Always using polite words is the best way to show people how much you appreciate them. Create a "Thank You" card for a loved one to show them just how much you care. You can give this card to anyone, any time, not just when they give you something! Tell someone thank you for being your friend, for helping you out when you needed help, or for just being a nice person! This card can be for anyone in your life that means a lot to you and deserves a big "Thank You!"

Use the first letter of each word to think of something nice to say about whoever you're giving the card to!
