

SAINT PAUL POLICE FOUNDATION

SAINT PAUL POLICE FOUNDATION'S EVENTS SPONSORSHIP PROPOSALS

Saint Paul Police Foundation is an organization that has offered safer streets, officer safety and training, and youth programs since 2005. We are committed to supporting the Saint Paul Police Department through projects that create community partnerships, expand the use of technology in deterring and solving crime, and improve the readiness of our police department through education that is focused on the safety of our crimes. We believe that a strategic partnership with your business at our events will be mutually beneficial to both of our organizations.
