Saturday, 28th June

08:30 UK section AGM.

St Andrews is not only the home of golf but one of Scotland's oldest University towns. We will offer a number of places to visit while here and included will be a putting competition on The Himalayas Putting course - there will be prizes so keep your scorecard!

15:00 Coach leaves to return to Dundee.

17:45

A short walk to Discovery Point where we will visit the museum and have pre-dinner drinks on the Discovery in which Captain Scott and his crew sailed to Antarctica in 1911. We will then be piped into dinner in the beautiful dining area which overlooks the Discovery. Transport will be available if walking is difficult for you.

19:30

Gala Dinner held in the banqueting room overlooking the Discovery. Dress code is smart but not black tie.

The official weekend programme ends after breakfast but some may wish to go flying to the attractive destinations that the West Coast of Scotland offers such as Mull, Campbeltown, Plockton or Oban. Any decisions that pilots make will be down to them and will not be part of the IFFR organised event.

Alternatively, spend some more time in Dundee or you could take the train to Edinburgh and enjoy a day in our capital city. The train goes over the River Tay, through Fife, then over the iconic Forth Bridge, an architectural masterpiece, and takes about 90 minutes.

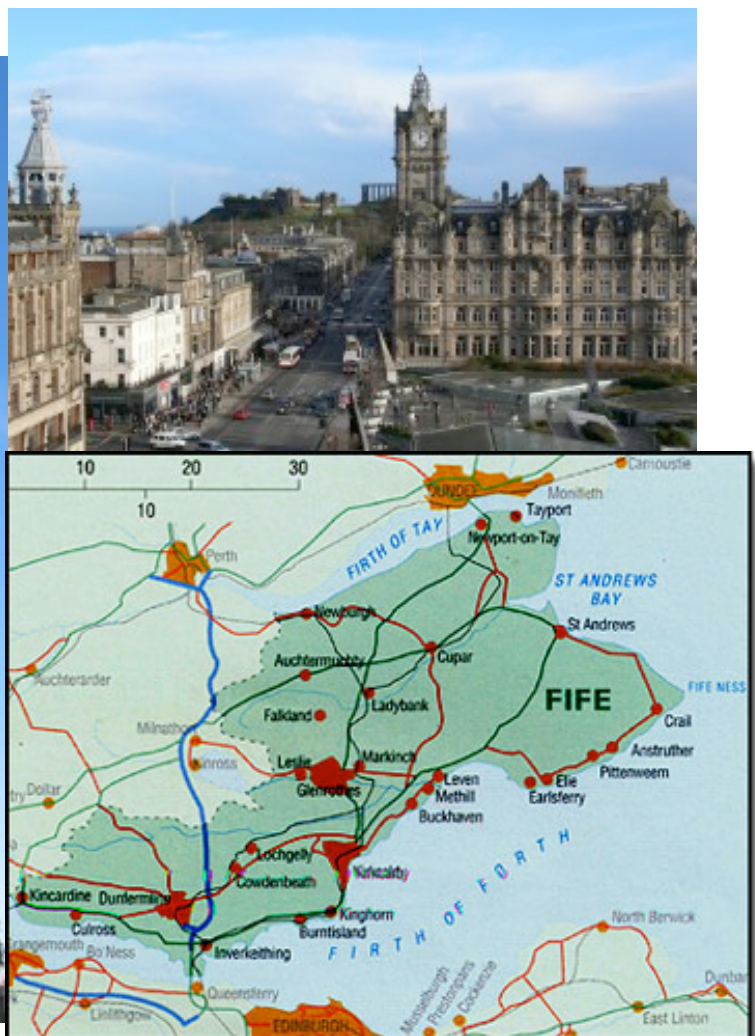

In Edinburgh you could visit Edinburgh Castle, climb up the Scott Monument or stroll along the shops on historic Princes Street. There's just so much to do and see!
