

Enclosed is an order form for C-II prescription forms.

The information on the card has been taken directly from your Texas Controlled Substances Registration.

- Please verify the information before ordering prescriptions.
- Make any necessary changes directly on the card. (This will cause your registration to be modified). Failure to provide correct information may cause you to incur additional cost for reprinting.
- Orders without a **DEA registration** number will not be processed. Hold this order until you receive the number and write it in the space provided.
- Orders will not be processed without **payment**.
- Prescriptions will be mailed to the address on your registration (and this order card) unless you request alternative handling.
- Prescriptions are shipped via USPS.
