Locker Assignment 2015 – 2016

Miramar High School will provide the option of lockers for the School Year 2015 – 2016. The lockers are provided as a service & convenience and are available on a *first-come-first-serve* basis. The lockers will be assigned to the first 500 students who submit completed applications and received administrative approval.

Lockers and locks are the property of Miramar High School and may be opened for inspection at any time.

Expectations

After application is reviewed and approved, student will be provided with a locker and a school issued lock. Any lock, other than a school issued lock will be removed and locker privilege revoked for school year 2015 – 2016.

Student is solely responsible for all textbooks and personal belongings kept in their locker. Lockers and combinations cannot be shared with friends.

Student is responsible for all contents of the locker and the clearing out of the locker at the end of the school year or if student withdraws from Miramar High School. All textbooks from locker must be turned in to the Textbook Room (Corridor 180).

If lock is lost, a replacement fee of \$10.00 will be assessed.
