What is Switch4Good?

Funded by the Department of Energy, it's an exclusive program for military residents to save money by reducing energy.

Why Should I Sign Up?

- Save \$\$\$ and even earn cash back as your energy use declines.
- Support our Community. Energy savings are re-invested into a shared community project.
- Switch4Good is based on a pilot program at Travis Air Force Base where residents saved an average of 18%!

To sign up: **visit switch4good.org** and choose your base, or email switch4good@wattzon.com!
