

“Thank-You Call” Project

Contact the Volunteer Coordinator at 412-803-4160

SPECIAL PROJECT

We need your kind words and spirit of gratitude!

Volunteers are valuable members of Light of Life’s family. Every week, faithful partners like you provide hundreds of hours of service throughout each area of the ministry.

As a volunteer support team member, you will be connecting with other members of the Light of Life family as you call and thank donors for their generosity in helping to save lives.*

Volunteers are needed to make calls once a week from February through August and twice a week during the Holiday Season of September through January. Make this a group event by inviting friends or members from your church to join you!

If you would like to participate in this project by making phone calls to Light of Life donors, please contact the **Volunteer Coordinator** at **412-803-4161** to arrange a day and time to volunteer.

Thank you for caring. Your time and personal touch make all the difference!

***These calls are not for solicitation purposes and will be made with the intent of thanking Light of Life donors for their support.**
