# **17th Annual Joint Fall Conference Attendee Registration**

PENNSYLVANIA KEYSTONE CHAPTER

Dear Colleague:

The Keystone Chapter of SWANA is pleased to partner once again with the Pennsylvania Waste Industries Association (PWIA), and the Pennsylvania Department of Environmental Protection (PADEP), to host the **17th Annual Joint Fall Conference**. This is the premier event for Pennsylvania's solid waste and recycling industry. Attendees represent decision makers from both public and private sector interests. They include people like you who are on the day to day front lines in collection, processing, and disposal operations. Regulatory and enforcement agencies, as well as consultants, technical and legal professionals also make up a significant portion of the participants.

The **17th Annual Joint Fall Conference** is a unique opportunity to network with the industry's key players in one location. The **Breakout Sessions** offer a preview of policy changes, technical advancements, and regulatory interpretations. This year's **Plenary Sessions** focus on topics that impact our industry not only here in Pennsylvania, but on a national level. These include oil & gas exploration waste issues, the recycling commodities markets, and climate change. Our **Keynote Speaker** for Wednesday's luncheon is John Quigley, Deputy Secretary of the Department of Environmental Protection. A new offering this year is the **Pre-Conference Training**, which is eligible for continuing education credits.

Feel free to contact Kay Dougherty the SWANA Keystone Chapter Secretariat at **(866) GOSWANA (467.9262)** or [kdougherty@keystoneswana.org](mailto:kdougherty@keystoneswana.org) with your conference related questions.

On behalf of the conference committee, we thank you in advance and look forward to seeing you in September.

**★ NEW THIS YEAR**  
**PRE CONFERENCE TRAINING**  
**WEDNESDAY SEPTEMBER 9, 2015**  
**8:30 A.M. TO 11:30 A.M.**

FULL CONFERENCE REGISTRATION REQUIRED  
ADDITIONAL FEE APPLIES

ELIGIBLE FOR PROFESSIONAL CONTINUING EDUCATION UNITS

**GEOSYNTHETICS  
APPLICATIONS AND  
QUALITY CONTROLS**

PRESENTED BY  
DR. GEORGE KOERNER

Geosynthetics entered the mainstream in the 1980s and have been used successfully ever since. They offer great benefit to cost and are seeing use throughout the world. Increasingly, Geosynthetics are required to be incorporated into design by regulation.

This three hour course will shed some light on the best management practices involved with using Geosynthetics in the critical application of waste containment. The course emphasizes a quality system approach from manufacturing to installation.

Participants will be restricted to conference attendees for an additional small fee of \$50 per person.

This is a great way for young industry professionals to expand their skills and interact with their colleagues at the same time.

DR. GEORGE KOERNER IS ARGUABLY ONE OF THE MOST ESTEEMED AND KNOWLEDGEABLE PROFESSIONALS IN THE FIELD OF GEOSYNTHETICS.

HE SERVES AS THE DIRECTOR OF THE GEOSYNTHETIC RESEARCH INSTITUTE, WHERE HE IS PERSONALLY RESPONSIBLE FOR DEVELOPING AND MANAGING THE GEOSYNTHETIC ACCREDITATION INSTITUTE-LABORATORY ACCREDITATION PROGRAM AND THE GEOSYNTHETIC CERTIFICATION INSTITUTE-INSPECTOR CERTIFICATION PROGRAM.

A NATIVE OF PHILADELPHIA, PENNSYLVANIA, DR KOERNER ATTENDED DREXEL UNIVERSITY. THERE HE GAINED BSCE (1985), MSCE (1987), AND PH.D. (1993) DEGREES IN CIVIL, ARCHITECTURAL, AND ENVIRONMENTAL ENGINEERING

Keynote Speaker

**WEDNESDAY  
SEPTEMBER 9, 2015  
LUNCHEON**

## John Quigley Secretary, Department of Environmental Protection

From 2009 to 2011, Quigley served as secretary of the Pennsylvania Department of Conservation and Natural Resources (DCNR). Prior to his appointment as secretary, Quigley worked for DCNR in several capacities, including overseeing strategic initiatives and operations, and as chief of staff.

Quigley has had a diverse career in the nonprofit, public, and private sectors, including eight years as the mayor of the City of Hazleton, government relations manager with Citizens for Pennsylvania's Future, and management positions with industry-leading companies.

He is a graduate of Bloomsburg University with a degree in economics, and holds a Master of Public Administration degree from Lehigh University

### **Working to Grow Energy Development in Pennsylvania**

As Secretary of the Pennsylvania Department of Environmental Protection, Quigley is using his deep knowledge of the industry and the state to lead a strategic approach to growing natural gas development in Pennsylvania.

Keynote Speaker

**THURSDAY  
SEPTEMBER 10, 2015  
BREAKFAST**

## Patrick D. Henderson, Director of Regulatory Affairs, Marcellus Shale Coalition

The Marcellus Shale Coalition is the largest advocacy organization representing operators and affiliated companies involved in the development of natural gas in the Commonwealth. As Director of Regulatory Affairs, Henderson assists the members of the Marcellus Shale Coalition in navigating a host of important public policy issues which affect the safe and responsible development of shale gas resources. He is also a member of the Pennsylvania Climate Change Advisory Committee.

Prior to this role, Henderson served as Deputy Chief of Staff and Energy Executive for Governor Tom Corbett. From January 1999 through January 18, 2011, Henderson served as the Executive Director of the Senate Environmental Resources and Energy Committee.

Henderson led the effort to publish Pennsylvania's first ever-State Energy Plan, published in January 2014. He also helped craft and seek enactment of Act 13 of 2012, the comprehensive Marcellus Shale law which updated the state's oil and gas statutes for the first time in nearly three decades.

Henderson is a 1996 graduate of Bloomsburg University with a B.A. in Political Science. He resides in Lower Paxton Township, Dauphin County with his wife and two children.
