Please provide detailed responses to the following, in sentence form.

What is the area of focus (themes[s]/issues[s]) for your Collaborative Project?

What thesis will the group be developing?

What position(s) will you be arguing?

What medium will you be using in your collaborative project (e.g., journal, web site, magazine, newspaper, travel guide, memoir, biography, film, performance, quilt, cook book, guerilla art, other)?

How will you articulate the thesis (i.e., in an abstract, preface, editorial)?

What method(s) and structures will you use to present and develop your arguments?

What method(s) will the group use for presenting your Project?

What equipment will you need for the presentation?

Do you have any questions/issues/comments that you would like to raise at this point?
