

Living Smart

Thursday Evenings
17 May - 28 June

The Grove Community Centre

Living Smart is a great way to learn what you can do to live more sustainably.

The 7 week course includes outings and hands-on sessions. Learn how to reduce waste, save power and water, create healthy homes, grow your own food, and retrofit your home.

\$20 pp
7 WEEK
COURSE

Learn how to:

- Reduce waste
- Save power
- Save water
- Grow food
- Retrofit your home
