNAP Circuits Basics course or as a follow-up for those who took the SNAP Circuits course last summer, this course will use the brand-new SNAP Circuits 'Light' kit which makes use of technology like fiber optics and LEDs. Students can build digital circuits and connect their iPod or any MP3 player and enjoy their music as the lights change to the beat. The included strobe light has spinning patterns and will amaze with its visual effects. Students can build over 175 exciting projects. All parts are mounted on plastic modules and snap together with ease. Students will keep the kit once the course is over.

Title: Awesome Acting and Dynamic Dancing
Course Fee \$110
Presenter: Lynn Kelly & Annie McCloskey

Grades: 4-6
Max Enrollment: 25
Seats available:7

Come live out your performing dreams! With your friends and fellow classmates, you will dance to the latest music, play creative theater games, and perform individual and group plays. As a group we will decide what elements we need for our final show. We could choose a hip hop dance, a comedic performance, or a skit that includes audience participation. This course is high energy, fast moving and encourages the creative mind! Even if you have signed up for this class in the past, join us for a brand new experience!

Title: Rock Hounds
Course Fee \$113
Presenter: Mary K Jett

Grades: 4-6
Max Enrollment: 15
Seats available:14

Discover the wonders of rocks and minerals by using your investigative skills. Each student will be provided with their own rock and mineral collection to do the investigations. Conduct your own experiments and field tests to identify rocks and minerals. Grow your own crystals, make your own fossils and models of rocks - igneous, sedimentary & conglomerate. Play games and go on a scavenger hunt to discover unique rocks and minerals and their everyday uses.

Title: Intermediate Chess
Course Fee \$107
Presenter: Robert Massaroni & John McAvaddy

Grades: 4-7
Max Enrollment: 25
Seats available:15

For those comfortable with the basic chess moves and strategies, this intermediate course will challenge you to look deeper into the game's endless

possibilities. Learn to analyze chess formations by reviewing books and discussing outcomes with classmates.

Title: CLOSED OUT **Pasta Mia!**
Course Fee \$155
Presenter: Maria T. Iaia

Grades: 4-8
Max Enrollment: 12
Seats available:0

Do you want to feel Italian? Do you want to eat the most famous Italian dishes? Come and learn how to make fresh pasta! This course will enable you to make specialty pasta and sauces from the various regions of Italy. I promise you that this will be the best course you ever have taken. Venite e mangiamo insieme! (Come and let's eat together!)

Title: **Wild About Watercolors**
Course Fee \$125
Presenter: Ann-Marie Pahoulis

Grades: 4-8
Max Enrollment: 15
Seats available:6

Explore the free flowing media of watercolors by experimenting with watercolor paints. We will be creating paintings by using several techniques, some you may know of and others that are less conventional. Create paintings that reflect your own artistic style in your favorite watercolor techniques. (Please bring in 3 or 4 photos and pictures to use as reference pictures.)

Title: **Mini Shark Tank: Improving the World Through New Inventions**
Course Fee \$110
Presenter: Nicole Ruggiero

Grades: 5-6
Max Enrollment: 15
Seats available:2

Do you love watching the show Shark Tank? Have you ever wanted to invent or create new things that would better the world? In this course you will have the opportunity to invent new ideas or products that could potentially make the world a better place! You and your group will brainstorm, create, and pitch your idea or invention to a panel, asking them to take a risk and invest in it. Will you be able to persuade others that your idea is beneficial enough to invest in? Or will you simply be fed to the sharks?

Title: **Jewelry for Divas**
Course Fee \$120
Presenter: Heather Cohen

Grades: 5-8
Max Enrollment: 15
Seats available:15

Are you creative and unique? Do you like to be fashionable or to start your own trends? If so, join us to create your own custom jewelry. You will have a chance to experiment with different kinds of beads, embroidery thread, and wire. You will be learn how to create necklaces, bracelets, anklets, and earrings. By

the end of these sessions you will have many one of a kind masterpieces to take home to show off or give as gifts. Please bring a snack and something to drink.

Title: CLOSED OUT **Lego Robotics**
Course Fee \$100
Presenter: Rebecca McManus

Grades: 5-8
Max Enrollment: 15
Seats available:0

Join the world of robots using the Lego Mindstorm NXT robot system. Program a Lego robot using simple drag and drop software. Design and build attachments to complete missions using motob + sensors. Compete against other robots!

Title: Let's Get Crafty
Course Fee \$125
Presenter: Mindi Andreski & Amy Crowe

Grades: 5-8
Max Enrollment: 25
Seats available:18

Calling all craft lovers - it is time to unleash your creativity! Find out how to bring ideas to life and create projects that make you proud. Come learn fun techniques, make new friends and create a one-of-a-kind things in this craft course. You will leave with many new trendy, crafty treasures.

Title: Rockets!!
Course Fee \$100
Presenter: Katie Merriam & Shawn Templin

Grades: 5-8
Max Enrollment: 25
Seats available:9

Come spend a week with us creating rockets! Throughout the week, we will be building our own rockets and learning the science behind these rockets which are launched using water pressure. Each day, students will work on designing, assembling, and launching their own individual rocket. Join us and see how fun and exciting rocket science can be!

Title: Say Cheese
Course Fee \$104
Presenter: Faith Wight

Grades: 5-8
Max Enrollment: 15
Seats available:8

Students will get a chance to create art using the program photo shop and their camera. We will go outside and photograph nature as well as photograph portraits of our friends. Each day will present a new task!

Title: Yoga Experience
Course Fee \$110
Presenter: Jessica Kunath

Grades: 5-8
Max Enrollment: 15
Seats available:15

Yoga is for everyone! Yoga means the "union" of the mind, body, and spirit. The Yoga Experience will introduce students to the practice of yoga with daily yoga class and supplemental related activities. Students will enhance their daily

35-45 minute yoga practice with group activities on yoga poses, partner practice, character building, empowerment, relaxation techniques, and information on healthy eating. The instructor, along with being a teacher, is also a 200-Hour Registered Yoga Teacher and Nutrition and Wellness Consultant. *Yoga mats are optional as they will be provided by the teacher.

Title: From Page to Stage: Theater for Young

Adults

Course Fee \$115

Presenter: Casie Fitzgerald

Grades: 6-8

Max Enrollment: 15

Seats available:13

Using fun, silly, and creative theater exercises in listening, concentration, spontaneity and ensemble work, instructors will introduce students to the basics of acting for the stage! Students will experience Acting 101- they will explore all different aspects of putting on a production, from warming up, to rehearsal time, to curtain call! By playing warm up games, practicing improvisation, and working with partners on building a scene, students are bound to learn a lot and have fun with the basics of theater. Finally, students will work individually and with a group to work towards a short presentation to be shown at the end of the program. Come learn how to be yourself- while being someone else!

Title: Math Explorations and Games

Course Fee \$110

Presenter: Laura Pospiech

Grades: 6-8

Max Enrollment: 15

Seats available:15

Math Explorations and Games is a one-week course offered to middle school students so your child can brush up on their math skills during the summer. Topics such as fraction explorations, probability, and graphing will be taught through games and mathematical cartoons to enhance students' problem-solving skills. Students will also have the opportunity to design their own probability experiments or create their own cartoons to showcase their learning.

Title: STEM Swag

Course Fee \$102

Presenter: Catherine Meyer

Grades: 6-8

Max Enrollment: 20

Seats available:11

Interested in learning how engineers develop solutions to our everyday problems? Come join STEM Swag in order to learn about the design loop. Participate in challenges like walking ten feet in paper sandals, building the tallest paper tower, building a paper house that can hold up twenty textbooks, and many more!

Title: Caking and Decorating...Without the Baking

Course Fee \$120

Grades: 7-8

Max Enrollment: 18

Presenter: Brianne Gattuso & Lauren Henry

Seats available:9

If you have a passion for sweets and a desire to decorate then this is the course for you! In this course, we will be creating no bake desserts, decorating, and of course enjoying desserts of all kinds. Join us as we learn decorating techniques and desserts that require no baking. *Disclaimer: This course may not be for you if you have food allergies.

Title: Create-a-book!

Grades: 7-8

Course Fee \$110

Max Enrollment: 15

Presenter: Kelley Yankowski

Seats available:15

Are you artistic? Interested in designing your own children's book? Then join us as we recreate our favorite childhood stories! Each child will become an illustrator of their favorite children's book. They will recreate the book by adding movement to characters, texture on the pages, and pop-up features! Please bring a favorite children's book that you would like to replicate!
