

## Cantor's Corner

Mar (or Bitter) Cheshvan is the month of the Jewish calendar when there are no holidays or other events to look forward to except Shabbat. It is even said that this month is sadder than Tisha B'Av. At least on Tisha B'Av you can have growth and spiritual connection to look forward to afterward. This is not possible in Mar Cheshvan.

However, does our CBS family need a holiday in Cheshvan to celebrate? What will give us time to pause and provide introspection in October/Cheshvan?

On the 1<sup>st</sup> Shabbat of the month in October, we read the story of **Noah and the Great Flood!** The flood began on the 17th of Cheshvan, and the waters receded by the following year on the 27th of Cheshvan, allowing Noah and the other inhabitants of the ark to disembark.

The second important event that occurred in Cheshvan seems unrelated at first glance. This was the death of Jacob's wife **Rachel**, as well as the birth of **Benjamin**, which occurred on the 11th of Cheshvan. It was precisely the same day as Methusaleh's death, the very day that flood had originally been slated to begin. As there are no coincidences in the Torah, we must ask: What is the connection between these two events, and what do they reveal about the essence of the month of Cheshvan?

In thinking about what the matriarch Rachel and her son Benjamin stand for, respectively, we can see that Rachel represents the Jewish people in exile, and Benjamin represents the completed state of the Jewish people in the Land of Israel. Rachel spent her entire life outside

Shirli Wolfe & I are excited to chair SATO! Social Action/Tikkun Olam can mean so many things to so many different people. It can mean making someone's day brighter by just smiling as you pass them in the hallway, going to talk to the elderly in a nursing home, or helping clean up a park so kids can have a safer play environment, or volunteering in an animal shelter, there is something for everyone. We plan to do a project a month!

## A Message from the President

In the Summer, we looked forward to the High Holy Days and it is hard to believe that they just concluded about a week ago. But for those who were at services, all the hard work and preparation paid off. We had more readers for our Torah portions than any year before and everyone did an incredible job! Who could have imagined that our congregation had so many talented people in its midst. It is also fortunate that we have so many knowledgeable people in our congregation to give Cantor Shapiro “breaks” to “catch his breath” during High Holiday services.

A few words of thanks for Isaac Maya & Noemi Schulman for coordinating the readers and getting everyone queued up for their reading parts. Marci Rouman and Renee Miller made many phone calls to congregants asking them to take parts/honors during the service, as well. Additionally, thanks to Michele Schulman for assisting during Yom Kippur. A big “thanks” also needs to go Karen Spiegel for organizing the Break-the-Fast. We also had a super team of volunteers to set up and clean up the synagogue for the special meal after services.

Cantor Shapiro will be beginning the program called “Read Hebrew Across America” in October. Every fall, tens of thousands of Jewish adults gather in hundreds of locations across North America to learn to read Hebrew — the language that unites us all! READ HEBREW AMERICA is the ideal way to learn how to follow synagogue services, to be more involved in your children’s Jewish education, or simply to enhance your own ties to Judaism. These five FREE hour and a half lessons are available for beginners and intermediate level Hebrew readers. This program is made possible from The National Jewish Outreach Program (NJOP) and the program can be presented at no cost. It would be great to have as many members as possible participate in this program in the fall.

In November, we are gearing up for our Annual Holiday Bazaar and Brunch, a Texas Hold’em Poker Tournament and the annual the Vodka & Latke Chanukah Party. Our Youth Group, led by Andrea Vasquez, has some wonderful events planned over the next few months and is hoping to make connections with other Jewish youth in the area. Please check our website and future newsletters for details about these upcoming events.

Lastly, our High Holy Days Food Drive was a huge success. So many people donated food for the local Corona area with our food being donated to The Corona-Norco Settlement House. The Settlement House is a non-profit charitable organization tied to the United Way in the area that provides for individuals with emergency needs and helps to feed low-income families and individuals in the communities of Corona and Norco. Another mitzvah from our CBS synagogue members and friends ... Yasher Koach! *B’Shalom,*

## Education Committee Update

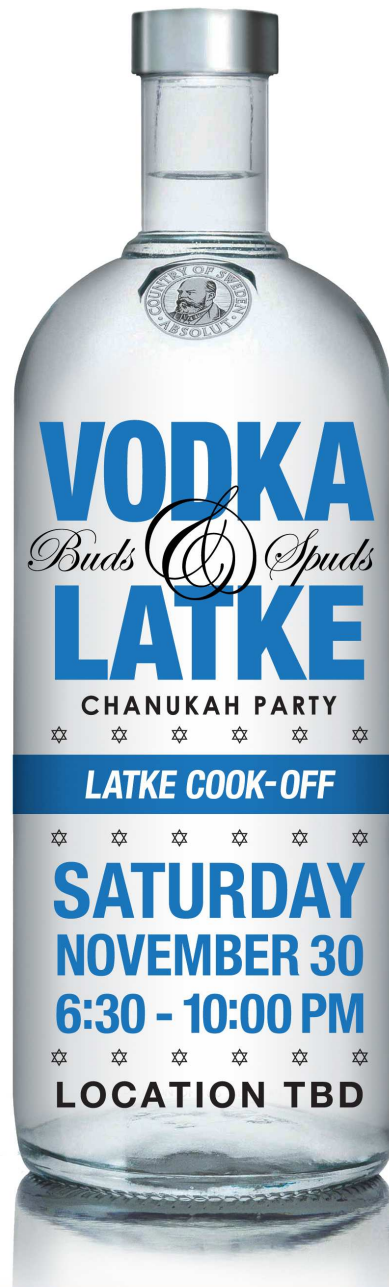

For the next several months, I will be writing about each of our teachers to allow the CBS community to get to know them better. My first article is about Rachel Spiegel. Rachel was raised at this synagogue and was educated at our Religious School. She is one of our most dedicated teachers who has taught both Hebrew and Religious school for five years.

In addition to teaching in the CBS Religious School, Rachel has accomplished a great deal personally with respect to her own educational goals. This past June, Rachel received her Master's Degree in Human Resource Management and recently began her Doctoral

Studies in Educational Administration. She has put in countless number of hours towards earning her degrees and knows the joys and frustrations of being a "student." It is that same dedication that Rachel has brought to her CBS classrooms over the years. She has been a wonderful resource and guide for newer teachers helping them to "learn the ropes." Because Rachel is so well grounded in Hebrew and Sunday school studies, she is really a "natural" to teach the Confirmation Class at CBS this year. When she is not doing her doctoral classes and teaching at CBS, she manages a chiropractic office in Corona. She also finds time to volunteer at Corona High School as an assistant athletic trainer and also is an active "Aunt" to RJ, her nephew. The Religious School is fortunate to have someone with the experience and knowledge of Rachel.

of Israel, and passed away just as Jacob and his family entered the holy land.<sup>1</sup>

Exploring further, we see that the very death of Rachel resulted in the birth of Benjamin. This would correspond to the idea that the exile itself is that which births the redemption. When events in life don't go well, it is possible that there is potential for future light or growth.

This theme can be seen in the flood, as well. Although the world in its previous state came to an end, at the same time, there was a new beginning that was being sown in the person of Noah. The very passing of Methusaleh opened the curtain for Noah to assume leadership of the next generation. The death of the previous order gave rise to a new potential for growth.

Cheshvan is also a time when the rains begin and the potential for future growth is being sown. When all seems bleak, it is the moment of the birth of Benjamin, the seed of the Jewish people's perfected state, which is sown in that very darkness.

Cheshvan begins the extended time span between the last festival, Sukkot, and the next, Passover. In the meantime, the spiritual seeds planted during the Jewish month of Tishrei begin to take root – to be watered and to grow, finally appearing and bearing fruit in Nissan of next year.

Adon Olam, Master of the Universe, there is future growth that awaits us. We have the opportunity to nurture that right at this moment. It is now that we gather the seeds from the holidays of the month of Tishrei, plant them, and carefully water them through the winter months. Soon we will see the fruits of our efforts.

## Ritual Committee Update

I would like to thank the Ritual Committee and extended committee for all the help during my three month absence: to Gail Koren for leading the meetings and putting the Ritual article in the Newsletter each month, to Sylvia Tarshis for allowing us to use her home for our meetings, to Noemi Schulman for making sure everyone was where they should be during High Holy Day services, to Isaac Maya for organizing the services, to Renee Miller and Marci Rouman for making the High Holy Day phone calls, to Karen Spiegel for putting together the Yizkor Book and for arranging the Break-the-Fast after Yom Kippur services. A special thank you to Cantor Shapiro for the beautiful and meaningful services. I also want to thank Joyce and David Severson for allowing us to use their home for the sukkah and Sukkot service.

Now that the High Holy Days are over, the Ritual Committee will be focusing on other synagogue activities such as the Seder in April, upcoming B'nai Mitzvot, and the Chesed Committee.

Come join us at our meetings which are held on the first Monday of each month at 6:30 PM at the home of Sylvia Tarshis.

## Youth Group Update

We are looking forward to becoming more involved as a Youth Group throughout the next year!

This summer, we had a fantastic day at the Beach! Thanks to those that were able to join us. We had a great time enjoying the Labor Day weekend at Corona Del Mar Beach!

We will be planning more events for the coming months and if you have any ideas, please share them and we look forward to your involvement!

## Membership Committee Update

The Summer Bash was exactly that! Maybe even a BLAST!!! All of our members that attended, and I do mean ALL were treated (with a \$5 honorarium) to an event that included food, fun, camaraderie, AND, of course, Karen getting thrown into the pool. Would it be a Summer Bash if she didn't get wet???

The food was supplied by Jackie Ramsdell with very able help from husband George, Phillip and Aiden as well as Davina Gann. Jackie was able to procure Kosher chicken, etc., etc. David Schulman and George Ramsdell did the cooking. It should also be noted that Sam Miller was able to add a secret ingredient to the Cole Slaw he supplied.

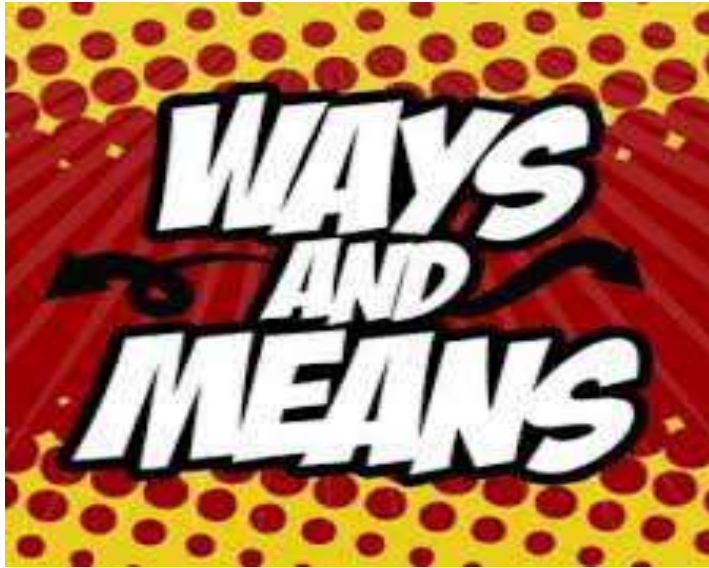

The other Membership event of note was The Jewish Art Exhibit. This was the wonderful idea of Sylvia Tarshis. The attendance far exceeded our expectations and questions related to, "When can we do this again?" Stay Tuned!!!

The next Membership event will be The Chanukah/Vodka & Latke Party to be held on Saturday, November 30 at 6:30 PM at an, as yet, to be determined site.

Over the High Holy Day Services we had some new families visit and check out our synagogue. If you know of any families interested in Congregation Beth Shalom or prospective members, please have them contact me.

## Ways & Means Committee Update

Today as I write my article, we just completed the Yom Kippur marathon of prayers, forgiveness and reconnecting with G-d. Cantor Shapiro did an outstanding job, his passion and love for Judaism was evident in the elevated learning and enjoyment he displayed at every service. As Isaac Maya noted over the Holy Days ... urging us to take one lesson from the Cantor's messages and adopt it for the coming year – there are so many choices to select from. – I actually thought of one for myself that came to me during the services – I chose to dispel the racist notion that Jews are cheap.

Perhaps the heat and the lack of air-conditioning had a part in my thought process, but I am tired of people (including ourselves) stereotyping our faith by indicating we are cheap or always seeking a deal. Whether it is getting a Senior discount to which we are not entitled, bargaining to exhaustion, not correcting a checkout clerk that has returned us too much in change, or any other financial transaction, I thought to myself how much that would hurt if it were not in “my favor”. I also realized these are not “Jewish” traits, they are human traits. I am far from perfect – however I do hope I can learn from these situations as I continue my process of improvement.

To ensure our thinking is clearer – a new air-conditioner is needed for our shul. This takes money. To begin with, I will focus on providing more financial assistance to the synagogue – through its upcoming projects and programs. Fortunately there are many

such opportunities in the works, like the Texas Hold’Em Poker night (see below), the Legacy Luncheon, etc., -- I encourage everyone to do the same, you have a variety of different programs to select from.

Chairing Ways and Means – we have two fabulous yet very different projects coming during the next 5 months. On Saturday, November 23 we will hold our annual Texas Hold’em Tournament – where even the person who (like me) doesn’t understand the card game can come and learn – and perhaps win some prizes and cash! I have distributed tickets to many of our members – if you would like to help us sell tickets, connect with me – they are \$60 per person. For those who wish to sponsor the event, \$250 will get your (company or personal) name on the sponsor board – and at a table; if you wish to donate \$500 you will have the sponsorship of the Winners Table. The prizes people can win is like last year, \$1000 divided upon the top three winners: 1<sup>st</sup> place \$500; 2<sup>nd</sup> place \$300 and 3<sup>rd</sup> place \$200. Additional prizes will be distributed that night as well. The evening will feature food, a well-stocked bar and fun for all (adults only please).

The other fund raiser we have is our Legacy Luncheon – on February 16, 2014. Tickets and sponsorships will become available shortly – I welcome your calls of interest on this fabulous event. We do have an article elsewhere in this newsletter.

Feel free to call me with any questions

# Legacy Luncheon Update

Over the next several months, the newsletter will feature bios about our Legacy Luncheon's honorees. This month features the bios of CBS's honorees, Bruce and Marci Rouman and Bruce and Jackie Williams.

## **Bruce and Marci Rouman**

Bruce and Marci Rouman, Philadelphia natives, have over 20 years of dedication and service to Congregation Beth Shalom. Currently Bruce is serving as the President of the Congregation and Marci is the Director of Education though each of them provides countless numbers of hours serving on many synagogue committees and helping to plan numerous events. Their energy and concern about the Jewish community in Corona has been an inspiration for everyone they have come in contact with over the many years that they have been a part of CBS.

Bruce and Marci met in Philadelphia on a blind date and were married in 1980 and shortly after moved out to California for a job that Bruce took in Anaheim following the completion of his engineering degree from Drexel University in Philadelphia. Marci received her B.A. from Cal State Fullerton and began working in the accounting field in the northern Orange county area. After living in Orange County for a few years, Bruce and Marci found their way to Corona and a new Jewish life that would be focused around the synagogue. They learned of the synagogue from the Schwartz and Spiegel families who had been longtime residents of Corona and founding families of Congregation Beth Shalom. Bruce and Marci have two children, Adam and Jessica. Adam is a graduate of Cal Poly San Luis Obispo and will be getting married in June 2014. Jessica, a graduate of Chico State, is working towards obtaining a teaching credential to work with children with special needs. Adam and Jessica were both very involved with their respective Corona-Norco high schools as were their parents in addition to all of the work at the synagogue the family did. Adam lives in San Jose and Jessica is living in Corona and teaches at CBS' Religious School.

Bruce held several engineering positions throughout the Southern California area, over the years. His career

began at Rockwell Autonetics. He then took on a position at Aerojet in Azusa. After 25 years in the defense space business, Bruce moved on to work for Raytheon in El Segundo where he is now a Program Quality Engineer. Marci currently works for the Corona/Norco Unified School District in addition to all of her duties as Director of the CBS Religious School. There really is no job at the synagogue that the Rouman's have not done. Bruce also helped start the first Macintosh User group in Riverside County in 1984 and the group continues to be active collecting antique Victrola's, phonographs and old records.

Bruce and Marci have involved themselves in every aspect of synagogue life at CBS. They truly serve as an example of dedication and tireless effort on behalf of the Jewish community of Corona.

## **Bruce and Jackie Williams**

Bruce and Jackie Williams have a long history of CBS involvement having moved to Corona from Fountain Valley 13 years ago. Bruce and Jackie have served on just about every committee possible at CBS and currently both are on the Board of Directors. Bruce is a Past President of CBS and Jackie is currently Vice President of the Ritual Committee and serves on the Education Committee.

Bruce spent many years in the "information technology business," first in the US Army Security Agency Special Operations Unit gathering information related to National Security followed by working at Cal Tech's Jet Propulsion Lab in Computer Operations on the Unmanned Spaced Flight Program. Bruce then managed Computer Operations at McDonnell Douglas for 25 years until IBM made Bruce an offer that he couldn't refuse. He managed a number of different information technical teams across the United States for IBM for 12 years

Jackie's career spanned some 44 years of teaching in both public and private schools. In addition, she taught both religious and Hebrew school for 25 years at Congregation B'nai Tzedek in Fountain Valley and was the pianist playing at every service for those 25 years while co-chairing the synagogue's music program for the children.

*LEGACY continued on page 8*

Bruce and Jackie are a team and tend to work best when they do things together. Bruce and Jackie were two of the key people who founded Congregation B'nai Tzedek 37 years ago in Fountain Valley and both sat on the first Board of Directors and chaired and participated in many of the committees. Together Bruce and Jackie served as co-chairs of the Directors of Public Relations of Jewish Marriage Encounter in Orange County.

Bruce and Jackie have been very active in Boy Scouts of America. Bruce was a Scout in his youth and served as a Committee Chairman, Webelos Den Leader, and Assistant Scoutmaster for more than a decade as an adult. Bruce's Boy Scout troops had a large number of Jewish Scouts in the troop and Bruce worked with them to earn their "Ner Tamid" award; the Scouting's Jewish religious award. In doing so, Bruce earned the "Shofar" award which is the adult Jewish Scouting award. Both Bruce and Jackie's sons are Eagle Scouts.

Bruce and Jackie have two sons; Brian and Joel. Brian lives in Las Vegas with daughter-in-law Rachel and three of five grandchildren; Joseph, Aden and Eliana. Joel lives in Corona and is a member of CBS with his wife Cindy and grandchildren, Chelsea, and Amanda.

This year marks Bruce and Jackie's 50<sup>th</sup> wedding anniversary. Fifty years ago, Bruce and Jackie made two promises to Jackie's parents; one was to take care of each other, the other was to take care of and protect the Jewish faith. Bruce and Jackie are not done yet, but they are headed in the right direction.
