# APT APC PROGRAMME - 2016

## 2015 Course Evaluation Statistics

Scores are generally on a 6 point Likert scale as follows:

6 Excellent    5 Very good    4 Good    3 Adequate    2 Poor    1 Unacceptable

Mean scores of between 5 and 6 are targeted on all significant issues.  
For this reason we have commented on mean scores below 5.

5.37 Overall benefit of the course

5.36 Focus on the APC

5.28 Contact Sessions benefit

5.37 Blend between Contact Sessions, material and videos

5.62 Presenters

5.28 Simulates real life CA scenarios

5.17 Candidates developed as the course progressed

5.53 aptassist navigation

98% The course material is suitable for online use

90% Agree the videos were beneficial [attending contacts]

98% Agree the videos were beneficial [Not attending contacts]

76% aptassist is useful

Gradings fair

4.84 Because this was a new programme, candidates did not always understand the new grading process. Our consultations with 'disappointed' candidates were generally very positive and contributed to candidates' development
