How To Use This Filing Guide

This filing guide will assist you with completing your Colorado Income Tax Return. Once you finish the form, file it with a computer, smartphone or tablet using our free and secure Revenue Online service at www.Colorado.gov/RevenueOnline or you may file using private e-file software or with a tax preparer. By filing your return electronically, you significantly reduce the chance of errors. If you cannot file electronically for any reason, mail the enclosed forms as instructed.

Please read through this guide before starting your return.

The following symbols appear throughout this guide and point out important information, reminders and changes to tax rules.

This points out a topic that is the source of common filing errors. Filing your return on Revenue Online will reduce the risk of errors; however, it is important to understand the information on your return. **Errors cause processing delays and erroneous bills.**

Several subtractions and tax credits require you to provide supporting documentation. This symbol points out those requirements. If the additional documentation is not provided, **it will cause processing delays or denial of the credits/subtractions.** These documents can be scanned and attached to your Revenue Online or other electronic filing, mailed with the form DR 1778 or attached to your paper return.

In-depth tax information is available in our easy to understand FYI Publications, which include examples and worksheets. This symbol lets you know when such a publication is available for a subject. All FYI publications are available in the Education and Legal Research section at www.TaxColorado.com.

Filing Information

Who Must File This Tax Return

Each year you must evaluate if you should file a Colorado income tax return. Generally, you must file this return if you were:

- A full-year resident of Colorado, or
 - A part-year Colorado resident who received taxable income while residing here, or
 - Not a resident of Colorado, but received income from sources within Colorado,
- and**
- Are required to file a federal income tax return with the IRS for this year, and
 - Will have a Colorado income tax liability for this year. *Colorado residents must file this return if they file an income tax return with the IRS, even if they do not have a Colorado tax liability. Otherwise, the Department may file a return on your behalf and our return might not consider your unique tax situation. Also, the only way to determine if you are entitled to a refund is to file a return.*

Due Date

Form 104 and any tax payment owed are due **April 18, 2017**. Revenue Online will accept returns as timely filed until midnight. Returns that are mailed must be postmarked by April 18th. An automatic extension to file is granted until **October 16th**, but there is **no extension to pay**. See page 17 for more information.

Deceased Persons

Legal representatives and surviving spouses may file a return on behalf of a deceased person. Surviving spouses may complete the return as usual and indicate the deceased status on the return. They can file the return and submit a copy of the death certificate through Revenue Online. Legal representatives may file the return and submit a copy of the death certificate through Revenue Online, but they must complete the Third Party Designee portion of the return. Either a surviving spouse or legal representative can avoid problems when filing on paper by marking the box next to the name of the deceased person, writing "DECEASED" in large letters in the white space above the tax year of the return, writing "FILING AS SURVIVING SPOUSE" or "FILING AS LEGAL REPRESENTATIVE" after their signature, and attaching the form DR 0102 and a copy of the death certificate to the return.

To claim a refund on behalf of a deceased person, complete form DR 0102 and submit it, as well as a copy of the death certificate, when filing the return.

Filing Status

You must file using the same filing status on both your federal and Colorado income tax returns. Parties to a Civil Union should refer to federal tax law to determine the correct filing status. For Married Filing Joint, you must list the taxpayer names in the same order on both the federal and Colorado returns. For married filing separate, do not list your spouse's name or SSN on the return.

Claiming Credits from a Pass-through Entity

Individuals claiming tax credits that are issued by a partnership should obtain from the partnership a federal K-1 schedule for each credit. The federal K-1 is created and issued by the partnership. If a K-1 is unavailable, attach a statement to the individual return with the name of any pass-through entity. The Colorado Department of Revenue verifies the claim by reviewing the partnership's return. The K-1s or statements may be submitted through Revenue Online, through tax software or may be attached to a paper return.

Line-by-Line Instructions for the Colorado Form 104

First, complete the federal income tax return you will file with the IRS because you will use information from that return on your Colorado income tax return. Colorado income tax is based on your federal taxable income, which has already considered your exemptions and deductions.

Residency Status

Mark the appropriate box to designate your residency status. If Married Filing Joint, and one person is a full-year Colorado resident and the other is either a part-year resident or a nonresident, mark the Part-Year Resident/Nonresident box.

FYI Part-Year Colorado Residents and Nonresidents

Tax is prorated so that it is calculated only on income received in Colorado or from sources within Colorado. We recommend you review publication FYI Income 6 if this applies to you. You will calculate your prorated tax by completing Form 104PN.

Persons Traveling or Residing Abroad

If you are traveling or residing outside the United States on April 18th, the deadline for filing your return is June 15, 2017. If you need additional time to file your return, you will automatically have until October 16, 2017 to file. Interest is due on any payment received after April 18, 2017. To avoid any late payment penalties, you must pay 90% of your tax liability by June 15, 2017. When filing your return, mark the "Abroad on Due Date" box on Revenue Online or the paper return.

FYI Active Duty Military

Residency is determined by your Home of Record, which means you remain a resident of the state where you enlisted unless you have officially changed your Home of Record with your branch of the military. Your Home of Record can be found on your military Form DD214 or Leave and Earnings Statement. We recommend you read publication FYI Income 21 if this applies to you.

Those with a Colorado Home of Record should file this return, even if stationed elsewhere. Those serving abroad or outside the USA at least 305 days of the year may file as a nonresident. You must mark the nonresident status-305 day exception box on Form 104PN.

Those with a Home of Record from any other state, but who are stationed in Colorado, are not required to pay Colorado tax on their military income. However, any nonmilitary income received while stationed in Colorado is taxable here (for example: part-time work, rent payments received, etc.).

Those who were married to a serviceperson at the time of enlistment can also maintain their spouse's Home of Record for tax purposes, if holding their own job in Colorado. You must complete the form DR 1059 and submit it to your employer when you are hired. Submit a copy of the form DR 1059 and your military ID card on Revenue Online, with the form DR 1778, or, if filing on paper, attached to your return. You must complete a new form DR 1059 each calendar year.

FYI Name and Address

Provide your name, mailing address, date of birth, Social Security number, as well as the State of Issue, last four digits, and the Date of Issuance of your state issued ID card in the provided spaces. If filing Married Filing Joint, provide the spouse's information where prompted. Provide the spouse's information ONLY if filing a joint return. Otherwise

leave blank. All Departmental correspondence will be mailed to the mailing address provided. We recommend you read publication FYI General 2 for the Privacy Act Notice.

Line 1 Federal Taxable Income

Refer to your federal income tax return to complete this line:

- Form 1040EZ line 6
- Form 1040A line 27
- Form 1040 line 43

If your federal taxable income is a negative amount, be sure to enter the amount as such on your Colorado return. If submitting a paper return, put the negative amount in parentheses, for example (\$1,234).

DO NOT enter your total income or wages on this line—doing so will make your tax too high. The Department will compare the amount you list here to the return you file with the IRS, so be very careful to complete this correctly.

Additions

Line 2 State Addback

Refer to your federal income tax return to complete this line.

Enter \$0 if you filed Form 1040EZ, Form 1040A, or Form 1040 but DID NOT itemize your deductions on Schedule A.

If you filed Form 1040 and itemized your deductions on Schedule A, you are allowed \$0 for the General Sales Tax Deduction and will complete the worksheet below to calculate the Income Tax Deduction.

FYI We recommend that you read publication FYI Income 4 for special instructions before completing the worksheet below.

Complete the following worksheet to determine your state income tax deduction addback.	
a) State income tax deduction from federal Form 1040 Schedule A line 5	\$
b) Total itemized deductions from federal Form 1040 Schedule A line 29	\$
c) The amount of federal standard deduction you could have claimed (See instructions federal Form 1040 line 40 for 2016 federal standard deductions.)	\$
d) Line (b) minus line (c), but not less than \$0	\$

Transfer to line 2 the smaller amount from line (a) or (d) of the worksheet above.

Line 3 Other Additions

Enter the sum of the following:

FYI • Bond interest—the amount of any interest earned from bonds issued by any state or political subdivision, excluding any bonds issued by the State of Colorado or its political subdivisions on or after May 1, 1980. Calculate the appropriate amount by subtracting the amortization of bond premiums and expenses (required to be allocated to interest income by Internal Revenue Code) from the gross amount of state and

local bond interest. We recommend that you read publication FYI Income 52 if this applies to you.

- Lump-Sum distribution—the amount of any lump-sum distribution from a pension or profit-sharing plan that was reported on IRS Form 4972, excluding any estate tax paid.

Distributions included here are subject to 10-year averaging on the federal return. If your lump-sum distributions are not subject to 10-year averaging and were included in your federal taxable income (line 1), DO NOT report them on line 3. The amount included here might be eligible for the pension subtraction on form DR 0104AD Subtractions from Income Schedule lines 3 or 4.

- Dependent child income—the amount from IRS Form 8814 line 14 or \$1000, whichever is smaller. Include this income only if you elected to report your child's income on your federal income tax return.
- Charitable gross conservation easement—the amount of your federal charitable deduction for a conservation easement that is also claimed for a Colorado tax credit. Complete form DR 1305 Part D.
- Alien labor—the amount of expenses for unauthorized alien labor services. We recommend that you read publication FYI Income 64 if this applies to you.
- Partnership/Fiduciary—the amount of any fiduciary adjustment or partnership modification that increases your federal taxable income.

FYI

Line 4 Subtotal

Enter the sum of lines 1 through 3.

Line 5 Subtractions from form DR 0104AD Schedule, line 16

Transfer the amount from form DR 0104AD line 16 to report any subtractions from your Federal Taxable Income. These subtractions will change your Colorado Taxable Income from the amount of Federal Taxable Income. See instructions in the income tax booklet for additional guidance on completing this schedule. Do not enter negative amounts.

Line 6 Colorado Taxable Income

Subtract line 5 from line 4. This is your Colorado taxable income and is the figure used to determine how much Colorado tax is owed, if any.

Part-Year Residents or Nonresidents Go To Form 104PN. Full-Year Residents Continue To Line 7

Line 7 Colorado Tax

The income tax rate is currently 4.63%, which is a reduction from the 1999 rate of 4.75% and the 1998 (and prior) rate of 5%. Full-year residents should refer to the tax table in this booklet. Determine the tax by the amount listed on line 6. Part-year residents and nonresidents should transfer the apportioned tax amount from Form 104PN line 36.

Line 8 **FYI** Alternative Minimum Tax

Enter the amount of any alternative minimum tax. Generally, if you pay alternative minimum tax on your federal income tax return, you will pay the same for your Colorado return. We recommend that you read publication FYI Income 14 if this applies to you.

Line 9 Recapture of Prior Year Credits

Enter any Historic Property Preservation Credit or any other credit claimed in prior years that is subject to recapture under Colorado law.

Line 10 Subtotal

Add lines 7 through 9.

Tax Credits

Line 11 Nonrefundable Credits

Complete Form 104CR line 39 to claim various nonrefundable credits. Transfer the amount from Form 104CR line 39 to this line. To ensure faster processing of your paper return, the amount entered on line 11 must exactly match the amount on the Form 104CR.

Scan and submit any required documentation through Revenue Online E-Filer Attachment, attach to your electronic return or mail paper documentation with the form DR 1778 E-Filer Attachment.

Line 12 Nonrefundable Enterprise Zone Credits

Use your tax software, Revenue Online or form DR 1366 to calculate the total amount of Nonrefundable Enterprise Zone Credits being used to offset the current year tax liability. The total Nonrefundable Enterprise Zone Credit used combined with nonrefundable credits from the Form 104CR cannot exceed the sum of lines 7 and 8.

Line 13 Net Income Tax

Add lines 11 and 12. Subtract this sum from line 10.

Line 14 Use Tax

Enter the amount from form DR 0104US schedule line 7. If you did not have any purchases from out-of-state or online vendors that did not include state sales tax, then enter \$0 on this line.

Line 15 Net Colorado Tax

Enter the sum of lines 13 and 14.

Line 16 Colorado Income Tax Withheld

Enter the sum of all Colorado income tax withheld as reported on W-2, W-2G or various 1099 statements.

Staple your Colorado withholding forms where indicated or, if filing electronically, scan and submit them through Revenue Online E-Filer Attachments.

Failure to submit your withholding forms will result in the credit being denied. Do NOT include withholding for federal income tax, income tax from another state, or income tax from local governments. Be certain to exclude amounts withheld from Colorado real estate sales by nonresidents, nonresident beneficiary withholding, or Colorado partnership or S Corporation income withholding for nonresidents as these specified amounts should be listed on line 20.

Line 17 Prior-year Estimate Tax Carryforward

Enter the amount, if any, from your 2015 Colorado Form 104 line 49.

Line 18 ^{FYI} Quarterly Estimated Payments

Carefully review your payment before completing this line. Use Revenue Online (www.Colorado.gov/RevenueOnline) to verify estimated taxes paid on your account. Doing so will reduce processing delays, which will be important if you are expecting a refund. Most taxpayers who have made quarterly estimated payments used the form DR 0104EP to remit these payments. Refer to FYI Income 51 for more information about Estimated Payments.

Line 19 Extension Payment

Enter the amount, if any, you remitted with the form DR 0158-I to ensure 90% of your tax was paid by the filing due date.

Line 20 Other Prepayments

Enter the sum of payments remitted on your behalf because you are a nonresident who received Colorado income from:

- a real estate transaction – remitted using form DR 1079, and/or
- partnership or shareholder agreement – remitted using form DR 0108, and/or
- an estate as a beneficiary – remitted using Form 104BEP.

Be sure to mark corresponding box(es) as appropriate.

Line 21 Gross Conservation Easement Credit

Complete all applicable parts of form DR 1305. Enter the amount from form DR 1305G line 33.

Line 22 ^{FYI} Innovative Motor Vehicle Credit

Complete the form DR 0617 schedule. Then enter the amount from form DR 0617 line 25. Attach the form DR 0617 to any income tax return claiming this credit. The Department checks a county motor vehicle database to verify ownership of these vehicles. If the registration is not in the taxpayer’s name in this database, a tax examiner will ask for copy of the purchase invoice and proof of Colorado registration. For information about this credit, see publication FYI Income 67.

Submit copies of the bill of sale, purchase invoice, lease agreement, or conversion receipts; AND proof of Colorado registration for each vehicle for which you are claiming a credit. Additionally, a vehicle history report (such as one available from CarFax) is required if a credit is claimed for the purchase of a used vehicle.

Line 23 Refundable Credits

Complete Form 104CR to claim various refundable credits. Transfer the amount from Form 104CR line 8 to this line.

See the Form 104CR for the required documentation for the credit claimed. Submit using Revenue Online, attach to an electronically filed return as a PDF or attach to your paper return.

Line 24 Subtotal

Enter the sum of lines 16 through 23.

Line 25 Federal Adjusted Gross Income

Refer to your 2016 federal income tax return to complete this line:

- Form 1040EZ line 4
- Form 1040A line 21
- Form 1040 line 37

If your federal adjusted gross income is a negative amount, be sure to enter the amount as such on your Colorado return. If submitting a paper return, put the negative amount in parentheses, for example (\$1,234).

Compare lines 15 and 24. If line 15 is greater, skip to line 31. If line 24 is greater, continue to line 26.

Line 26 Overpayment

Subtract line 15 from line 24.

Line 27 Estimated Tax Carryforward

Enter the amount, if any, you would like to be available for 2017 estimated tax.

Line 28 Voluntary Contributions

If you would like to donate money to one of the organizations available as part of Checkoff Colorado first complete form DR 0104CH. Then enter the amount from form DR 0104CH line 21. See the last two pages of this booklet or go to www.CheckoffColorado.com to learn more about these approved organizations.

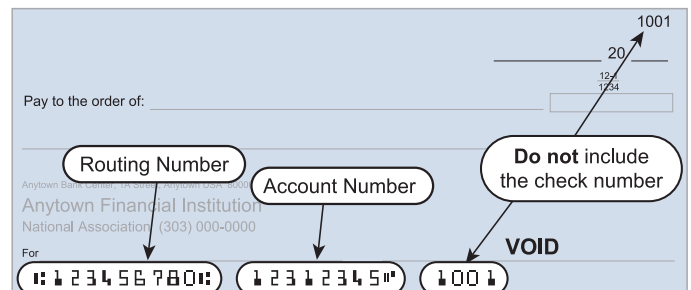

Line 29 Subtotal

Enter the sum of lines 27 and 28.

Line 30 Refund

Subtract line 29 from line 26. This is the amount of your refund. You have the option of authorizing a transaction by the Department to directly deposit these funds to your bank or CollegenInvest account. Otherwise, a refund check will be mailed to the address you have designated on this return.

- **Direct Deposit**—Enter the routing and account numbers and account type. The routing number is 9 digits. Account numbers can be up to 17 characters (numbers and/or letters). Include hyphens, but do NOT enter spaces or special symbols. We recommend that you contact your financial institution to ensure you are using the correct information and that they will honor a direct deposit. See the sample check below to assist you in finding the account and routing numbers.

Did you know you can now direct deposit your tax refund into a new or existing CollegenInvest account? Please contact 1-800-448-2424 or visit www.CollegenInvest.org for more information.

- **Intercepted Refunds**—The Department will intercept your refund if you owe back taxes or if you owe a balance to another Colorado government agency or the IRS. If you are filing a joint return and only one party is responsible for the unpaid debt, you may file a written claim to: Injured Spouse Desk, 1375 Sherman Street, Room 240, Denver CO 80261. Claims must include a copy of your federal income tax return, federal form 8379 and copies of all W-2, W-2G, or any 1099 statements received by both parties. DO NOT attach your claim to this return. It will not be processed.

Line 31 Net Tax Due

Subtract line 24 from line 15. Also, if you made any donations to charitable organizations using the form DR 0104CH, add line 28 to the subtotal. This is the amount you owe with this return. If you are filing after the due date (or valid extension) or you owe estimated tax penalty, continue to the next line. If you are filing timely and do not owe penalty or interest, go to line 35.

Line 32 Delinquent Payment Penalty

Calculate any penalty owed for delinquent filing or payment. The penalty is 5% of the net tax due for the first month after the due date and increased by 0.5% for each additional month past the due date. The maximum penalty is 12%. Or, if you prefer not to calculate this penalty, the Department will bill you.

Line 33 Delinquent Payment Interest

Calculate any interest owed for delinquent filing or payment. The interest rate is 4% of the net tax due. Or, if you prefer not to calculate this interest, the Department will bill you. Interest on any bill issued that remains unpaid after 30 days of issuance will increase to 7%.

Line 34 Estimated Tax Penalty

To calculate this penalty, complete the form DR 0204. Enter any estimated tax penalty owed on this line.

Scan and submit the form DR 0204 through Revenue Online E-Filer Attachments or attach the form to your paper form.

Line 35 Amount You Owe

Enter the sum of lines 31 through 34. You have three payment options.

- **Pay Online**—After submitting your return on Revenue Online, you will be given the opportunity to submit an online payment with your credit card, e-check or by Electronic Funds Transfer (EFT). A nominal processing fee may apply. If you file a paper return, you may still choose to pay electronically. Visit www.Colorado.gov/RevenueOnline for details.
- **Pay by Mail**—If filing by Revenue Online or other electronic filing method and you wish to send a check or money order, complete the form DR 0900 and mail with your payment. Make payable to “Colorado Department of Revenue” and clearly

write your Social Security number and “2016 Form 104” on the memo line. Be sure to keep a copy of the money order or note the check number with your tax records.

- **Payment Plan**—The Department will issue a bill for any unpaid balance due. When you receive the bill, you may set up a payment plan as instructed on the bill. Any assessment made by the Department will likely include delinquent payment penalty and interest. The only way to avoid paying penalty and interest is to pay in full by the filing due date.

Third Party Designee

You may authorize a person other than you (or your spouse) to discuss this tax return with the Department. This authorization is valid for any period of time and can be revoked by you with a written statement to the Department. Revocations must designate that the Third Party Designee is being revoked and must be signed and dated by the taxpayer and/or designee. By completing this area of the return, you are granting the designee the ability to:

- Provide any missing information needed for the processing of your return, *and*
- Call the Department for information about your return, including the status of your refund or processing time, *and*
- Receive upon request copies of notices, bills or transcripts related to your return, *and*
- Respond on your behalf to notices about math errors, intercepts and questions about the preparation of your return.

This designation **does not** allow the third party to receive your refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the Colorado Department of Revenue. If you would like to expand the designee’s authorization, complete the form DR 0145 Power of Attorney for Department-Administered Tax Matters and submit via Revenue Online.

W-2s and 1099s

When filing a paper return, all W-2s and 1099s that show Colorado income tax withholding must be stapled to the front of the form where indicated. When the W-2s and 1099s do not add up to the withholding claimed on the return (2016 Form 104 line 16), return processing will stop. We will ask the taxpayer to send copies of the W-2s and 1099s. When filing an **electronic** return, we recommend attaching scanned copies to the e-filed tax return. Taxpayers who e-file may also submit their W-2s and 1099s through Revenue Online, www.Colorado.gov/RevenueOnline.

While there is no requirement to electronically attach scanned W-2s and 1099s to an e-filed return, doing so will allow the Department to continue processing the returns when questions arise during return review, or when the employers/entities have not yet sent in the W-2 and 1099 statements to the Department.

Common Issues

Did Not Receive W-2 Statement from Your Employer

- Contact your employer to request a copy, or
- Your final paycheck stub should list the year-to-date (YTD) Colorado wages and withholding. Use this amount to complete a Substitute W-2, form DR 0084 and attach it to your return, or
- If neither of these options works, contact the IRS or the Department of Revenue, who might have your W-2 information available.

Records Retention

Keep all documentation you used to prepare your return at least 4 years after the due date, which is the statute of limitations for the Department to make changes to your return. However, if the Department does not receive your return, they may file one on your behalf using the best information available. There is no statute of limitations if a return is not filed.

Correcting Errors or Changing a Return

Individual income tax returns from 2009 and forward may be amended electronically through Revenue Online. Filing and amending returns in Revenue Online is a free service. You may amend online even if the original return was filed on paper. Revenue Online has all the information from your original return. You will not need to re-enter everything. If you cannot amend online, you may file the Form 104X. Make sure you use the appropriate form version for the year you are amending. If you are changing your Colorado return because the IRS made changes to your federal return, you must file Form 104X within 30 days of being notified by the IRS. You must amend your Colorado return in this case, even if there is no net change to your tax liability. *It is very important that you submit all schedules and supporting documentation for any changes with your amended return. YOU MUST SUBMIT ALL SCHEDULES, EVEN IF YOU ARE NOT CHANGING THOSE VALUES.*

FYI Estimated Tax Requirements

If you expect next year's Colorado tax liability to be greater than \$1,000 after subtracting credits, you should make estimated tax payments using Form 104EP. We recommend that you read publication FYI Income 51 for additional information.

Filing Errors and Incomplete Information

It is important to read all the information available for your specific tax situation and to submit all required documentation with your return. Failure to do so may result in delayed processing of your return and refund, if any. We recommend that you file using Revenue Online to avoid common mathematical errors. You may also opt to use a commercial tax preparation software program or a paid tax professional to help you complete your return.

Federal Earned Income Tax Credit and Colorado Insurance Programs

Individuals whose income does not exceed certain thresholds and/or have qualifying children may be eligible for a refund resulting from the federal Earned Income Tax Credit (EITC) and/or low-cost health insurance through Child Health Plan Plus (CHP+). You may obtain additional information regarding the EITC online at www.irs.gov or by calling Colorado United Way at 211. Additional information regarding CHP+ may be found at www.cchp.org or by calling 1-800-359-1991.

2016 Extension Payment for Colorado Individual Income Tax (calendar year—Due April 18, 2017)

Automatic Filing Extension General Information

Colorado offers an automatic 6-month extension to file your income tax return if you cannot submit your return by the April 18 due date. This means that you can file your return by October 16 without filing this form. However, 90% of your tax MUST BE PAID by April 18. If you must wait until Monday, October 16 to file your return, use the following worksheet to calculate whether you need to remit a payment on April 18.

Persons Traveling or Residing Abroad

If you are traveling or residing outside the United States on April 18, the deadline for filing your return is June 15, 2017. If you need additional time to file your return, you will automatically have until October 16, 2017 to file. Interest is due on any payment received after April 18, 2017. To avoid any late payment penalties you must pay 90% of your tax liability by June 15, 2017. When filing your return, mark the appropriate box on Revenue Online or paper return.

Penalties and Interest

If a return is filed on extension and at least 90% of the tax is not paid by the April 18 due date, a late payment penalty and interest accruals will be assessed by the department. However, if all the terms of filing on extension are met, and the remaining tax is paid by October 16 the additional tax payment is subject to only interest accruals.

Pay Electronically

Taxpayers may pay online at www.Colorado.gov/RevenueOnline. Online payments reduce errors and provide instant payment confirmation. Revenue Online also allows users to submit various forms and to monitor their tax account. EFT Debit and EFT Credit options are free services offered by the Department. EFT services require pre-registration before payments can be made.

Visit www.Colorado.gov/revenue/eff for more information.

The DR 0158-I is not required if an online payment is made. Please be advised that a nominal processing fee may apply to non-EFT electronic payments (e-check or credit card payments).

To calculate this deduction, you must create pro forma federal schedule(s) for Business Profit or Loss as if the federal government would have allowed the expenditures from the marijuana business. The Colorado deduction shall be the difference between the profit/loss as calculated on the ACTUAL schedule(s) filed with the federal return and the pro forma schedule(s) described above. You must attach both the pro forma schedule(s) and the actual schedule(s) to your Colorado return to receive this deduction.

Line 13 **Non resident Disaster Relief Worker Subtraction**

Consumer Use Tax Reporting Schedule

Use this schedule to report consumer use tax due. This is one of three methods of filing to pay a consumer use liability. You may also use Revenue Online or file a DR 252. See the back of this form for additional instructions.

What is Consumer Use Tax?

Consumer use tax is a complement to state sales tax. Consumer use tax is payable to the state when sales tax is due but has not been collected. Individuals and businesses have always been required to pay sales or use tax on tangible personal property purchased from out-of-state vendors if the item is sold, leased, or delivered in Colorado for use, storage, distribution, or consumption in the state.

Colorado's use tax rate is 2.9%. For additional information on Colorado consumer use tax, see FYI General 10 at www.TaxColorado.com

Special Districts also assess a use tax. More than half of Colorado residents live in one or more of these districts. The special districts that assess a use tax on purchases and the applicable tax rates are:

Submit a copy of the tax return for each other state when claiming this credit. The portion of the return submitted must include the adjusted gross income calculation, any disallowed federal deductions by that state, and the tax calculation for the other state.

Then, use the second column to report the amount you are using this year to offset your tax liability. The difference should be reported on line 40, which is your subsequent carryforward amount.
