⁴“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program.

⁵Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

⁶150% Placement Rate is the rate calculated for students who completed the program within 101-150% of published program length.

This program is not represented to lead to any one particular outcome, including that specified in the program title. The placement rates calculated above are based on students finding employment in the multiple occupations or job titles listed for this program in the school catalog, or which, in the College’s judgment, meet the criteria discussed above. For further information regarding how the school calculated graduation or placement rates, or to obtain a list of employment positions determined to be within the field for which a student received education and training, see the Director of Career Services.
