# PENTECOST SUNDAY

JUNE 8, 2014

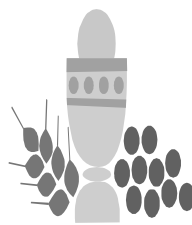

## From the Desk of Father Rick Schilli

**The Solemnity of Pentecost** ranks third in importance of all Christian celebrations. We tend to underplay it because a civil holiday is not attached and no presents are exchanged. However, in reality, after the gift of the Incarnation and the gift of Risen Life at Easter, the outpouring of the Holy Spirit is most certainly the greatest gift of the Father to the human race. **Today celebrates** how the Holy Spirit animates and guides the Church, protecting it from falsehood and error. The Spirit speaks the Truth using the voice of the Church itself as the medium of that speech. That is why the miracle of the languages is so vital to our understanding of the work of the Spirit. Today the Church urges us to stir into flame the gift that is given to us.

From Monday until Friday of this week we will be hosting **Vacation Bible School**. The theme for the children to learn this year is our **faith** in the **Communion of Saints**. Several saints will be featured day by day as they study about what made these saints truly holy. Our two newest saints, **St. John XXIII & St. John Paul II** will be two of the featured saints. The week ends with a **Pageant** presented in church on Friday evening. **All are welcomed to attend.**

Another reminder that at the end of this month, **Saturday June 28** we will be **celebrating our parish feast of the Most Sacred Heart of Jesus**, with **Holy Mass at 10 am** followed by a **luncheon**. All are welcome. The committee is planning a few surprises for all parishioners relative to the 125<sup>th</sup> Anniversary Celebration. Mark your calendar!!!

**Happy Pentecost!**  
**Father Rick Schilli**

**THANK YOU! THANK YOU! THANK YOU!**

**From the desk of Fr. Leo..**

**RANDOM THOUGHTS**

All we do in our lives and the people we have met, the things we enjoy and the plans we make will be lost when we leave this earth. But **whatever we do for Jesus Christ, Our Savior and Lord**, will be of lasting value and will affect us to life eternal.

So...let us walk in **Christ's footprints** and share in His Cross so that we may also share in His Resurrection. Consider the shortness of this life and the length of eternity. Let us make the right choices now so that we don't suffer forever.

Prayer alone is not enough from us. The way we live (walk with God) and the professions of faith and confessions of God's grace from our mouth has to run parallel with our prayers. **They are inseparable.** It is like riding a bicycle with two wheels...remove one wheel from the bike and you fall flat on your face. God can do **all** things. He does not need our ability or disability. He can do much better without all our qualifications and greatness. **What God needs is our dedication and cooperation and communication.**

Remember, looking at your circumstances brings **Depression**; looking around at others brings **Distraction**; looking back at your failures brings **Defeat**; and looking up to the Lord brings **Deliverance**.

**Have a Great Summer.....Fr. Leo**

**PARISH FEAST DAY CELEBRATION**

**SATURDAY, JUNE 28TH - 10 AM**
