CAUTION

The federal adjusted gross income that you use on your Arizona return may not be the same as the federal adjusted gross income from your federal tax return. Also, the federal Schedule A deductions used on the Arizona return may be different from the federal Schedule A deductions taken on your federal return.

Each year the Arizona State Legislature considers if they will adopt changes made to the federal tax law during the prior year. These forms assume the

Legislature will adopt all federal law changes made after January 1, 2016. If you use the amounts from your 2016 federal tax return to complete your Arizona return and the Legislature does not adopt the 2016 federal changes, you may have to amend your return at a later date for any difference between Arizona and federal law. For more details, visit www.azdor.gov and click on the link for 2016 conformity.

Notice

As a rule, the starting point for your Arizona return is your federal adjusted gross income. To take itemized deductions, you must start with the amount shown on the federal Schedule A. This is the case for 2016, except for changes Congress made to the federal tax code during 2016 and the following apply.

1. The changes affect how you figure your federal adjusted gross income.

AND/OR

2. The changes affect how you figure your itemized deductions.

When federal changes are made, Arizona legislature must adopt those changes if the Arizona starting points are to be kept the same. The legislature will address this issue when it is in session during 2017. We must publish these forms before this issue will be addressed by the legislature. When we went to print, Arizona had not yet adopted any federal tax law changes made after January 1, 2016.

What does this mean to you? It means that if any of the federal law changes made in 2016 apply to your 2016 return, you can opt to file your 2016 return using one of the following methods.

1. You can wait and file your 2016 return after this issue has been addressed.
 - To do this, you may need to ask for a filing extension. You must pay 90% of the tax due by the due date of the return before any extension.
2. You can file your 2016 return assuming that the federal law changes will be adopted. The 2016 tax forms make this assumption.

If you opt for method 2, one of the following will apply.

- If Arizona adopts those changes, you do not have to do anything more.
 - If Arizona does not adopt all those changes, you may need to amend your 2016 Arizona return. Your amended return will have to show the difference between the Arizona law and the federal law. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <http://www.azdor.gov> and click on Legal Research on the left side, then click on Conformity to IRC. Generally, no penalties or interest will be assessed on these amended returns, if you follow the Department's instructions and pay any tax due when you file your original 2016 return and you file and pay the required amended return by the extended due date of your 2017 return.
3. You can file your 2016 return assuming that we will not adopt the federal law changes. If you opt for this method, you will have to do the following.
 - You will have to research all of the federal changes made after January 1, 2016.
 - You will have to figure out if any of those changes apply to you.
 - You will have figure out how to make adjustments for those changes on your return.

If you opt for method 3, one of the following will apply.

- If Arizona does not adopt those changes, you do not have to do anything more.
- If Arizona adopts those changes, you may need to amend your 2016 Arizona return. Your amended return will have to show the difference between what you reported and what you should have reported. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <http://www.azdor.gov> and click on Legal Research on the left side, then click on Conformity to IRC.

Due date for calendar year filers

Because April 15, 2017, falls on a Saturday and District of Columbia Emancipation Day will be observed on Monday, April 17, 2017, you have until Tuesday, April 18, 2017, to file your income tax return.

2016 Individual Income Tax Brackets Adjusted for Inflation

For 2016, the individual income tax brackets have been adjusted for inflation.

2016 Arizona Standard Deduction

For 2016, the Arizona standard deduction was indexed for inflation. For a single taxpayer or a married taxpayer filing a separate return the amount is \$5,099. For a head of household or a married couple filing a joint return the amount is \$10,189.

Subtraction for Arizona Bonus Depreciation

Credit for Contributions made to Qualifying Charitable Organizations [Arizona Forms 321 and 352 (new for 2016)]

The laws providing for a credit for contributions made to qualifying Charitable Organizations have been amended. For tax years beginning from and after December 31, 2015:

- Donations to qualifying charitable organizations and donations to qualifying foster care organizations will be claimed as *separate* credits with separate limitations for each, rather than combined limitations.
 - Donations to qualifying charitable organizations (not including the qualifying foster care charitable organizations) will still be claimed on Arizona Form 321, *Credit for Contributions to Qualifying Charitable Organizations*.
For 2016, the maximum current year's credit is:
 - \$400 for single or head of household
 - \$800 for married filing joint
 - Donations to qualifying foster care charitable organizations will now be claimed on Arizona Form 352, *Credit for Contributions to Qualifying Foster Care Charitable Organizations*.
For 2016, the maximum current year's credit is:
 - \$500 for single or head of household
 - \$1,000 for married filing joint
- Credit eligible contributions made to a qualifying charitable organization or a qualifying foster care charitable organization that are made on or before the 15th day of the fourth month following the close of the taxable year may be applied to either the current or the

preceding taxable year and is considered to have been made on the last day of that taxable year. For example, a taxpayer who files a 2016 calendar year end tax return may claim qualifying contributions made between January 1, 2017 and April 18, 2017 on either the 2016 or 2017 income tax return.

NOTE: *Because calendar year filers have until April 18, 2017, to file their 2016 tax return, these taxpayers also have until April 18, 2017, to make qualifying contributions and claim these credits on their 2016 return.*

- If you have a carryover amount from a prior year for cash contributions made to a qualifying foster care charitable organization for which you claimed a credit on Form 321, you **must** claim the carryover amount on Form 321. Do not claim any carryover amount on Form 352 from contributions made to qualifying foster care charities and claimed on Form 321 in prior years.

Credit for Contributions Made or Fees Paid to Public Schools (Arizona Form 322)

The law providing for a credit for contributions made or fees paid to a public school by a taxpayer or on behalf of a taxpayer was amended to allow a taxpayer to claim a credit for contributions made or fees paid to a public school for extracurricular activities which may or may not require an enrolled student to pay fees to participate in a qualifying extracurricular activity. For more information on what qualifies as an extracurricular activity for the purpose of this credit, see Form 322.

Recent legislation also expanded what qualifies as an extracurricular activity. Beginning 2016, contributions made or fees paid for cardiopulmonary resuscitation training qualify for this credit. For more information, see Form 322.

Credit for Contributions to Private School Tuition Organizations (Arizona Form 323)

The allowable current year's credit for contributions to private school tuition organizations was adjusted for inflation purposes. For 2016, the maximum current year's credit is:

- \$545 for single or head of household

Solar Liquid Fuel Credit (Arizona Form 344)

The credit for solar liquid fuel was expanded for taxable years beginning from and after December 31, 2015, through December 31, 2026. Previously, the credit was limited to costs incurred during the taxable year costs for research and development associated with solar liquid fuel.

For 2016 taxable years, the credit also includes costs for the production of solar liquid fuel in this state in commercial quantities, and for costs incurred during the taxable year to

convert or modify existing motor vehicle fuel service stations for the retail sale of solar liquid fuel to customers. For more information, see Arizona Form 344.

Credit for Contributions Made to Certified School Tuition Organization (Arizona Form 348)

The allowable current year's credit for contributions to a certified school tuition organization was adjusted for inflation purposes. For 2016, the maximum current year's credit is:

- \$542 for single or head of household
- \$1,083 for married filing joint

Who Must Use Form 140?

You (and your spouse, if married filing a joint return) may file Form 140 only if both of you are full year residents of Arizona.

You **must** use Form 140 rather than Form 140A or Form 140EZ to file for 2016 if any of the following apply to you:

- Your Arizona **taxable income** is \$50,000 or more, regardless of filing status.
- You are making adjustments to income.
- You itemize deductions.
- You claim tax credits other than the family income tax credit, the credit for increased excise taxes, or the property tax credit.
- You are claiming estimated payments.

Do You Have to File?

Arizona Filing Requirements These rules apply to all Arizona taxpayers.		
You must file if you are:	and your Arizona adjusted gross income is at least:	or your gross income is at least:
• Single	\$ 5,500	\$15,000
• Married filing joint	\$11,000	\$15,000
• Married filing separate	\$ 5,500	\$15,000
• Head of household	\$ 5,500	\$15,000

If you are an Arizona resident, you must report income from **all** sources including **out-of-state** income.

To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then, you should exclude income Arizona law does not tax. Income Arizona law does not tax includes:

- interest from U.S. Government obligations,
- social security retirement benefits received under Title II of the Social Security Act,
- benefits received under the Railroad Retirement Act, tier 1 or tier 2 railroad retirement benefits, railroad disability benefits reported on federal forms RRB-1099 and RRB-1099-R, railroad unemployment benefits and railroad sickness payments paid by the Railroad Retirement Board, or
- pay received for active service as a member of the Reserves, National Guard or the U.S. Armed Forces.

You can find your Arizona adjusted gross income on page 2, line 42 of Arizona Form 140.

NOTE: *Even if you are not required to file, you must still file a return to get a refund of any Arizona income tax withheld.*

Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

For information on the Arizona tax treatment of American Indians, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are the Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. For more information, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are in the Military?

You must file if you meet the Arizona filing requirements unless **all** of the following apply to you:

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile.

As an Arizona resident, you must report all of your income to Arizona, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service; to the extent it is included in your federal adjusted gross income.

If you are **not** an Arizona resident, but stationed in Arizona, the following applies to you:

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see the department's publication, Pub. 704, *Taxpayers in the Military*.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have to File an Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. For more information, see the department's procedure, ITP 92-1, *Procedure For Determining Residency Status*.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the income is earned.

Part-Year Residents

If you are a part-year resident, you must file Arizona Form 140PY, *Part-Year Resident Personal Income Tax Return*. You are a part-year resident if you did **either** of the following during 2016:

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Arizona Form 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2016, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. The person who files the return should print the word "deceased" after the decedent's name. Also enter the date of death after the decedent's name.

If your spouse died in 2016 and you did not remarry in 2016 or if your spouse died in 2017 before filing a return for 2016, you may file a joint return. If your spouse died in 2016, the joint return should show your spouse's 2016 income before death and your income for all of 2016. If your spouse died in 2017, before filing the 2016 return, the joint return should show all of your income and all of your spouse's income for 2016. Print "Filing as surviving spouse" in the area where you

sign the return. If someone else is the personal representative, he or she must also sign the return.

Are Any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Place the completed Form 131 on top of the **front** of the return.

What are the Filing Dates and Penalties?

When Should You File?

Your 2016 calendar year tax return is due no later than midnight, April 18, 2017. File your return as soon as you can after January 1, 2017, but no later than April 18, 2017.

NOTE: *Because April 15, 2017, falls on a Saturday and District of Columbia Emancipation Day will be observed on April 17, 2017, you have until April 18, 2017, to file your return.*

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal tax year.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: *An extension does not extend the time to pay your income tax. See the instructions for Arizona Form 204.*

To get a filing extension, you can either

- Apply for a state extension (Arizona Form 204). To apply for a state extension, file Form 204 by April 18, 2017. See Form 204 for details. You do not have to include a copy of the extension with your return when you file, but make sure that you check box **82F** on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.AZTaxes.gov to make an electronic payment.
- Use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to include a copy of your federal extension with your return, but make sure that you check box **82F** on page 1 of the return.

NOTE: *Because October 15, 2017, falls on a Sunday, you have until Monday, October 16, 2017, to file your return.*

When Should You File if You Are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 18, 2017, even though your federal return is due on June 15, 2017. If you want to file your Arizona return after April 18, 2017 you must ask for a filing extension. You must file this request by April 18, 2017. Arizona will allow up to a

6-month extension. This will allow you to file your return by October 16, 2017. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months.

Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 16, 2017, even though your federal return will not be due until December 15, 2017. If you file your 2016 Arizona calendar year return after October 16, 2017, your return will be late.

NOTE: *Because October 15, 2017, falls on a Sunday, you have until Monday, October 16, 2017, to file your return.*

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2016 calendar year return by April 18, 2017, your return will not be late. You may also use certain private delivery services designated by the Internal Revenue Service (IRS) to meet the “timely mailing as timely filed” rule. For more information, see “*Mailing Your Return*” at the end of these instructions.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10) of the unpaid tax.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% (.90) of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% (.25) of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: *If you are subject to two or more of the above penalties, the total cannot exceed 25%.*

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return after you have filed, **do not** file a new return using Form 140. You must file Arizona Form 140X, *Individual Amended Income Tax Return*. File your amended return after your original return has processed. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You must file Form 140X within 90 days of the final determination of the IRS. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Include a complete copy of the federal notice with your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax.
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree. If you choose option 2, mail the federal notice and any other documents to:

Do You Need to Make Arizona Estimated Payments in 2017?

You must make estimated income tax payments during 2017 if:		
Your filing status is:	AND your Arizona gross income for 2016 was greater than:	AND your Arizona gross income for 2017 is greater than:
Married Filing Joint	\$150,000	\$150,000
Single	\$75,000	\$75,000

Head of Household	\$75,000	\$75,000
Married Filing Separate	\$75,000	\$75,000

If you met the income threshold for 2016, you must make estimated payments during 2017 unless you are sure you will not meet the threshold for 2017. As a full year resident, your Arizona gross income is your federal adjusted gross income. This amount is on page 1, line 12 of the 2016 Form 140.

See the worksheet for Arizona Form 140ES to figure how much your payments should be. For more information about making estimated payments, see the department's publication, Pub. 012, *Arizona Individual Estimated Income Tax Payments*.

What if You Make Your Estimated Payments Late?

We will charge you a penalty if you are late or if you fail to make any required payments. See Arizona Form 221.

Can You Make Estimated Payments Even if You Do Not Have To?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them. For details, see Arizona Form 140ES.

The filing status that you use on your Arizona return may be different from that used on your federal return.

Use this section to determine your filing status. Check the correct box (4 through 7) on the front of Form 140.

If you qualify as married for federal purposes, you qualify as married for Arizona purposes and must file using the status of either married filing joint or married filing separate.

If you are single you must file as single or if qualified you may file as head of household (see the instructions for box 5).

Box 4 - Married Filing Joint Return

If you are married and filing a joint return, check box 4.

You may file a joint return if you were married as of December 31, 2016. It does not matter whether or not you were living with your spouse. You may file a joint return, even if you and your spouse filed separate federal returns.

You may file a joint return if your spouse died during 2016 and you did not remarry in 2016. See page 2 of these instructions for details.

Arizona Form 140 is for full year residents **only**. You may not file a joint income tax return on Form 140 if any of the following apply:

- Your spouse is a nonresident alien (citizen of and living in another country).
- Your spouse is a resident of another state.
- Your spouse is a part-year Arizona resident.

If filing a joint return with your nonresident spouse, you must file a joint return using Arizona Form 140NR. See Form 140NR instructions.

If filing a joint return with your part-year resident spouse, you must file a joint return using Arizona Form 140PY. See Form 140PY instructions.

NOTE: For more information on filing a joint tax return with your part-year resident or nonresident spouse, see the department's ruling, ITR 14-1, Filing a Joint Tax Return When a Resident Spouse is Married to a Part-Year Resident or Nonresident.

Box 5 - Head of Household Return

If you are filing as a head of household, check box 5 and enter the name of the qualifying child or dependent in the space provided.

You may file as head of household on your Arizona return, only if one of the following applies:

- You qualify to file as head of household on your federal return.
- You qualify to file as a qualifying widow or widower on your federal return.

Box 6 - Married Filing Separate Return

If you are filing a separate return, check box 6 and enter your spouse's name and SSN on the second line 1.

If you were married as of December 31, 2016, you may choose to file a separate return. You may file a separate return, even if you and your spouse filed a joint federal return.

Arizona is a community property state. If you file a separate return, you must figure how much income to report using community property laws. Under these laws, a separate return must reflect one-half of the community income from all sources plus any separate income.

When you file separate returns, you must account for community deductions and credits on the same basis as

community income. Both you and your spouse must either itemize or not itemize. If one of you itemizes, you both must itemize. If one of you takes a standard deduction, you both must take a standard deduction. One of you may not claim a standard deduction while the other itemizes.

If you and your spouse support a dependent child from community income, either you or your spouse may claim the dependent. Both of you cannot claim the same dependent on both returns. For more information, see the department's rulings, ITR 93-18, *Income Reporting Requirements for Married Arizona Residents Who File Separate Arizona Individual Income Tax Returns*; and ITR 93-19, *Deductions, Exemptions, and Credits for Married Taxpayers Who File Separate Arizona Individual Income Tax Returns*.

NOTE: *In some cases you may treat community income as separate income. For more information, see the department's ruling, ITR 93-22, When Community Income May Be Treated as Separate Income.*

If one spouse is a resident and the other spouse is not, other special rules may apply when filing a separate return. See the department's ruling, 93-20, *Income Reporting Requirements of Resident and Nonresident Spouses Who File Separate Arizona Individual Income Tax Returns*. For more help, see the department's publication, Pub. 200, *Income Tax Issues Affecting Married and Divorced Taxpayers*.

Box 7 - Single Return

- You have never been married.
- You are legally separated under a decree of divorce or of separate maintenance.
- You were widowed before January 1, 2016, and you did not remarry in 2016, and you do not qualify to file as a qualifying widow or widower with dependent children on your federal return.

NOTE: *If you got divorced during the year, see the department's ruling, ITR 14-2-, Reporting Income, Deductions, Exemptions, and Withholding for Divorced Individuals for the Year of Divorce ; and publication, Pub. 200, Income Tax Issues Affecting Married and Divorced Taxpayers.*

Enter the number of exemptions you are claiming in boxes 8, 9, 10, and 11. **Do not put a check mark.** You may lose the exemption if you put a checkmark in these boxes. You may lose the dependent exemption if you do not complete the Dependent section, on page 1.

You may lose the exemption for qualifying parents or grandparents if you do not complete the Qualifying parents and grandparents section, on page 1.

Box 9 - Blind

If you or your spouse were partially blind as of December 31, 2016, you must get a statement certified by your eye doctor or registered optometrist that:

- You cannot see better than 20/200 in your better eye with glasses or contact lenses.
- Your field of vision is 20 degrees or less.

If your eye condition is not likely to improve beyond the conditions listed above, you can get a statement certified by your eye doctor or registered optometrist to that effect instead. You must keep the statement for your records.

- If you are single or filing as head of household, enter "1" in box 9 if you are totally or partially blind.
- If you are married filing a joint return, enter "1" in box 9 if you **or** your spouse is totally or partially blind. Enter "2" in box 9 if both you **and** your spouse are totally or partially blind.
- If you are married and filing a separate return, you may take an exemption for yourself if you are totally or partially blind. You may only claim an exemption for your spouse if (1) your spouse is totally or partially blind, (2) has no Arizona adjusted gross income for calendar year, and (3) is not the dependent of another taxpayer.

Enter "1" in box 9 if you are totally or partially blind **or** your spouse is totally or partially blind **and** your spouse meets the above criteria. Enter "2" in box 9 if you are totally or partially blind and your spouse is totally or partially blind **and** your spouse meets the above criteria.

Box 10 - Dependents

NOTE: *If a person who qualifies as your dependent is also a qualifying parent or grandparent, you may claim that person as a dependent in box 10, **or** you may claim that person as a qualifying parent or grandparent in box 11. You may **not** claim that same person in both box 10 and box 11.*

You must complete the Dependent section on page 1 (and page 3, if more space is needed) of your return before you can

total your dependent exemptions. You may claim only the following as a dependent:

- A person that qualifies as your dependent on your federal return.

NOTE: *If you do not claim a dependent exemption for a student on your federal return in order to allow the student to claim a federal education credit on the student's federal return, you may still claim the exemption on your Arizona return. For more information, see the department's ruling, ITR 05-2, Will Arizona Allow a Dependent Exemption When a Taxpayer Does Not Claim Federal Exemption in Order to Claim the Education Credit?*

- A person who is age 65 or over (related to you or not) that does not qualify as your dependent on your federal return, but one of the following applies:
 1. In 2016, you paid more than one-fourth of the cost of keeping this person in an Arizona nursing care institution, an Arizona residential care institution, or an Arizona assisted living facility. Your cost must be more than \$800.
 2. In 2016, you paid more than \$800 for either Arizona home health care or other medical costs for the person.
- A stillborn child if the following apply:
 1. The stillbirth occurred during 2016.
 2. You received a certificate of birth resulting in stillbirth from the Arizona Department of Health Services.
 3. The child would have otherwise been a member of your household.

Box 11 - Qualifying Parents and Grandparents

NOTE: *If a person who is a qualifying parent or grandparent also qualifies as your dependent, you may claim that person as a dependent in box 10, or you may claim that person as a qualifying parent or grandparent in box 11. You may **not** claim the same person in both box 10 and box 11.*

You must complete the Qualifying parents and grandparents section on page 1 (and page 3, if more space is needed) before you can total your exemptions for qualifying parents and grandparents.

A qualifying parent or grandparent may be any one of the following:

- Your parent, grandparent or great grandparent, etc.
- If married filing a joint return, your spouse's parent, grandparent, or great grandparent, etc.

You may claim this exemption if **all** of the following apply:

1. The parent, grandparent or great-grandparent was 65 years old or older during 2016.
2. The parent or grandparent lived in your principal residence for the entire taxable year.

If your parent or grandparent died during the taxable year, this requirement will still be met if he or she lived with you for the entire part of the year in which he or she was alive. Temporary absences by the parent or grandparent for special circumstances, such as a hospital stay or care in a hospice facility, count as time lived in the taxpayer's principle residence.

3. You paid more than one-half of the support and maintenance costs of the parent or grandparent during the taxable year.

To help you determine if you paid more than one-half of your parent or grandparent's support during the taxable year, it is recommended that you review the department's income tax procedure, ITP 14-1, *Procedure for Determining Support for Purposes of the Parents and Grandparents Exemption Allowed under A.R.S. § 43-1023(C)* and complete the worksheet. Keep the worksheet for your records.

4. The parent or grandparent required assistance with activities of daily living.

The term "activities of daily living" means two or more of the listed categories. Activities of daily living include both basic activities of daily living and instrumental activities of daily living. The categories of activities of daily living are dressing, eating, ambulating, toileting, medicating and hygiene, shopping, housekeeping, managing personal finances, basic communication, food-preparation and transportation.

For more information regarding what the term "activities of daily living" means when determining an Arizona resident taxpayer's eligibility for this exemption, see the department's ruling, ITR 14-3, *"Activities of Daily Living" for the Purpose of the Exemption Allowed Under A.R.S. § 43-1023(C)*.

To help you determine if your parent or grandparent required assistance with activities of daily living to meet this requirement, it is recommended that you review the department's procedure, ITP 14-2, *Procedure for Determining Whether a Parent or Grandparent Requires Assistance with Activities of Daily Living for Purposes of the Exemption Allowed under A.R.S. § 43-1023(C)* and complete the checklist. Keep the checklist for your records.

- f) Check the box if this person died in 2016.

You may lose the exemption if you do not furnish this information. Enter the total **number** of qualifying parents and/or grandparents listed in box 11.

Totaling Your Income

Line 12 - Federal Adjusted Gross Income

You must complete your federal return before you enter an amount on line 12. You must complete a 2016 federal return

to determine your federal adjusted gross income, even if you are not filing a federal return.

Arizona uses federal adjusted gross income as a starting point to determine Arizona taxable income. Your federal adjusted gross income is your Arizona gross income.

NOTE: *Be sure to use your federal adjusted gross income and not your federal taxable income.*

If the amount on line 12 is more than \$75,000 (\$150,000 if filing a joint return), you may need to make estimated payments. See "Do You Need to Make Estimated Payments in 2017?" on page 4.

Additions to Income

Line 13 - Non-Arizona Municipal Interest

Enter the amount of interest income from non-Arizona municipal bonds that you did not include as income on your federal return.

You may exclude any expenses incurred to purchase or carry the obligation. Reduce the interest income by the amount of those expenses that you could not deduct on your federal return.

If you received tax exempt interest from municipal bonds, include a schedule listing the payors and the amount received from each payor. You may also want to include supporting documents for amounts received from Arizona municipal bonds that are exempt from Arizona income tax. These may be items such as bank statements, brokerage statements, etc.

Line 14 - Partnership Income Adjustment (Positive)

Complete line 14 if line 3, of your Arizona Form 165 Schedule K-1, shows a difference between federal and state distributable income.

If the difference reported on line 3, of your Form 165 Schedule K-1, is a positive number, enter that difference as an addition on line 14.

NOTE: *If the difference reported on line 3, of your Form 165 Schedule K-1, is a negative number, enter that difference on line 25.*

Line 15 - Total Federal Depreciation

Enter the total amount of depreciation deducted on your federal return. If you make an entry here, you should also take a subtraction on line 24. To figure how much you should subtract, see the instructions for line 24.

Line 16 - Other Additions to Income

Use line 16 if any of the special circumstances below apply. Include your own schedule with your return explaining any amounts entered here.

You may either add (on line 16) or subtract (on line 35) items A and B below, depending on your situation.

A. Married Persons Filing Separate Returns

If you file a separate Arizona return, you must report the following income on that return:

- one-half of the community income from all sources, and
- all of your separate income.

If you and your spouse file a joint federal return but separate Arizona returns, you must make sure that each separate return reflects the correct income. If you begin your Arizona return with only the income that you earned during the year, you will have to adjust this income.

If you file separate federal returns, each of your federal returns should already reflect the correct income. Since your separate Arizona returns will begin with the federal adjusted gross income, you will not have to adjust your income.

If you have to adjust your income, include a schedule showing how you figured your adjustment. For more information, see the department's publication, Pub. 200, *Income Tax Issues Affecting Married and Divorced Taxpayers*.

B. Fiduciary Adjustment

A fiduciary uses Arizona Form 141AZ, Schedule K-1, to report to you your share of the fiduciary adjustment from the trust or estate.

Line 3 of Form 141AZ, Schedule K-1, shows your share of the fiduciary adjustment from the estate or trust. If the amount reported on line 3 of your Form 141AZ, Schedule K-1, is a positive number, enter that amount as an addition on line 16.

NOTE: *If the amount reported on line 3 of your Form 141AZ, Schedule K-1, is a negative number, enter that amount as a subtraction on line 35.*

C. Ordinary Income Portion of Lump-Sum Distributions Excluded on Your Federal Return

Make this adjustment if you use federal averaging for lump-sum distributions from your pension or profit-sharing plan.

Arizona law does not provide for averaging. Enter the amount of the distribution that you treated as ordinary income on your federal return. If you choose to treat the capital gain portion of the distribution as ordinary income, you must also include that amount.

For more information, see the department's ruling, ITR 93-5, *Arizona's Income Tax Treatment of the Capital Gain Portion of a Lump Sum Distribution from a Qualified Retirement Plan*.

D. Items Previously Deducted for Arizona Purposes

Arizona statutes prohibit a taxpayer from deducting items more than once. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add such amounts to your Arizona gross income.

E. Claim of Right Adjustment for Amounts Repaid in 2016

You must make an entry here if **all** of the following apply:

1. During 2016, you were required to repay amounts held under a claim of right.
2. The amount required to be repaid during 2016 was more than \$3,000.
3. You took a deduction for the amount repaid on your 2016 federal income tax return.

If the above apply, enter the amount deducted on your federal income tax return here. For more information on the Arizona claim of right provisions, see the department's procedure, ITP

16-1, *Procedure for Individuals Who Restore Substantial Amounts Held Under a Claim of Right*.

F. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply:

1. During a year prior to 2016 you were required to repay amounts held under a claim of right.
2. You computed your tax for that prior year under Arizona's claim of right provisions.
3. A net operating loss or capital loss was established due to the repayment made in the prior year.
4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2016 Arizona taxable income.
5. The amount of the loss carryover included in your federal income is more than the amount allowed to be taken into account for Arizona purposes.

Enter the amount by which the loss carryover included in your federal adjusted gross income is more than the amount allowed for the taxable year under Arizona law.

G. Addition to S Corporation Income Due to Credits Claimed

Shareholders of an S corporation who claim a credit passed through from an S corporation must make an addition to income for the amount of expenses disallowed by reason of claiming the credit.

An S corporation that passes the following credits through to its shareholders must notify each shareholder of his or her *pro rata* share of the adjustment. You must enter an amount on this line when claiming any of the following Arizona credits:

- Environmental Technology Facility Credit (Form 305)
- Agricultural Water Conservation System Credit (Form 312)
- Pollution Control Credit (Form 315)
- Credit for Solar Hot Water Heater Plumbing Stub Outs and Electric Vehicle Recharge Outlets (Form 319)
- Credit for Employment of TANF Recipients (Form 320)
- Agricultural Pollution Control Equipment Credit (Form 325)

H. Solar Hot Water Heater Plumbing Stub Outs and Electric Vehicle Recharge Outlet Expenses

If you claim a credit on Form 319 for installing solar hot water heater plumbing stub outs or electric vehicle recharge outlets in a dwelling you constructed, you cannot deduct any expenses for which you claim the credit.

If you take this credit, enter the amount of such expenses that you deducted on your federal return.

I. Wage Expense for Employers of TANF Recipients

If you claim a credit on Form 320 for employing TANF recipients, you cannot deduct any wage expense for which you claim the credit.

If you take this credit, enter the amount of such expenses that you deducted on your federal return.

J. Adjusted Basis in Property for Which You Have Claimed a Credit for Investment in Qualified Small Businesses

If you claim a credit on Form 338 for an investment in a qualified small business, you must adjust your basis in the investment by the amount of the credit claimed. You must report this difference in basis on the Arizona return that you file for the taxable year in which you sell or otherwise dispose of the investment. If you sold or otherwise disposed of the investment during the 2016 taxable year, on line 16, enter the amount by which the adjusted basis computed under the IRC with respect to that property exceeds the adjusted basis of the property computed under A.R.S. § 43-1074.02.

K. Nonqualified Withdrawals from 529 College Savings Plans

You must make an addition to income if **both** of the following apply to you:

- You received a nonqualified withdrawal from a 529 college savings plan.
- You did not include the amount of the withdrawal in your federal adjusted gross income.

The amount that you must add is the amount withdrawn, but no more than the difference between the amount of contributions subtracted in prior years and the amount added in any prior years.

A nonqualified withdrawal is a withdrawal other than any of the following:

- A qualified withdrawal. A qualified withdrawal is a withdrawal from an account to pay the qualified higher education expenses of the designated beneficiary of the account.
- A withdrawal made as the result of the death or disability of the designated beneficiary of an account.
- A withdrawal that is made on the account of a scholarship, or the allowance or payment described in IRC § 135(d)(1)(B) or (C), and that is received by the designated beneficiary, but only to the extent of the amount of this scholarship, allowance or payment.
- A rollover or change of designated beneficiary.

L. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer discharge of indebtedness (DOI) income under IRC § 108(i) (for 2009 or 2010), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income during the income deferral period. In this case, the taxpayer had to deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income was includible in federal adjusted gross income. Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income. For Arizona purposes, you had to report the DOI income from a debt reacquisition in the year in which you

reacquired the debt, and you were allowed to subtract any OID related to that DOI income in the year the OID accrued. If your federal adjusted gross income includes a deduction for any accrued OID that you have already subtracted for Arizona purposes, you must make an addition to Arizona income for the amount of deferred OID deducted on your federal return. Generally, this addition will apply to taxable years 2014 through 2018.

On line 16, enter the amount of any previously deferred OID that you deducted in computing your 2016 federal adjusted gross income, to the extent that the amount was previously subtracted from Arizona gross income.

M. Arizona Long-Term Health Care Savings Accounts (AZLTHSA) Withdrawals

You must add amounts withdrawn from your AZLTHSA if you withdrew money for purposes other than paying for qualified long-term health care expenses.

N. Sole Proprietorship Loss of an Arizona Nonprofit Medical Marijuana Dispensary included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you are required to add the amount of the loss from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the loss on line 16.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this addition does not apply.*

O. Federal Net Operating Loss (NOL) Carryforward from Non-Arizona Sources Accrued While a Non-Resident

An individual cannot include a federal NOL carryforward deduction incurred from non-Arizona sources while the taxpayer was an Arizona nonresident in the Arizona taxable income of a return filed for a taxable year in which the taxpayer is an Arizona resident.

The taxpayer must make an addition to Arizona gross income on the full-year Arizona resident return for the amount of the NOL carryforward deduction included in the taxpayer's federal adjusted gross income. For more information, see the department's ruling, ITR 13-5, *Can A Net Operating Loss Incurred as a Non-Resident Be Used to Offset Income In A Year In Which the Taxpayer Is A Resident?*

NOTE: *For a non-Arizona source loss incurred while the taxpayer was an Arizona nonresident, the taxpayer would not be allowed to amend a prior year resident Arizona income tax return to claim the NOL carry back deduction.*

P. Federal Capital Loss Carryforward Deduction Incurred from Non-Arizona sources prior to Arizona Residency

An individual cannot include a capital loss carryforward deduction, incurred from non-Arizona sources while the taxpayer was an Arizona nonresident, in the Arizona taxable income of a return filed for a taxable year in which the

taxpayer is an Arizona resident. Therefore, a capital loss incurred from non-Arizona sources while the taxpayer was an Arizona nonresident cannot be carried forward to a taxpayer's Arizona resident return when the loss carryover is reflected in the taxpayer's federal adjusted gross income.

The taxpayer must make an addition to Arizona gross income on the full-year Arizona resident return for the amount of such capital loss carryforward deduction included in the computation of the taxpayer's federal adjusted gross income.

For more information, see the department's ruling, ITR 13-6, *Can A Capital Loss Incurred as a Non-Resident Be Used to Offset Income In A Year In Which the Taxpayer Is A Resident?*

Q. Other Adjustments

Other special adjustments may be necessary. You may need to make an addition for depreciation or amortization. You may also need to make an addition if you claimed certain tax credits.

Call one of the numbers listed on page 1 of these instructions if any of the following apply:

- You sold or disposed of non-depreciable property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954, as amended (1978 prior).
- You claimed the Environmental Technology Facility Credit. (Form 305)
- You claimed the Pollution Control Credit. (Form 315)
- You claimed the Recycling Equipment Credit. (Form 307)
- You claimed the Agricultural Pollution Control Equipment Credit. (Form 325)
- You elected to amortize the cost of a child care facility under Arizona law in effect before 1990 and you are still deducting amortization or depreciation for that facility on your federal income tax return.

Line 17 - Subtotal

Add lines 12 through 16 and enter the total.

Subtractions from Income

You may only subtract those items for which statutory authority exists. You cannot take a subtraction without such authority.

You may not subtract any amount that is allocable to income excluded from your Arizona taxable income.

If you have any questions concerning subtractions from income, call one of the numbers listed on page 1 of these instructions.

Lines 18 through 22 - Net Capital Gain or (Loss)

NOTE: *If you enter an amount on line 18, you must complete lines 19 and 20. If you are taking a subtraction on line 22 for any net long-term capital gain from assets acquired after December 31, 2011, you must also complete line 21. If you do not complete lines 18 through 21, you cannot take the subtraction.*

You may subtract 25% (.25) of any net long-term capital gain included in your federal adjusted gross income that is derived from an investment in an asset acquired after December 31, 2011. Use the worksheet on page 29 of these instructions, *Worksheet for Net Long-Term Capital Gain Subtraction for Assets Acquired after December 31, 2011*, to determine the allowable subtraction. Keep the worksheet for your records.

Line 18 - Total Net Capital Gain or (Loss)

If you reported a net capital gain or (loss) on your federal income tax return, enter the total net capital gain or (loss) reported on the *Capital Gain or (Loss)* line on page 1 of your federal return. This amount should be reported in your federal adjusted gross income.

Line 19 - Total Net Short-Term Capital Gain or (Loss)

Enter the total amount of net short-term capital gain or (loss) reported on the *Capital Gain or (Loss)* line on page 1 of your federal return. This amount should be reported in your federal adjusted gross income.

NOTE: *If you are not required to report dividend distributions and/or short-term capital gains from mutual funds on federal Form Schedule D, do not include the short-term capital gain distributed by the mutual fund on line 19.*

Line 20 - Total Net Long-Term Capital Gain or (Loss)

Enter the amount from the worksheet, line 14, column (a).

Line 21 - Net Long-Term Capital Gain from Assets Acquired After December 31, 2011

Enter the amount from the worksheet, line 14, column (c).

Only include net long-term capital gains on this line if it can be verified that the asset was acquired after December 31, 2011. For purposes of this line, an asset acquired by gift or inheritance is considered acquired on the date it was acquired by the gift-giver or the deceased individual.

Line 22 - Net Long-Term Capital Gain Subtraction From Income for Assets Acquired After December 31, 2011.

Multiply the amount on line 21 by 25% and enter the result.

Line 23 - Net Capital Gain from Investment in a Qualified Small Business

You may subtract the amount of any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business as determined by the Arizona Commerce Authority (ACA) pursuant to A.R.S. § 41-1518.

To qualify for this subtraction, your investment in the qualified small business must have been made *after* the ACA certified the company as a qualified small business and *before* the company's certification expiration date. An investment made prior to certification or after the expiration of certification does not qualify for this subtraction. See the ACA's website, *Small Business Incentives: Angel Investment*, for a list of certified businesses and their certification dates. On line 23, enter the amount of the allowable subtraction.

CAUTION: *If the amount entered on line 23 includes any long-term capital gain from an investment made after December 31, 2011, you cannot include that portion of the net capital gain in your computation of the allowable subtraction for any net long-term capital gain of assets acquired after December 31, 2011, and included in federal adjusted gross income. For more information, see the instructions on page 30 for the amount to enter on line 13, column (c), of the net long-term capital gain worksheet.*

Line 24 - Recalculated Arizona Depreciation

NOTE: *For more information and examples of how to calculate Arizona bonus depreciation, see the department's Income Tax Procedure, ITP 16-2, Procedure for Individuals who Claim Federal and/or Arizona Bonus Depreciation.*

For assets placed in service in taxable years beginning before December 31, 2012, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if you had elected not to claim bonus depreciation for eligible properties for federal purposes.

For assets placed in service during taxable years beginning from and after December 31, 2012 through December 31, 2013, the amount of the subtraction for these assets depends on the method used to compute the depreciation for these assets.

For assets placed in service in taxable years beginning from and after December 31, 2013 through December 31, 2015, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 10% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

For assets placed in service in taxable years beginning from and after December 31, 2015 through December 31, 2016, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 55% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

Line 25 – Partnership Income Adjustment (Negative)

Use this adjustment if line 3, of your Arizona Form 165 Schedule K-1, shows a difference between federal and state distributable income.

If the difference reported on line 3, of your Arizona Form 165 Schedule K-1, is a negative number, enter that difference on line 25. **Do not include a minus sign or use parenthesis.**

NOTE: *If the difference reported on line 3, of your Arizona Form 165 Schedule K-1, is a positive number, enter that difference as an addition on line 14.*

Line 26 - Adjustment for IRC § 179 Expense not Allowed in Prior Years

If you made an addition for IRC § 179 expense on your 2012 return, enter 20% of the amount added for 2012.

Line 27 - Interest on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included as income on your federal return. U.S. Government obligations include obligations such as savings bonds and treasury bills. You cannot deduct any interest or other related expenses incurred to purchase or carry the obligations. If such expenses are included in your Arizona gross income, you must reduce the subtraction by such expenses. If you are itemizing deductions on your Arizona return, you must exclude such expenses from the amount deducted.

NOTE: *Do not subtract interest earned on Fannie Mae (FNMA) or Ginnie Mae (GNMA) bonds since this interest is taxable by Arizona. For details, see the department's ruling, ITR 06-1, Obligations of the United States Government, Federal Agencies, and United States Territories.*

Do not subtract any amount received from a qualified pension plan that invests in U.S. Government obligations. Do not subtract any amount received from an IRA that invests in U.S. Government obligations. These amounts are not interest income. For details, see the department's rulings, ITR 96-2, *Pension Plan Distributions Derived from Investment in U.S. Government Obligations*; and ITR 96-3, *Distributions Comprised of Income Earned by the IRA*.

Line 28 - Exclusion for U.S. Government, Arizona State or Local Government Pensions

If you receive pension income from any of the sources listed below, subtract the amount you received or \$2,500, whichever is less. Include only the amount you reported as income on your federal return. If both you and your spouse receive such pension income, each spouse may subtract the amount received or \$2,500, whichever is less.

Public pensions from the following sources qualify for this subtraction:

- the United States Government Service Retirement and Disability Fund,
- the United States Foreign Service Retirement and Disability System,
- retired or retainer pay of the uniformed services of the United States,
- any other retirement system or plan established by federal law,

NOTE: *This applies only to those retirement plans authorized and enacted into the U.S. Code. This does not apply to a retirement plan that is only regulated by federal law (i.e., plans which must meet certain federal criteria to be qualified plans).*

- the Arizona State Retirement System,
- the Arizona State Retirement Plan,
- the Corrections Officer Retirement Plan,
- the Public Safety Personnel Retirement System,
- the Elected Officials' Retirement Plan,
- a retirement plan established for employees of a county, city, or town in Arizona, and

- an optional retirement program established by the Arizona Board of Regents under Arizona Revised Statutes, and an optional retirement program established by an Arizona community college district.

NOTE: *Public retirement pensions from states other than Arizona do not qualify for this subtraction.*

Line 29 - Arizona State Lottery Winnings

You may subtract up to \$5,000 of winnings received in 2016 for Arizona lottery prizes.

If you subtract Arizona lottery winnings here, you may have to adjust the amount of gambling losses claimed as an itemized deduction. See instructions for Arizona Form 140, Schedule A, *Itemized Deduction Adjustments*.

Line 30 - U.S. Social Security Benefits or Railroad Retirement Benefits

Arizona does not tax the following:

- social security benefits received under Title II of the Social Security Act, or
- railroad retirement benefits received from the Railroad Retirement Board under the Railroad Retirement Act, tier 1 or tier 2 railroad retirement benefits, railroad disability benefits reported on federal forms RRB-1099 and RRB-1099-R, railroad unemployment benefits and railroad sickness payments paid by the Railroad Retirement Board.

For more information, see the department's ruling, ITR 16-1, *Railroad Retirement Benefits, Railroad Disability Benefits, Railroad Unemployment Benefits and Railroad Sickness Payments*.

If you included such social security or railroad retirement benefits as income on your federal return, use line 30 to subtract this income.

NOTE: *Enter only the taxable amount (the amount that was subject to federal income tax). Do not include any amount that was not subject to federal income tax.*

Line 31 - Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. The federal government must recognize these tribes. For more information, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Line 32 - Pay Received for Active Service as a Member of the Reserves, National Guard or the U.S. Armed Forces

Members of the U.S. armed forces may subtract pay received for active duty military service. On line 32, enter the amount of that income included in your federal adjusted gross income.

Members of the reserves or the National Guard may subtract pay received for active service as a reservist or as a National Guard member. This includes pay received for weekend or two-week training periods. On line 32 enter the amount of that income included in your federal adjusted gross income.

Military Technician (dual status)

You may **not** subtract any income you received for full-time civil service employment as a "military technician (dual status)". Compensation received by a "military technician (dual status)" for federal civil service employment for the National Guard or for the United States Reserves, is not income received for active service as a National Guard member for a Reserve member even though the employee may be required to wear a military uniform while at work.

For more information, see the department's ruling, ITR 12-2, *Compensation Received by a National Guard member or a member of the United States Reserves*.

NOTE: *You may not subtract pay received for active duty service as a member of the U.S. Public Health Service or NOAA. For more information, see the department's ruling, ITR 10-1, Does the subtraction, for armed forces personnel, under A.R.S. § 43-1022 apply to Arizona residents who are active duty service members of the commissioned corps of the United States Public Health Service or the National Oceanic and Atmospheric Administration?*

Line 33 - Net Operating Loss Adjustment

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct a net operating loss as if the loss was computed under IRC § 172 in effect prior to the enactment of those special rules. If you made an election to deduct your 2008 or 2009 federal net operating loss under IRC § 172(b)(1)(H), you may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on your 2016 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. On line 33, enter the amount that exceeds the actual net operating loss carry forward that was deducted in arriving at federal adjusted gross income.

NOTE: *This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4 or 5 years, instead of the normal 2 years. This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.*

Line 34 - Contributions to 529 College Savings Plans

You may subtract amounts you contributed to 529 college savings plans during the taxable year. You may subtract the amount you contributed during the year up to a total of \$2,000 (\$4,000 for a married couple filing a joint return.) If you are married filing separate returns, either you or your spouse may take the subtraction, or you may divide it between you, but the total subtraction taken by both of you cannot be more than \$4,000.

If you contribute more than \$2,000 (\$4,000 if married) during the year, your total subtraction is still limited to \$2,000 (\$4,000 if married.)

For example: Jorge and Kate are married and have two children. During 2016, Jorge and Kate contributed \$2,500 to a 529 plan for Child 1 and \$2,500 to a 529 plan for Child 2. Even though Jorge and Kate contributed a total of \$5,000 during 2016, they may subtract only \$4,000 on their 2016 return.

You may take a subtraction for a contribution that you made during 2016 to a plan that existed before 2016. You may take a subtraction for a contribution that you made during 2016 to a plan established in another state. You may take a subtraction for a contribution that you made in 2016 to any 529 college savings plan. This could be a plan established for a child, grandchild, niece, nephew, or any other person for whom a plan has been established.

You cannot take a subtraction for an amount transferred from one college savings plan to a different college savings plan (a rollover).

Line 35 - Other Subtractions from Income

Use line 35 if any of the following special circumstances apply. Include your own schedule with your return explaining any amounts entered here. Include your schedule with the return.

A. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1 to report to you your share of the fiduciary adjustment from the trust or estate.

Line 3 of Form 141AZ, Schedule K-1 shows your share of the fiduciary adjustment from the estate or trust. If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a negative number, enter that amount as a subtraction on line 35.

NOTE: *If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a positive number, enter that amount as an addition on line 16.*

B. Federally Taxable Arizona Municipal Interest as Evidenced by Bonds

Enter the amount of any interest income received on obligations of the State of Arizona, or any political subdivisions of Arizona, as evidenced by bonds, and is included in your Arizona gross income. Do not enter any Arizona municipal interest that is exempt from federal taxation and not included in your federal adjusted gross income. For more information, see the department's ruling, ITR 15-1, *Arizona Municipal Interest that is Included in Federal Adjusted Gross Income*.

C. Adoption Expenses

You may take this subtraction only in the year the final adoption order is granted. Enter the lesser of the total of the following adoption expenses or \$3,000. When figuring your subtraction, you may include expenses incurred in prior years.

The following expenses are qualified adoption expenses:

- unreimbursed medical and hospital costs,

- adoption counseling,
- legal and agency fees, and
- other nonrecurring costs of adoption.

If you are married and filing separately, you may take the entire subtraction or you may divide the subtraction with your spouse. However, the total subtraction taken by both you and your spouse cannot exceed \$3,000.

D. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

Arizona law provides a subtraction for converting an existing fireplace to one of the following:

- a qualified wood stove,
- a qualified wood fireplace, or
- a gas fired fireplace and non-optional equipment directly related to its operation.

You may subtract up to \$500 of the costs incurred for converting an existing fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

E. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply:

- During a year prior to 2016 you were required to repay amounts held under a claim of right.
- You computed your tax for that prior year under Arizona's claim of right provisions.
- A net operating loss or capital loss was established due to the repayment made in the prior year.
- You are entitled to take that net operating loss or capital loss carryover into account when computing your 2016 Arizona taxable income.
- The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your federal income.

Enter the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your federal adjusted gross income.

F. Certain Expenses Not Allowed for Federal Purposes

You may subtract some expenses that you cannot deduct on your federal return when you claim certain federal tax credits.

These federal tax credits include the following:

- the Federal Work Opportunity Credit
- the Empowerment Zone Employment Credit
- the credit for employer-paid social security taxes on employee cash tips
- the Indian Employment Credit.

If you received any of the above federal tax credits for 2016, enter the portion of wages or salaries you paid or incurred during the taxable year equal to the amount of those federal tax credits you received.

G. Qualified State Tuition Program Distributions

If you are a beneficiary of a qualified state tuition program, you may subtract some of the amount distributed from the program for qualified education expenses. Enter the amount of the distribution that you had to include in your federal adjusted gross income. A qualified state tuition program is a program that meets the requirements of IRC § 529.

H. Subtraction for World War II Victims

You may subtract distributions made to you for your persecution or the persecution of your ancestors by Nazi Germany or any other Axis regime for racial, religious or political reasons. If you are the first recipient of such distributions, enter the amount of the distributions that you had to include in your federal adjusted gross income.

You may also subtract items of income that are attributable to, derived from, or related to assets that were stolen or hidden from or lost to you if you were persecuted by Nazi Germany or any other Axis regime for racial, religious, or political reasons before, during or immediately after World War II. If you are the first recipient of such income, enter the amount of income that you had to include in your federal adjusted gross income.

I. Installment Sale Income from Another State Taxed by the Other State in a Prior Taxable Year

You may subtract income from an installment sale if **both** of the following apply:

- The income from the sale is subject to Arizona income tax in 2016.
- You paid income tax to another state on that income in a **prior** tax year.

Enter the amount of such income that you included in your Arizona gross income for 2016.

Do not enter any amount that is subject to tax by both Arizona and another state in 2016. In this case, you may be eligible for a tax credit. See Arizona Form 309 for details.

J. Agricultural Crops Given to Arizona Charities

Arizona law allows a subtraction for qualified crop gifts made during 2016 to one or more charitable organizations. To take this subtraction, **all** of the following must apply:

- You must be engaged in the business of farming or processing agricultural crops.
- The crop must be grown in Arizona.

- You made your gift to a charitable organization located in Arizona that is exempt from Arizona income tax.

The subtraction is the larger of the wholesale market price or the most recent sale price for the contributed crop. The amount of the subtraction cannot include any amount deducted pursuant to IRC § 170 with respect to crop contribution that exceeds the cost of producing the contributed crop. To determine if your crop gift qualifies for this subtraction, see the department's procedure, ITP 12-1, *Establishing an Income Tax Subtraction for Agricultural Crops Contributed to Charitable Organizations*.

K. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

With respect to property that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, enter the amount of depreciation that has been allowed pursuant to IRC § 167(a) to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.)

L. Previously Deferred Discharge of Indebtedness (DOI) Income Adjustment

Generally, when a loan is settled for less than the amount owed, DOI income is realized by the debtor and usually must be included in the debtor's gross income. The amount of DOI income is generally equal to the amount of loan forgiveness. DOI income also occurs when a debtor repurchases his or her own debt at a discount (a price lower than the adjusted basis issue price of the debt instrument). In debt repurchase transactions, the amount of DOI income is generally equal to the difference between the adjusted issue price and the price paid for the debt instrument.

For federal purposes, a taxpayer may have made a special election for taxable years 2009 or 2010 to include DOI income in connection with the reacquisition of a business debt instrument, ratably over a 5 year period. A taxpayer that made this election will generally include this income in federal adjusted gross income beginning with the 2014 taxable year. A taxpayer would have made the federal election under IRC § 108(i) as added by the American Recovery and Reinvestment Act of 2009. Arizona did not adopt the special federal DOI income deferral provisions for the 2009 or 2010 taxable year. For Arizona purposes, if you made the federal election to defer the inclusion of DOI income under IRC § 108(i), you were required to add the amount of deferred DOI income to Arizona income for the year for which you made the election.

If you made the required addition to Arizona income on the Arizona return filed for the year in which you reacquired the debt instrument (2009 or 2010), Arizona will not tax that DOI income twice. In the year in which you include that deferred DOI income in your federal adjusted gross income, you may take a subtraction for the amount included for that year.

Usually this subtraction will apply to taxable years 2014 through 2018. On line 35, enter the amount of previously deferred DOI income that you included in your federal adjusted gross income for the current taxable year to the extent that the amount was previously added to your Arizona income.

M. Original Issue Discount (OID) on Reacquisition of Business Debt Instrument

For federal purposes, when a taxpayer made the special election to defer DOI income under IRC § 108(i), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer must deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income is includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income under IRC § 108(i). For Arizona purposes, you were required to add the amount of deferred DOI income to Arizona income on the return filed for the year in which you reacquired the debt instrument.

Since Arizona taxed the federally deferred DOI income for 2009 or 2010 on your 2009 or 2010 Arizona return, you may subtract the amount of OID that accrued during the taxable year with respect to that DOI income.

On line 35, enter the amount of any OID that was deferred and not allowed to be deducted in computing your federal adjusted gross income for 2016 under IRC § 108(i).

N. Sole Proprietorship Income of an Arizona Nonprofit Medical Marijuana Dispensary included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you may subtract the amount of the income from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the income on line 35.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this subtraction does not apply.*

O. Long-Term Care Insurance Premiums

You may subtract the amount of premium costs for long-term care insurance for qualified long-term care services. Qualified long-term care services are necessary diagnostic, preventive, therapeutic, curing, treating, mitigating, rehabilitative services, and maintenance and personal care services.

You may take this subtraction only if you are *not* claiming itemized deductions for the taxable year. Include the allowable subtraction on line 35.

An individual, who claims itemized deductions, may *not* take this subtraction.

P. Long-Term Health Care Savings Accounts

You may subtract amounts you paid into a long-term health care savings account established under Arizona law. An individual may establish a long-term health care savings account with an account Administrator who will manage the account.

For more information regarding the subtraction for contributions made to a long-term health care savings account, see A.R.S. § 43-1032.

The total amount you may subtract is equal to the amount of your contributions that are included in your federal adjusted gross income. Include the amount of the allowable subtraction on line 35.

Do not include on line 35 any amounts already excluded in the computation of your federal adjusted gross income

Q. Other Adjustments

Other special adjustments may be necessary. Call one of the numbers on page 1 of these instructions if any of the following apply:

- You sold or disposed of non-depreciable property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954, as amended (1978 prior).
- You deferred exploration expenses determined under IRC § 617 in a taxable year ending before January 1, 1990, and you have not previously taken a subtraction for those expenses.

Line 36 -

Subtract lines 22 through 35 from line 17 and enter the difference.

Line 37 -

Enter the amount from page 1, line 36.

Exemptions

Line 38 - Age 65 or Over

Multiply the number in box 8 on the front of your return by \$2,100 and enter the result.

Line 39 - Blind

Multiply the number in box 9 on the front of your return by \$1,500 and enter the result.

Line 40 - Dependents

Multiply the number in box 10 on the front of your return by \$2,300 and enter the result.

Line 41 - Qualifying Parents and Grandparents

Multiply the number in box 11 on the front of your return by \$10,000 and enter the result.

Line 42 - Arizona Adjusted Gross Income

Subtract lines 38 through 41 from line 37 and enter the difference.

Figuring Your Tax

Line 43 - Standard or Itemized Deductions

You must decide whether to take the standard deduction or to itemize your deductions. Your Arizona income tax will be less if you take the larger of your standard deduction or your itemized deductions.

e-file When you *e-file*, the software completes the math for you.

Your Standard Deduction

If you take the standard deduction, check box 43S.

If your filing status is:	Your standard deduction is:
• Single	\$5,099
• Married filing separate	\$5,099
• Married filing joint	\$10,189
• Head of household	\$10,189

Your Itemized Deductions

If you itemize your deductions, check box 43I.

You may claim itemized deductions on your Arizona return even if you take a standard deduction on your federal return. For the most part, you may claim those deductions allowable as itemized deductions under the IRC.

In some cases, the amount allowed for some deductions may not be the same as the amount allowable for federal purposes.

You may have to adjust the amounts shown on your completed federal Form 1040, Schedule A.

See Arizona Form 140 Schedule A, *Itemized Deduction Adjustments*, to figure if you have to make any adjustments.

To figure your itemized deductions, you must complete a federal Form 1040, Schedule A. Then, if required, complete Arizona Form 140, Schedule A, *Itemized Deduction Adjustments*.

If you do not have to complete Form 140, Schedule A, *Itemized Deduction Adjustments*; enter the amount from federal Form 1040, Schedule A, on Form 140, line 43.

You must include a copy of the completed federal Schedule A with your Arizona return.

Line 44 - Personal Exemptions

The amount you may claim as a personal exemption depends on your filing status. If married, the amount you may claim as a personal exemption also depends on whether you or your spouse claim dependents. You may use the following chart to figure your personal exemption.

If married, you may also use Arizona Form 202, *Personal Exemption Allocation Election*, to figure your personal exemption.

Personal Exemption Chart	
If you checked filing status:	Enter:
• Single (Box 7)	\$2,100
• Married filing joint return (Box 4) and claiming no dependents (Box 10)	\$4,200
• Married filing joint return (Box 4) and claiming at least one dependent (Box 10) excluding persons listed who did not qualify as a dependent on your federal return [Box 10, column (e)].	\$6,300
• Head of household and you are not married (Box 5)	\$4,200
• Head of household and you are a married person who qualifies to file as head of household (Box 5)	\$3,150, or complete Form 202
• Married filing separate return (Box 6) with neither spouse claiming any dependents (Box 10)	\$2,100, or complete Form 202
• Married filing separate return (Box 6) with one spouse claiming at least one dependent (Box 10) excluding persons listed who did not qualify as a dependent on your federal return [Box 10, column (e)].	\$3,150, or complete Form 202

A married couple who does not claim any dependents may take one personal exemption of \$4,200. If the husband and wife file separate returns, either spouse may take the entire \$4,200 exemption, or the spouses may divide the \$4,200 between them. You and your spouse must complete Form 202 if either you or your spouse claim a personal exemption of more than \$2,100. If you and your spouse do not complete Form 202, you may take an exemption of only \$2,100 (one-half of the total \$4,200).

A married couple who claims at least one dependent may take one personal exemption of \$6,300. If the husband and wife file separate returns, either spouse may take the entire \$6,300 exemption, or the spouses may divide the \$6,300 between them. You and your spouse must complete Form 202 if either you or your spouse claims a personal exemption of more than \$3,150. If you and your spouse do not complete Form 202, you may take an exemption of only \$3,150 (one-half of the total \$6,300).

If you are a married person who qualifies to file as a head of household, you may take the entire \$6,300 personal exemption or you may divide the exemption with your spouse. You and your spouse must complete Form 202 if either you or your spouse claims a personal exemption of more than \$3,150. If you and your spouse do not complete Form 202 you may take an exemption of only \$3,150 (one-half of the total \$6,300).

The spouse who claims more than one-half of the total personal exemption must include the original Form 202 with his or her return. The spouse who claims less than one-half of the total personal exemption must include a copy of the completed Form 202 with his or her return.

Line 45 - Arizona Taxable Income

Line 46 - Tax Amount

Enter the tax from either Tax Table X or Y or the Optional Tax Tables. If your taxable income is less than \$50,000, use the Optional Tax Table. If your taxable income is \$50,000 or more, use Tax Table X or Y.

Enter the amount of tax due from recapture of the credits from Arizona Form 301, Part 2, line 40.

Line 48 - Subtotal of Tax

Add lines 46 and 47 and enter the total.

Line 49 - Family Income Tax Credit

e-file E-file software will let you know if you are eligible and will figure the credit for you.

NOTE: The family income tax credit will only reduce your tax and cannot be refunded.

You may claim this credit if your income does not exceed the maximum income allowed for your filing status.

- Complete Steps 1, 2, and 3 to see if you qualify for this credit.
- If you qualify to take this credit, complete Worksheet II in Step 4.

Step 1

Complete Worksheet I below.

1. Enter the amount from Form 140, line 42		\$
2. Enter the amount from Form 140, line 38.	\$	
3. Enter the amount from Form 140, line 39.	\$	
4. Enter the amount from Form 140, line 40.	\$	
5. Enter the amount from Form 140, line 41.	\$	
6. Add the amounts on lines 2 through 5 and enter the total.		\$

Step 2

Look at the following tables. Find your filing status.

- Use Table 1 if married filing a joint return.
- Use Table 2 if head of household.
- Use Table 3 if single or married filing separate return.

Step 3

- Look at column (a) and find the number of dependents you are claiming (Form 140, page 1, box 10 excluding

persons listed who did not qualify as a dependent on your federal return).

- Find the maximum income [in column (b)] for the number of dependents you are claiming.
- Compare that income [the amount in column (b)] with the income listed in Step 1 on Worksheet I, line 7.

If the amount entered in Step 1 on Worksheet I, line 7 is equal to or less than the maximum income allowed for the number of dependents you are claiming on Form 140, page 1, box 10, excluding persons listed who did not qualify as your dependent on your federal return, you qualify to claim this credit. To figure your credit, complete Step 4.

Line-by-Line Instructions

Lines 1 through 6 - Medical and Dental Expenses

*Skip lines 1 through 6 if you are **not** deducting medical and dental expenses.*

In most cases, the deduction allowed on the Arizona return will be larger than the deduction allowed on the federal return. On your Arizona return, you do not have to reduce your medical expenses by a percentage of your federal adjusted gross income.

In most cases, you may deduct more medical expenses on your Arizona return than you can deduct on your federal return. Complete lines 1 through 6 to deduct those expenses that were less than 10% (7.5% for age 65 and over) of your federal adjusted gross income.

Also, complete lines 1 through 6 if you had an Arizona Long-Term Health Care Savings Account (AZLTHSA).

Line 1 -

Enter the total of your medical and dental expenses. Do not include any expenses that were paid by insurance or other sources.

Do not reduce the amount you enter on line 1 by amounts paid from an AZLTHSA.

Do not include the following amounts you paid through an employer-sponsored health insurance plan (cafeteria plan) unless your employer included the amounts in Box 1 of your Form W-2.

- Other medical and dental expenses paid by the plan.

If you are self-employed, do not include any amount that you paid for health insurance that you deducted in computing your federal adjusted gross income.

Complete lines 3 through 6 as instructed on the form.

Line 7 - Interest Paid on Mortgage Credit Certificates

Lines 8 through 12 - Gambling Losses

*Skip lines 8 through 12 if you are **not** deducting gambling losses.*

You can deduct wagering losses only to the extent of your wagering gains. You must complete lines 8 through 12 if **both** of the following apply:

 **Leave the paper behind and e-file your Arizona extension request.**

Visit www.azdor.gov for e-file requirements.

Use of Form 204

Use Arizona Form 204 to apply for an extension of time to file an Arizona Form 140, 140A, 140EZ, 140ET, 140PTC, 140PY, or 140NR. Individuals use this form to apply for an automatic six (6) month extension.

If you are using Form 204 to request a filing extension for an Arizona Form 140NR composite return, enter the partnership or S corporation's employer identification number (EIN) in the area designated for an individual's Social Security Number (SSN).

Also, use Form 204 to remit an extension payment whether you are requesting an Arizona extension or using a valid federal extension. However, if you are filing under a federal extension, but making an electronic extension payment or making an extension payment using a credit card, you do not need to mail in Form 204.

Arizona will accept your federal extension for the period covered by the federal extension.

Foreign Address

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

When to File Form 204

All extension requests must be postmarked on or before the original due date of the return, unless the original due date falls on a Saturday, Sunday, or legal holiday.

In that case, your request must be postmarked on or before the business day following that Saturday, Sunday or legal holiday. For more information, see the department's general tax ruling,

GTR 16-2, *Timely Filing of Income or Withholding Tax Return - Holidays and Weekends*.

For calendar year filers: *Because April 15, 2017, falls on a Saturday, and District of Columbia Emancipation Day will be observed on April 17, 2017, you have until Tuesday, April 18, 2017, to file the request for an extension.*

Since October 15, 2016, falls on a Sunday, you will have until October 16, 2017, to file your income tax return.

Complete Form 204 to request an automatic six (6) month extension. **Mark your envelope "2016 Extension Request."**

If you are **sending a payment** with this request, mail the form to:

Arizona Department of Revenue
PO Box 29085
Phoenix, AZ 85038-9085

If you are **not sending a payment** with your request, mail the form to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

The department will not return a copy of the Form 204 to you. Be sure to keep a copy of the completed Form 204.

An extension does not extend the time to pay your income tax. You must still pay your tax liability by April 18, 2017, (or by the original due date of your return).

NOTE: *Because April 15, 2017, falls on a Saturday and District of Columbia Emancipation Day will be observed on April 17, 2017, you have until Tuesday, April 18, 2017, to pay your tax liability.*

If you do not pay at least 90% (.90) of the income tax liability disclosed by your return by the return's original due date, you will be subject to the extension underpayment penalty. We charge interest from the original due date to the date of payment.

Extension Underpayment Penalty: We impose this penalty if you do not pay at least 90% (.90) of the income tax liability shown on your return filed under an extension by the return's original due date. The extension underpayment penalty is ½ of 1% (.005) of the income tax not paid for each 30-day period or fraction of a 30-day period. We impose this penalty from the original due date of the return until you pay the tax. The extension underpayment penalty cannot exceed 25% (.25) of the unpaid income tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

Nonresident Aliens

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 18, 2017, even though your federal return is due on June 15, 2017. If you want to file your 2016 Arizona return after April 18, 2017, you must ask for a filing extension.

For Calendar Year Filers: *Because April 15, 2017, falls on a Saturday and District of Columbia Emancipation Day will be observed on April 17, 2017, you have until Tuesday, April 18, 2017, to pay your tax liability.*

Arizona will allow up to a 6-month extension. This will allow you to file your return by October 16, 2017.

NOTE: *Because October 15, 2017, falls on a Sunday, you have until October 16, 2017, to file your return.*

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months.

Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 16, 2017, even though your federal return will not be due until December 15, 2017. If you file your 2016 Arizona calendar year return after October 16, 2017, your return will be late.

Making Your Payment

Individuals may make extension payments by check, electronic check, money order, or credit card.

Partnerships or S corporations making an extension payment on behalf of nonresidents participating in the filing of an Arizona Form 140NR composite return must make that payment by check or money order.

Check or money order

If paying by check or money order, make your check or money order payable to Arizona Department of Revenue.

Write your SSN (or EIN) and *2016 Extension Request* on the **front** of your check or money order.

Include your check or money order with Form 204.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2016. There is no fee to use this method. To make an electronic payment, go to www.AZTaxes.gov and click on the “Make a Payment” link.

Be sure to enter the correct routing number and account number for your checking or savings account. You will be charged a \$25 NSF (non-sufficient funds) fee if you provide an incorrect routing number or an incorrect account number. Check with your financial institution to get the correct routing and account numbers.

The “E-Check” option in the “Payment Method” drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

NOTE: *You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.*

Credit card payment

You can pay with your Visa, MasterCard, Discover, or American Express credit card. Go to www.AZTaxes.gov and click on the “Make a Payment” link and choose the credit card option. This will take you to a third party vendor site (provider). The provider **will charge** you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Installment payments

If you cannot pay the full amount shown on line 78 when you file, you may ask to make monthly installment payments. To make this request, complete Arizona Form 140-IA and mail the completed form to the address listed on Form 140-IA. **Do not mail Form 140-IA with your income tax return.** You may obtain Arizona Form 140-IA from our website at www.azdor.gov.

If you cannot pay the full amount shown on line 78, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 18, 2017. To limit the interest and penalty charges, pay as much of the tax as possible when you file your return.

Sign your return

You must sign your return. If married filing a joint return, both you and your spouse must sign even if only one had income. Form 140 is not considered a valid return unless you sign it. The department cannot send a refund check without proper signatures on the return.

Arizona Department of Revenue
PO Box 52016
Phoenix, AZ 85072-2016

If you are **expecting a refund, or owe no tax, or owe tax but are not including a payment**, mail the return to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

Make sure you put enough postage on the envelope

The U.S. Post Office or United States mail service must postmark your return or extension request by midnight April 18, 2017.

The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to Internal Revenue Code § 7502(f) and the term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States mail and that tax return is delivered to the department after its due date that return will be considered timely filed if **all** of the following apply:

1. The return was deposited in an official depository of the United States mail;
2. The date of the postmark is no later than the due date;
3. The return was properly addressed; and
4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

1. The private meter postmark bears a date on or before the due date for filing; and
2. The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is received by the department within five business days of the private meter postmark date the department will consider this requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the “timely mailing as timely filed” rule.

For more information, see the department’s ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.

How long to keep your return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you under report the income shown on that return by more than 25% (.25). The department can bring an action at any time if a return is false or fraudulent, or if you do not file a return. To find out more about what records you should keep, get federal Publication 552.

Where’s my refund?

You can check on your refund by visiting www.azdor.gov or www.AZTaxes.gov and clicking on “Where’s my refund?” or you may call one of the numbers listed on page 1 of these instructions. Before you call, be sure to have a copy of your 2016 tax return on hand. You will need to know your SSN, your filing status and your 5-digit ZIP Code.

Contacting the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person.

You may use Arizona Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.

Instructions for completing the worksheet for the subtraction from Arizona gross income for net long-term capital gain from assets acquired after December 31, 2011.

Purpose of the Worksheet

You may subtract a percentage of any net long-term capital gain included in your federal adjusted gross income that is from an investment in an asset acquired after December 31, 2011. For tax year 2016, the percentage is 25% (.25).

For purposes of this subtraction, “*qualified*” means an Arizona asset that was acquired *after* December 31, 2011.

To take the allowable subtraction, you must know whether the capital gain or (loss) is considered short-term or long-term. Only the net long-term capital gain from assets acquired *after* December 31, 2011, is used to compute the allowable subtraction. For more information about determining whether a gain or (loss) is short term or long term, see federal Publication 544 at www.irs.gov.

If you cannot verify that the capital gain is from the sale of an asset acquired after December 31, 2011, then the capital gain should be included in column (b) of the worksheet as a capital gain from an asset acquired before January 1, 2012.

An asset acquired by gift or inheritance is considered acquired on the date it was acquired by the gift-giver or the deceased individual.

Who Should Complete the Worksheet?

You *must* complete this worksheet to take the allowable subtraction if you have a net capital gain included in your federal adjusted gross income and the gain includes assets purchased *after* December 31, 2011.

Do *not* complete this worksheet if either of the following applies:

- You do not have any capital gains to report for the current tax year.
- You do not have any net capital gain from asset(s) acquired *after* December 31, 2011, to report for the current tax year.

General Instructions

1. Check the box if this worksheet is for an original or an amended return.
2. Keep this worksheet for your records.

Line-by-Line Instructions

Lines 1 through 8 lists the federal forms reported on Schedule D. Line 9 identifies the total capital gain distribution(s) reported on Form(s) 1099-DIV.

- **Column (a)** is the **total** amount of long-term capital gains or (losses) reported on federal Schedule D or other forms/schedules.

- **Column (b)** is the amount of the long-term capital gains or (losses), included in column (a) for assets acquired *before* January 1, 2012.
- **Column (c)** is the amount of the long-term capital gains or (losses), included in column (a) for assets acquired *after* December 31, 2011.

Lines 1 through 8 - Capital Gains or (Losses) Reported on Federal Schedule D.

Enter the long-term capital gain or (loss) from the federal form listed that was reported on your federal Schedule D and included in the computation of your federal adjusted gross income.

Line 9 - Long-Term Capital Gains or (Losses)

Capital gains listed on a 1099-DIV are gains passed on from a fund, such as a mutual fund, from the sale of assets within the fund. Generally, such funds do not provide the information needed to determine when the asset that was sold was acquired. In this situation, the capital gains will be considered as acquired before January 1, 2012, and would not qualify for this subtraction.

Enter the total capital gain distribution(s) reported on Form(s) 1099-DIV and included in your computation of federal adjusted gross income.

NOTE: *Some taxpayers are not required to file federal Schedule D to report certain capital gains or (losses). In these cases, the long-term capital gains or (losses) are reported directly on the taxpayer's income tax return. Enter those items on line 9 of the worksheet.*

Line 10 - Subtotal

For each column, combine the amounts listed on lines 1 through 9 and enter the total.

Line 11 - Long-Term Capital Loss Carryover

- Column (a), enter the total amount of long-term capital loss carryover *actually used* on the federal return for the current table year.
- Column (b), enter the portion from column (a) that is from assets acquired before January 1, 2012.
- Column (c), enter the portion from column (a) that is from assets acquired after December 31, 2011.

Line 12 -

Subtract line 11 from line 10 and enter the difference in each applicable column.

Line 13 - Net Capital Gain from Investment in Qualified Small Businesses

To determine the amount to enter on line 13, column (c), answer the following questions.

Did you take a subtraction for any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business on Arizona Form 140, line 23?

- If “No”, enter zero on line 13, column (c).

- If “Yes”, does that amount include any net long-term capital gain from an investment made *after* December 31, 2011?
 - If “No”, enter zero on line 13, column (c).
 - If “Yes”, enter on line 13, column (c) the amount of any net long-term capital gain from an investment made *after* December 31, 2011, and included in the amount subtracted on Arizona Form 140, line 23.

Line 14 - Net Long-Term Capital Gain or (Loss)

Subtract line 13 from line 12 and enter the difference in each applicable column.

- If the amount on line 14, column (c) is a negative number, you have a net capital loss. You do not qualify to take the subtraction.
- If the amount on line 14, column (c) is a positive number, you have a net long-term capital gain. Enter the result on Form 140, line 21.

Also, enter the amount from line 14, column (a) on Form 140, line 20.

2016 Optional Tax Tables

If your taxable income is less than \$50,000, use the Optional Tax Tables. If your taxable income is \$50,000 or more, use Tax Table X or Y. Also, if your taxable income is \$50,000 or more, you cannot use Form 140EZ or Form 140A to file for 2016. In this case, you must file using Form 140.

To Find Your Tax: Read down the income column until you find your taxable income shown on Form 140, line 45. Read across until you find your filing status as shown on Form 140. Enter the tax on Form 140, line 46.

Example: Mr. and Mrs. Timely are filing a joint return. Their taxable income on Form 140, line 45 is \$19,360. First, they find the \$19,350-\$19,400 income line. Next they find the column for married filing jointly and read down the column. The amount shown where the income lines and filing status column meet is \$502. This is the tax amount they must write on Form 140, line 46.
