

Dear Parents

2 July 2015

YEAR 2 SLEEPOVER – FRIDAY 17 JULY

As you will be aware from our summer term overview, we are planning a sleepover for Year 2. This experience will take place on Friday 17 July.

The children will be sleeping in the school hall. They will spend Friday doing lots of fun activities and preparing for the sleepover. They will stay at school at 3.30pm and continue with activities and entertainment we have planned. (If your child is not sleeping over, they will need to be collected at 3.30pm as usual). They will also have some time for a rest before having fish or sausage and chips which will be ordered in from a local fish and chip shop. It would be helpful if you could indicate on the slip attached what your child would prefer to eat.

On Saturday morning the children will have a wash, eat their breakfast and pack up their sleeping bags and belongings. They will need to be collected at 9am from the junior playground.

Many of the teachers and staff have volunteered to take part in the sleepover, so we will not be requiring any additional parent help for the night.

This experience is obviously not compulsory but we feel it would be a great adventure for the children and are really encouraging them in school to take part. So far the response has been fantastic and the children seem very excited. We are aware that for many of the children this will be their first night away from home and plan to make it as easy and as fun for them as possible.

The cost of the experience will be £8.00 per child which will include all activities and food and drinks for Friday evening and Saturday. The children will need to bring their normal packed lunch/school dinner for Friday.

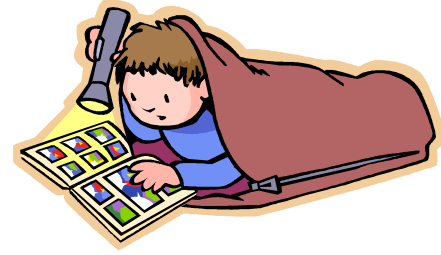

If you have any further questions then please see your child's teacher, meanwhile, please complete and return the attached slip and return it to school before 10 July.

Many thanks

Year 2 Teachers

Year 2 Sleepover – Friday 17 July

Please return by Friday 10 July

Child's name: _____ Class _____

Date of birth: _____

Emergency contacts (name and phone number):

1) _____

2) _____
