Plant Table, March 14, 2010

29 plants (+1 non-orchid) from eleven members were on our March plant table. We hope that's a good omen for upcoming displays at the MOS show in two weeks, and even more so for our own Orchid Festival in April, when we try to fill a 100-sq. ft. display with members' blooming plants. While maybe not a record number for the plant table, because of many large and spectacular ones (three received ovations from the audience), we had to add a third table to accommodate them.

MOS SHOW 2010

We had a good crew to set up our 50-ft² display at the Michigan Orchid Society Palm Sunday show at the MSU Management Education Center in Troy. Denise Nash was in charge of the design. Since Paige was away, Randy Long arrived with staging materials and Paige's plants. Denise, Robin Johnson, Duane & Laura Duman, Neal Foster, Dottie & Harry Winter and Abby Skinner were all there to help, and most brought plants. The display, similar in design to the other ones we've put up this year (but the best yet, we all agreed), was essentially all done by supertime. In the judging, we lost in a close race for second in class, finishing third in class behind a more traditional display by the Saginaw Valley crew. In all, the plants garnered 17 ribbons and two trophies among the 41 plants entered for judging:

Trophies:

Cattleya Orlade's Grand	Neal Foster
Catasetum Louise Clarke (First Bloom Seedling)	Vivian Lin

<i>Aerangis citrata</i>	Neal Foster
Epidendrum Annelie Wans 'Hoedown'	Denise Nash
Paphiopedilum malipoense	Denise Nash

Paige Hartman, Don & Lee Meyer, and Dottie Winter also contributed plants to the display. Dottie again made up some cut-flower arrangements, one of which contained a nice stem of Colmanara Wildcat that Denise gave her. She won three second place ribbons for the three arrangements in the different classes. Takedown was accomplished rapidly at 5pm Sunday by the same crew, except for Randy and Robin who weren't able to come back on Sunday

Festival Food Volunteers

Thank you so much to all who have signed up to bring food items during our festival. As in the past, we have a wonderful variety of foods coming. If you don't remember what you have signed up to bring, send me an email to: GEHartman1@msn.com

We are weak on items for Saturday breakfast and lunch. You can bring breakfast foods on Friday. Judy Lobato is going to arrive very early Saturday morning to set up the meal for the judges and helpers. The following items are still needed and if you can help with any, again please send me an email: coffee cake type items, orange or any fruit juice, bagels and cream cheese, hard boiled eggs and fresh fruits are always wonderful.

For lunch on Saturday for the vendors and AAOS workers we need cold cuts, loaves of bread and salads. I would also appreciate a couple helpers for setting up and cleaning up the meal. For the entire weekend, we need lots of bottled water and many more bottles of soda. For those who don't have the time or interest in cooking items, these are easy to bring.

Thank you for all your help! AAOS members have always provided the best meals. Hope you're looking forward to a fun weekend with gorgeous flowers and friendly orchid lovers.
