

LEEA LIFTING EQUIPMENT INSPECTION COURSE [2 DAYS]

CODE: TRL0201

TARGET GROUP & AIM

The aims of the course are to:

- Provide delegates with a thorough grounding of the law and standards pertaining to lifting gear.
- To teach the statutory requirements for, inspection, rejection and reporting of lifting gear in service.
- To provide some practical advice that will enable those who attend to carry out lifting gear inspections confidently.

OBJECTIVES

By the end of the course, delegates will be able to:

- Carry out statutory 'in service' inspections.
- Demonstrate knowledge of examination, storage, marking and handling of lifting gear
- Demonstrate knowledge of terminology, law, standards and safe working practices concerning lifting gear

- Offer sound advice to other users
- Maintain a safe working environment whilst working with lifting gear.
