Principal's Message

It is so wonderful to be able to welcome all of our SRE families back to another exciting new year. It was a great feeling to see our students enter the building on their first day and see the big smiles on their faces. SRE is ready to continue to make great things happen this year. We are ready to build upon our successes and implement plans to increase student achievement! Our belief that all students can learn and achieve has helped us make the ordinary moments produce extraordinary results. Our School Improvement Team, faculty, and staff have created important action steps aimed at increasing student achievement for all. We remain focused on our core business of teaching and learning.

Our school theme this year is "Magical Moments: Ordinary to Extraordinary". We believe that each moment counts and is valuable. If we do our best for each moment that we are learning, we will take the ordinary tasks and produce extraordinary results.

Teachers have taught, modeled, and practiced our school wide expectations to "Respect yourself, Respect others, and Respect our environment" with all students. Teachers explained what these expectations would look like and sound like in all areas including classrooms, restrooms, hallways, cafeteria, buses, and brain breaks. Following expectations ensures the safety of all of our students. We appreciate your support as we work together to continue to provide a safe, nurturing, and positive learning environment.

I look forward to another outstanding school year. We invite our families to join us in building a solid foundation upon which our students' futures can be built. Parental engagement is important to our success. There will be numerous opportunities to get involved and support our academic and social programs. Our SRE Family Center is a wonderful resource to our parents, and we invite you to visit and volunteer at any time. Our PTO would also love your support. We have many daytime and evening events aimed at keeping you informed and active in our school.

We look forward to a great year filled with tremendous success. If you have any questions or concerns about any aspect of your child's educational experience, please feel free to contact the classroom teacher, Assistant Principal, or me. We are happy to answer any questions you may have. Let's continue to successfully reach excellence together!

~ Lisa Perrin ~

In order for a student to receive grades and meet the promotional criteria at the end of the year, they must meet the following state requirements:

Elementary students must be in attendance a minimum of 167 days for the school year.

If a student should miss any days, we ask that parents remember to send in an excuse for each day the student was absent. As a reminder, the school year calendar consists of 177 instructional days. **Therefore, a student may not miss more than 10 days in the school year.**

Back to School: A Complete Checklist for Parents

Getting back into the swing of things just may be the most difficult part of returning to school. After having had months away from the rigid schedule of classes, homework and after school events, it's hard for children and parents to get back on schedule. The following are tips for getting back into the swing of things...

- ⇒ **Put bedtime battles to rest.** To help adjust to the new schedule, put your children to bed 10 minutes earlier each night. This will help eliminate the shock from a late to early bed time.
- ⇒ **Help get organized when it comes to schedules.** There are many free apps and online organizations sites such as *Got Family Get Organized*, *Evernote*, and *Remember the Milk*.
- ⇒ **Prepare for lots of paperwork.** Help keep yourself and your student organized and current by checking schoolbags and folders daily. Make sure all important forms have been completed and returned on time.
- ⇒ **Post your child's schedule and school calendar somewhere you can see.**
- ⇒ **Volunteer your time or expertise.** Research shows that children whose parents are involved in their school do better academically and socially.
- ⇒ **After school, let your child run inside and play.** Instead of jumping straight to doing chores or homework, let your child have a much needed break. Spend 15 to 30 minutes connecting as a family: play a game, take a walk, talk about the day, and eat a snack.

Esperamos que puedan ser parte del Centro Familiar durante el año escolar y esperamos poder ayudarles a usted y a su familia también. Por favor, llámenos si ustedes y su familia necesitan más ayuda.

Es muy importante ayudar a su hijo(a) durante el año escolar. Por favor, equipen, animen y feliciten a su hijo(a) y dirijanlo para que tenga éxito escolar. Cada niño aprende a su propio ritmo. Sabemos que los niños a veces se sienten frustrados cuando encuentran un desafío. Por favor, guíenlos con amor y ánimenlos para que perseveren durante el año escolar. Tal vez ustedes observaran éxitos increíbles!

De regreso a la escuela: Una lista completa para los padres

La parte más difícil de regresar a la escuela es de acostumbrarse de nuevo al calendario escolar. Puede ser difícil para los padres y los niños de regresar a un horario más estricto después de los meses de vacaciones, lejos del horario escolar, de las tareas y de las actividades que ocurren después de la escuela. Los consejos siguientes les van a ayudar a regresar al horario escolar.

No más enfrentamiento cuando es la hora de dormir. Para que se acostumbren al horario nuevo, acuesten a sus hijos 10 minutos más temprano cada noche. Por lo tanto, les ayudará a no sentirse cansados el día siguiente.

Pueden buscar ayuda para organizarse Hay muchas apps que son gratis y hay sitios web para organizarse como *Got Family Get Organized*, *Evernote* y *Remember the Milk*.

Alístense para llenar muchos documentos. Para ser organizados, verifiquen la mochila y la carpeta de su hijo(a) cada día. Asegúrense que todos los documentos importantes estén completados y regérenlos a la escuela a tiempo.

Pongan el horario de su hijo y el calendario de la escuela en un lugar donde los pueden mirar fácilmente. Les ayudará cuando están concertando citas. Hagan preguntas a su hijo a cerca de las actividades de la escuela.

Ofrezcan su tiempo. Estudios dicen que los niños que tienen padres que están involucrados en la escuela hacen mejor progreso académica y socialmente. Las maestras aprecian a los padres que están involucrados en la educación de sus hijos.

Después de la escuela deje que el niño juegue y descanse un rato. En vez de dar trabajo casero o hacer tareas, permitan que su hijo(a) tenga un rato de distracción. Compartan con sus hijos unos 15 a 30 minutos a diario jugando, caminando, hablando de las experiencias del día comiendo.
