

Exhibitors:

Updated: 02/15/2014

Hello all...

We **shall** have the below listed forms returned to us (Beak n Wings) no later than **two (2) weeks (September 06, 2014)** prior to the bird expo. Even if you don't plan on paying until the day of the event, you must send in your forms.

Because of the limited space available, if the forms are not received two weeks prior to the bird fair, we will not be able to guarantee you space and **another vendor could end up in your space (returning vendors)**. We apologize for any inconvenience this might cause you, but many times we do not know who will be attending until 2 days before the event.

Forms Needed:

1. Exhibitor Application—**Required**
2. Release Waiver - **Required - You will not be allowed to set up without a signed and completely filled copy turned in.**
3. Credit Card form - If applicable
4. Badge Form - **Required**
5. Donor information - If applicable

Booth Space: You will be guaranteed 8' x 4' table and space, or 8' x 4' space. We will give more space when available

Please note: Vendors will be allowed to begin setting up at 4:00pm on Friday, the day before event, anyone arriving after 8:30pm on Friday will not be allowed to set up We will have the doors open again at 7:00am on Saturday. You will have until 9:00 am to get set up. Please read the rules page for all updated rules.

New Vendors: Please call and check for availability (913-322-3398)

Note: Due to some issues and public complaints we had at the February bird expo, we have been forced to make a few changes.

1. Some if not all spaces will be tapped off. We have to keep six feet (6') isles, and the public was complaining A LOT over the lack of walk way they had.

2. Please make sure that all containers are either inside your booth space or under the tables, there should be no tubs, boxes etc in the isle way.

3. We will now be looking at every bird that comes in before we open for the public, we will be checking for the following:

Cage size: All birds must be in a cage suitable for the bird, not one they fit in. (public complaint)

Food/water dishes: All dishes should be clean for the day of the bird expo

Over crowding:

Health of the bird: injuries, droppings, drainage (nose, eyes etc...), mites (not saying there were any) We have not yet decided if it will be a member of Beak n Wings or a veterinarian that will be looking at the birds. We are sorry for any inconvenience this might cause anyone.

4. All birds are to be **clipped excluding finches**

5. If re selling cages, please make sure they are cleaned before presenting them to the public.

Any vendor who would like to have their business or name in the fair program (**new**) we will need a business card no later than **September 6, 2014**. Any cards received after this date will not be placed in the program, nor will you be listed in the program, due to the printing deadline.

Thank you
