

HOW TO SELECT A MEAL PLAN

BUFFALO STATE STUDENTS AT MEDAILLE COLLEGE

STEP 1: CHOOSING THE RIGHT MEAL PLAN!

- Identify how much time you will be spending on Buffalo State's campus and choose a meal plan which fits with your personal eating habits.

EXAMPLE:

- I will be attending class 3 days per week. My class schedule is 9am – 6pm on Monday, Wednesday and Friday. With 16 weeks in the Fall 2014 semester, I will be on campus 48 days. I personally like to sit down and have a meal once per day, while I am usually on the go and prefer quick service meals once or twice a day.
- The meal plan which fits my lifestyle best is: Flex Plus 50. This meal plan has 50 block meals to use at my discretion over the course of the semester as well as \$1,000 in Dining Dollars for me to utilize at the on campus restaurants like Subway, Spot Coffee and Salsarita's.

- Identify how much of the Dining Dollars on your Buffalo State meal plan you would like to have allocated to utilize on your Medaille College ID card.

EXAMPLE:

- My meal plan is the Flex Plus 50 which comes with \$1,000 in Dining Dollars. I know I would like the ability to get food at Medaille College without always having to go back to Buffalo State's main campus. I would probably like about \$300 for the semester to have available to me; that's about \$15 - \$20 per week.
