Every child in America grows up watching at least a few "Westerns" on TV, leaving a small spot in their heart for blue skies, red rock mesas and cowboys galloping along rocky desert trails. On this Getaway we visit one of the most popular lakes in Arizona, Lake Powell. Set amid the deep canyons, rocky outcrops and spectacular scenery of Glen Canyon and formed by one of the world's highest dams and the waters of the Colorado River, the lake is the perfect destination for our cruise and fishing, water sports and myriad other outdoor activities. Vast, magnificent and inarguably beautiful, the Grand Canyon is easily Arizona's most distinguishable landmark – and a natural wonder that you simply have to see to believe. Stretching 277 miles from end to end, steep, rocky walls descend more than a mile to the canyon's floor, where the wild Colorado River traces a swift course southwest. Visiting the Great Southwest is an experience everyone should have at least once in their lifetime.

GETAWAYS are short trips perfect for the traveler who wants to be gone a few days, be pampered by Kelly Tours VIP services and enjoy a specific destination.
