May 18 AMC Car Show

Hi everyone, this year’s annual “West Coast All AMC Car Show” is now just under three months away, to be held on May 18th. The location is the same as last year, the Wally Parks Motorsports Museum in Pomona, previously known as the NHRA Museum. Fliers are being sent to last year’s attendees, and are being handed out at car shows to other AMCs when encountered, and the date has been posted on various web sites.

The entry form is available on the SoCalAMX.net web site. Just click on “Carshow” and use the entry form links. You can even register online and pay with PayPal. Help me out by registering for the show early so I can update the database and print necessary materials in a timely fashion.

A new class is being added to the show this year called the “Performance” class. This class is for those cars that have been modified with big slick tires, bored and stroked motors, blowers or turbo chargers—basically for those who race their cars!

A few of the already pre-registered cars are a Nash

Bob Segui's 1953 Nash Healey

Healey from up north, and a SC/Rambler from Arizona.

I hope to see you and your car on May 18th. The show starts at 10am but plan to arrive a little bit early.

The Dukes of Hazard would be proud of this jump!

26th Annual Burger Run

January 12, 2013

Can't believe a new year has started. Damn Cold & EARLY too. Me, Mark, Allen, Jon (70 Jav), Even Tom (70 Jav) made this show, and we got to park in the church parking lot where we did the first 3 years.

Last year we had 13 cars, our best showing here, but cars were down, people were sick, and it was COLD! Like maybe 30ish.

We all went on our walkabouts, I heard there were around 650 cars here, Beauties! We all ended up back at our cars after noon, a guy came around and asked who Mark was, so I pointed to El Presidente standing next to me, and the guy sez, "You won a trophy!" So be there at 1pm for the presentation! Cool!

So we took some pix of us with our cars and another person was also, he also asked us to stand next to our cars for another pix. He said he was a photographer for Drive Magazine and he was going to try to get it into the June or July issue....Also COOL!

It was a great show, sorry so many people missed it, but we still have next year....and the next....and the next....

Lots of good shows this year coming up, March is Phoenix, May is Pomona, August is Colorado, November is Vegas, plus we have Spring Fling & lots of regular shows to choose from.

C'Ya on the road..

AMCRC

SoCalAMX has decided to join a national AMC organization called the AMC Rambler Club, or AMCRC, and become a chartered club. The foremost reason for this is to automatically have insurance coverage through AMCRC for our club events, mainly our annual car show in May each year.

We haven't filled out the chartered club application form yet but already we have at least the required minimum of five AMCRC members. A number of SoCalAMX members are already AMCRC members from when we went to the AMCRC National Show in Reno last year and signed up.

We'd like to get many more SoCalAMX members to join as well and increase the size of our soon to be AMCRC chartered club. The web site address to sign up at is: AMCRC.com. The benefits of signing up are, in addition to being a member of a chartered club, a nicely produced quarterly newsletter, and access to a national roster of members. Email me with your AMCRC member number when you receive it.

Chicago Auto Show

American Motors styling vice president Richard Teague beams with pride as seven year old Karie Sexton toots the horn in Teague's 1904 Rambler Model L Surrey, a highlight of a special vintage auto display at the 1971 Chicago Auto Show.

Teague, an avid antique car enthusiast, painstakingly restored the car over a period of several years.

Shown seated behind the right side steering wheel

is Teague's son Jeff, age 14.

Mark Ogulnick, President of the SNAMC (Las Vegas) Car Club spotted this picture on the Chicago Auto Show website and put it in his club's newsletter, and I did the same in our newsletter.

Thank you eagle eye Mark O!

EDITOR'S NOTES

Sorry for being several months behind again on the club newsletter. Recently at work I've been working from 7am to 6pm daily and by the time I get home it's 7pm and time to grab a bite to eat and go to bed to start the whole thing over the next day. On top of that my weekends are filled with working on the Playmate AMX project. When do I ever get a chance to work on the newsletter? Besides the past few months were kind of slow news wise, so nothing new to put in the newsletter.

Some of the upcoming car shows to think about in the months ahead are the Cactus Cruisers car show in Phoenix in March, our very own car show in May, the National AMCRC show in Denver in August, which a few people besides myself are planning on going to, and of course the annual AMC show in Las Vegas in November.

Another item on my agenda is renovating the club web site before the year's end. It has been stuck in its current format since 2001 and shows it. I'm looking for a dynamic web site where SoCalAMX users can post their own pictures of their cars. I am currently evaluating numerous software packages.

I've been working on some nifty handouts to pass out to prospective members whom we meet at the car shows we attend. I feel that when we meet new people at shows and verbally pass along our info to them they say great, but then when they get home its like, "What was that web site name?" And then we never hear from them again.

If you have any comments or suggestions contact me at: mightypilot@gmail.com.

Ferrari Motorcycle?

Not exactly car related but check out this new motorcycle Ferrari has designed. It is said to have 289 HP at the rear wheel..

Fascinating photos from the 1920s and 30s show the dramatic and tragic side effect of the Golden Age of American Motoring.

The pictures were taken in and around Boston, Massachusetts by Leslie Jones, who was staff photographer at the Boston-Herald Traveler newspaper from 1917 to 1956. Mr. Jones captured everything that happened in the city for five decades and when he died in 1967, his family donated a vast collection of 34,000 prints to the Boston Public Library.

They included these fascinating photos of vintage car wrecks from the great motoring boom. Motor cars became affordable to the masses for the first time in the 1920s. By the end of the decade a Model T Ford cost \$298, just a fraction of the \$1,200 it cost in 1909. By 1929, 20 per cent of Americans were on the road.

Ford, Chrysler and General Motors were all competing for the boom in business and by the time the depression hit in 1929, Ford was producing more than one car every minute.

Technology meant these early cars were capable of achieving speeds of up to 50 miles per hour—but safety measures were nowhere near as advanced as they are today.

Add in the fact drivers didn't need to pass a test before they got behind the wheel, and it's easy to see why accidents were frequent and often spectacular.

Officers examine a car that has wrapped itself around a tree, spilling its interiors onto the street in Boston in 1933.

The scene of an accident in 1935. Information with the photo reveals a car stolen by joyriding children crashed into a lawyer's car, killing him.

This truck stood no chance when it came into contact with a tree on a rural Mass. road, disintegrating on impact - leaving just the steering wheel intact.

This car came out a loser in a battle of wills with a trolley bus on Boston's South End in 1932.

All Entrants Hereby Release and Discharge SoCalAMX & Wally Parks Motorsports Museum From Any Known Or Unknown Damages, Injuries, Losses, or Claims That May Occur During This Event. I also agree to permit SOCALAMX and its associates to use my name, likeness, pictures, and photos of me or my property for advertising, publicity purposes, and relinquish any rights whatsoever.

I hope that grabbed your attention. The SoCalAMX.net monthly newsletter has a nominal cost of \$0.00 per issue due to the availability of Internet delivery. If you have problems downloading the newsletter I will make arrangements with you to send a copy via the United States Post Office, for a small fee to cover postage.

The newsletter is published in the Adobe .pdf format because it can be viewed across all computer platforms such as Windows, Mac, and Linux. You can always download the most current version of Adobe Reader X (ver. 10.x currently) at their web site (adobe.com). Sometimes, if you're having a problem viewing a .pdf document, installing a fresh copy of Adobe will cure your problem. Adobe's new Reader seems to load much faster than past versions, but be informed the download is about 52 meggy bites!.

The newsletter is available for downloading at www.socalamx.net/newsletter. All back issues will be available as they are published monthly. If you have received a notice for this newsletter and wish to be taken off simply email me at mightypilot@gmail.com and I'll get you off the list promptly.

Just think how busy I'll be if articles are submitted to me, by you, members of SoCalAMX? Send all submissions, pictures and text, to mightypilot@gmail.com and I'll do my best with them. The deadline for the following month's newsletter is the 15th of the current month.

Mark Melvin,
SoCalAMX Newsletter Editor

SUPPORT YOUR NEWSLETTER

Writers are needed to help support this AMC newsletter. I welcome submissions from each of you who attend the events we go to each month.

You don't need to be a super writer or own a wiz bang word processor program. All you have to do is just send me a simple email as your article text and I'll do all the formatting and spell checking for you.

Please do attach pictures to your email if you have them! Send your stuff to: mightypilot@gmail.com

Member Spotlight

Now is your chance to be famous! We need volunteers for the monthly "Member Spotlight" article in the newsletter. All you have to do is give up some information on yourself and your car that you think might be fun for the others to read about.

It's easy to do, just go to <http://socalamx.net/memberspotlight.htm> and use the online form to send me the goods. Please send a few photos in addition to mark@socalamx.net to use along with your information about you and your car.

To get an idea of what exactly to say read a few of the recent newsletters for the Member Spotlight articles in them. Go to socalamx.net and click on Newsletter.
