These vouchers will be handed out by the chaperones at the beginning of each park day. The travel agent has informed us that the meals provided by these vouchers are substantial, so students will often pair up and share meals to make the vouchers cover two meals for the day.
3. Students **must** stay in groups of at least four when in the parks, **NO EXCEPTIONS!** If a chaperone or I see smaller groups, you will hang out with Mr. Empey for the day, which won't make either of us happy. Decide as a group what rides you will go on and won't go on ahead of time.
4. Students are to take only what they need into the parks; security will go through their bags.
5. Students will meet with their group chaperone 2-3 times per day in a designated place decided by your chaperone. If you will be late due to a line for a ride, you must contact your chaperone in advance to let them know. Be aware that you are affecting their trip as well by making them wait.
6. Students are not to be late at the end of the day for ANY reason!! This includes any line times.
