Initials:_____I understand the inherent risks associated with diving. When harvesting fish, I understand that the risk of injury or death is even greater. I have read the Derby Rules and agree to comply with them completely and waive my rights as to this activity against Friends of the Environment.

Initials:_____I understand that weather conditions may change rapidly, and that Friends of the Environment is not responsible for my decision to participate in this event. Friends of the Environment's decision to NOT cancel the Derby does not act as an endorsement of good weather or marine conditions. I will determine these conditions myself and assume all risks inherent with weather conditions.

Initials_____ I acknowledge that Indo Pacific Lionfish have venomous spines that can inflict a serious sting and/or cause serious injury or death. I will make every effort not to touch the spines, even after the fish are dead. I accept full responsibility for my handling of Lionfish and for all risks associated with this inherently dangerous activity.
