disco

This week, Year 6 visited Hampstead Heath Education Centre for an evolution and inheritance workshop.

They learned about Charles Darwin's theory of natural selection and how animals have adapted to their environment over time.

They were then able to go pond dipping and hunting for mini beasts in the woods, before looking at the animals under a microscope and discussing how they have adapted to the local environment.

I have received and read the St. Mary's Primary School newsletter of 09.10.15

Signed _____ Name of child _____ Class _____

If you return this slip to the office your child could win a prize in the prize draw on Friday !

Camden Council wishes to inform parents that it has agreed to continue with its policy of reducing dispensation permits for car parking in residential areas in the Borough. **Camden will enforce this parking policy.** Pay and Display bays may be available in the school vicinity, but there are very few of them and you may wish to consider travelling to school in a more environmentally sustainable way.

A reminder that at St Mary's we have a bike shed on site for cycles or scooters to be stored during the school day....

Our Prayer of the Week...

*Lord Jesus,
You invite each of us
To enter the kingdom of heaven.
Help us to make the effort
To do things God's way,
So that we can accept your offer
And be ready to share in your glory
At the end of time.
Amen*

Work of the week!

Every week a brilliant piece of work is chosen to be 'Work of the Week' and displayed in the school lobby.

This week **Year 1** have been learning about the Creation Story from Genesis 1-2 and thinking about how they can look after our world.

Chloe has written a fantastic piece, including capital letters and full stops and using her phonics to write difficult words. **Well done Chloe!**

Saint of the Week!

- Year 1 - Chantel Oppong
- Year 2 - Ayanna Babar
- Year 3 - Georgia Churcher-Holt
- Year 4 - Pietros Aklilu
- Year 5 - Waad Karim
- Year 6 - Amiee Bircham
