

**Are you committed to the constant improvement
of infection prevention & control?**

Do you know someone who has delivered an innovative new process?

Does your team go the extra mile to deliver excellence?

Have you delivered fantastic results in the last 12 months?

THEN YOU COULD BE OUR 2015 INFECTION PREVENTION & CONTROL CHAMPION!

schülke, specialists in infection prevention and control, have just announced the launch of a new award for 2015 to recognise the commitment of healthcare teams to infection prevention & control. The awards are open to all teams, surgery's, practices, wards, and departments across the UK and are aimed at recognising the commitment, dedication, hard work and effort made on an ongoing basis in this challenging area. The winners will receive 2 complimentary tickets to the IPS annual conference in Liverpool, where they will be presented their certificates and trophies, plus will appear in a special feature in Inside Hospitals magazine recognising their achievement.

Entry could not be simpler, just tell us in no more than 150 words via email, phone or with this FREE POST card what new or different initiatives your team have undertaken in the past 12 months to improve infection prevention & control. If you are short on time you can even telephone us with your entry and we will complete the form on your behalf! Every team who completes an entry for the awards will receive a free infection control pack from schülke containing lots of goodies plus trust case studies, best practice guides and infection control protocols.

**Once your entry is complete simply send your entry form to us
