Information for the Bride

Prepare the Guest List form.
Check with the Salon Coordinator to be certain of availability to accommodate your bridal party as soon as possible. We are able to schedule appointments 1 year in advance.

Cost

A deposit of $100, a written contract, and guest list form are required to reserve the date of the Wedding Party.   If you are receiving services the day before also (ex. Nail services), an additional $100 deposit is needed for that day. The cost per person is based on the amount of services each member is signed up for. Please check with the Salon Coordinator for a current list of prices.

There are NO refunds on the deposit/pre-payment for party members who do not show up for their scheduled appointment. Deposits are refunded only if the reservation is cancelled in writing 30 days prior to the date of the party.
