Sharing & Defending our Faith - Wed Evening Class

Lee Strobel was an avowed atheist who began investigating Christianity upon his wife's conversion. That investigation led to his conversion and to the use of his journalistic training to produce *The Case for Creation*, *The Case for Christ*, and *The Case for Faith* (and other titles). These three books were made into documentary type movies which will be shown on **June 17 and 24. (Dates changed due to VBS). Room 203B upstairs. The videos are independent of each other, and anyone is welcome to attend!**

All Church Homemade Ice Cream Social!

Mark your calendars for Father's Day, **June 21st**, at 6:00 pm under the church pavilion.

The Body of Christ Community Clinic will be celebrating 5 years in June!

They will be having a community wide event, **Counting Our Blessings on June 27** at Yettie Polk Park from 12:00-6:00. The event will feature several bands, assorted vendors, a children's area with games and other events. They will need volunteers to help in the children's area and would like for churches to provide a game and perhaps prizes. They will also need help cleaning up after the event. **There will also be an Open House at the clinic on June 28 from 2:00-4:00.** Everyone is invited to come by for punch and cake and to tour the clinic.
