## FOOD CONTAINER WORKSHEET

Trip Leader:  Menu Planner:  Launch Date:  /  /

To plan your foodpack you will need a list of your personal boats and their capacities. For the Grand Canyon 16 and 18 foot boats with coolers 120 quarts or larger are best. People are often surprised by the magnificent size of a Grand Canyon foodpack! An average PRO Pack for 16 people and 16 day requires four 18' PRO boats. An average Combo Pack requires five 18' PRO boats. Each PRO boat has a cooler, dryboxes and drop bags for crates and 20mm's designated just for the foodpack. Use the food preference survey to help gather your trips personal boat, cooler and drybox capacity. Submit to this worksheet to PRO. Remember to ship personal boxes and coolers to PRO three weeks from launch date or ask about renting dryboxes and coolers for personal boats.

BOAT	COOLER	DRYBOXES			OTHER CAPACITY	SHIPPED ON
<b>Example:</b> PRO 18' Sotar	178 quarts	2 boxes, ea 15 x 17 x 25" & 4 x 20mm rented			two drop bags can take the 4 x 20mm plus 3 crates and 3 veg bags and some beer	at PRO
<b>Example:</b> Joe's 16' Cat	123 quarts	1 box 17 x 18 x 36" and 2 x 20mm			no drops can take four 20mm across the front	3/15/11
