The Lake Pontchartrain Basin Maritime Museum

Vendor Application

Saturday April 5th, 2014, The Lake Pontchartrain Basin Maritime Museum will host **'Show and Tell'**, a multifaceted event, showcasing nautical themed art market, a fishing tackle and boating equipment swap meet, and a 'Fishing Tales Stage' for storytellers to publically stretch the truth about 'The One that Got Away'.

'Show and Tell' fuses visual art, tackle, with a few downright lies. Come join in the fun! Admission to this event is free.

Outside the museum, the Swap Meet will be the place to find that special lure that nobody sells anymore, or a gently used reel to replace the one that you wore out pulling on GIANT FISH. Clean out that closet or garage, dig through your fishing gear that you no longer need and want and haul them to the Swap Meet.
