

# 2015 Customs & Trade Workshop

## What to prepare for the upcoming China-Korea FTA?

Complimentary,  
by invitation only

### Introduction

As the most comprehensive FTA covering the highest import volume for China, the China-Korea Free Trade Agreement concluded the substantial negotiation in November 2014.

The purpose of this China-Korea FTA workshop is to give you an introduction regarding Korean Customs environment and China-Korea FTA and share the operation strategy with you so that you can improve your efficiency in the era of China-Korea FTA.

### Agenda

The workshop is planned for a half-day and will be led by PwC customs and international trade experts from both China and Korea. Interactive Q&A will take place during and at the end of workshop.

#### Korean Customs Landscape

The workshop will commence by providing an overall view of the Korean Customs environment and China-Korea FTA and introducing the recent issues and developments in the field of Korea customs and international trade.

##### *Korean Customs overview*

- Organization structure and functions of each division of the Korean Customs

##### *Recent issues and developments in Korea*

- Recent issues and developments
- Case sharing

##### *China-Korea FTA*

- Trade between Korea and China
- Current status of FTAs in Korea and China
- General introduction for China-Korea FTA

#### Operation Strategy under China-Korea FTA

The workshop will focus on introducing the 'FTA 3 cycles' and share with you the operation strategy under the China-Korea FTA so that you can get well prepared and benefit from China-Korea FTA after it takes effect.

##### *FTA 3 cycles*

- **Assessment**
  - Analyze whether the FTA application conditions has been met
  - Explore business models to maximize benefit from China-Korea FTA

- **Implementation**

- Establish a country of origin management system or update the existing country of origin management system to reflect the new business model

- **Verification**

- Prepare supporting documents for Customs verification audit

#### Case Sharing

### Consultations

One-on-one client consultation can also take place on a first-come first-served basis.

### Who should participate?

Anyone with responsibility for managing customs and international trade operations is welcomed. This may include heads of finance, tax, supply-chain, customs compliance, logistics, operation and import/ export managers.

### How to register for the workshop?

Please complete the registration form below and email or fax to the coordinator. Reservations will be confirmed on a first-come, first-served basis. Due to space constraints up to a maximum of 2 representatives from any one company can attend.
