## Why a Crafting for a Cause?

The Upland Hills Auxiliary supports many health services provided by Upland Hills Health and they are helping to bring an outdoor walking path to our community. You can help by bringing your friends and craft supplies to enjoy this day away. All crafters are welcome to join in the fun!

## What's going to happen that day?

This year we will get a head start on Friday evening and craft from 6:30 to 10 pm! Then on Saturday, we'll start the day promptly at 8:30 am. Lunch will be served around noon and the day will end at 4:30 pm. Throughout the day, there will be surprises, door prizes, craft time and fun! For beginners or veterans, vendors are willing to help and offer advice and give product demonstrations. Just ask!

## What do I need to bring?

Plan to bring all your crafting supplies you will need for your projects. For your convenience, on-site vendors will have a variety of paper, adhesives, embellishments and more available for purchase. Tools will also be available for use also.

**Earlybird registration** gives you a discount for getting registration form & payment in on a timely manner which helps us to plan better for how many will be in attendance.

## A walking path for our community.

Many members of our community rely on the corridor within Upland Hills Health to get in some exercise each week. The corridor provides a safe, warm and dry place to walk.

Many have expressed that a wish to walk outside in the sunshine when the weather cooperates, but there are few, safe connected paths. An outdoor walking path, built just south of the Nursing and Rehabilitation Center, would also provide a place for NRC residents and their families to enjoy each others company and get a little fresh air.

Help us make this a reality by attending the **Crafting for a Cause** or making a donation to the Upland Hills Auxiliary.

**Sign up by completing and mailing the attached registration form.**

**Early Bird discount has been extended to February 19, 2016.**
