Dear Parents/Caregivers,

School Accounts

Thanks to those families who have paid their school accounts and those who have arranged to pay by instalment which ever way it is much appreciated to have the accounts cleared or clearing. This is a gentle reminder that a little paid often helps to clear the account.

Swimming Pool Keys:

We are still awaiting the return of pool keys. Please get these back ASAP. We have only received 3 back - 5 to come!

Welcome:

Sadly we fare-welled Rachel on Wednesday. We thank her for the time that she spent here at Sherenden and Districts School and wish her all the best for the future. Thank you all for making Rachel's last day a pleasant one! The shared lunch was phenomenal and we gave her a voucher from My World to get some canvas prints of her children done. This is something she had wanted to do since Term 1. We have Katrina Lee to replace her until the end of the year. Katrina does however have shoulder surgery booked for the last week of this term.

NYLD:

Trish and I accompanied our Year 7/8 students to the Young Leaders Conference which was held last Tuesday in Palmerston North. The speakers were amazing and we were all invigorated by the experience. A special Thank You to Trish for taking time out of her busy schedule to come with us! Also a BIG Thank You to Sherenden Bus Society and Waiwhare Bus Company for their support with transport and fuel.

Working Bee:

We wish to thank all the volunteers who have helped to restore the school house to its former glory. We are certain that Jenny-Lee, Sashayne and the girls will be quite comfortable living there. We welcome and wish them all the best. Thank you once again for supporting our school.

Fire Station Trip:

As mentioned in our small notice last week, we are off to the Hastings Fire Station on Wednesday, 19 June. The children will be picked up from home by bus and delivered home by bus after. The two drivers will be Jillian and Leigh. They will be in contact with the parents on their list to work out pick up times. Attached to this notice is a list of who is on each bus. Following the Fire Station, we will be heading to Ocean Spa for a hot swim! Your children will need their togs, a towel, goggles if they wear them, school uniform, lunch and a drink bottle.

Uniforms:

A request from all the staff- could you please NAME you child's uniform, particularly their fleece.

Hockey:

Year 1/2 Funsticks play at 8:30am. You can arrive 5 minutes before your start time. Year 3/4 Development Mini sticks play at 9:30 and Year 5/6 Kiwi Sticks play at 9:30am. Please be there 25 minutes before your game. This is the last time I will send home the time! PLEASE look it up on hbhockey.org.nz.

MESSAGE FROM:

Sherenden Hall Society Inc.

12 June 2013

Dear Resident,

Our local Sherenden Hall is looking for more supporters and you can help in many ways: including becoming a member, attending the AGM to help with ideas and by booking the hall for your parties, events and clubs etc.

As you know as a home owner, buildings need continual input and Sherenden Hall relies on the contributions of its local members and hire fees to continue to be viable.

For a minimum contribution of \$30, you would help ensure the viability of the hall and receive discounted hireage.

The original part of the Sherenden Hall was built in 1920 and subsequently has had a chapel and supper room added. It has seen many memorable occasions and most locals have celebrated in the hall one way or another!

It is currently used by the local children from Sherenden and Districts School for a variety of events plus there are regular morning aerobics classes and occasional meetings. The hall is available for hire at very reasonable rates plus the trestle tables and chairs can also be hired for outside events.

Best wishes

Mark Harris

Chairman
