To Whom It May Concern,

I would like to introduce myself. My name is _____ and I am trying to raise funds to take part in a *STS Leeuwin II* voyage in 2016; an experiential learning development program.

The Leeuwin Ocean Adventure Foundation is a not for profit organisation that has been delivering an award winning youth development program on-board the sail training ship *Leeuwin II* since 1986.

The program is both physically and emotionally challenging. It is designed to help young people reach their personal potential through the development of social confidence and relationship skills in 4 broad areas:

1. The concept of self
2. Communication Skills
3. Teamwork
4. A sense of community

The benefits of the program will directly impact my peers, education institute, family and community. These benefits will be transferable as I phase into adulthood as a future employee and a responsible citizen in our community.

I am taking the initiative to raise funds for \$2,100 voyage fare and hope that you may be able to support me in this venture.

The program on-board the sail training tall ship will be an unforgettable experience and allow me to develop key life skills. All participants are expected to choose their own level of challenge and are involved in sailing, steering, navigating, and cleaning the ship, to climbing the mast.

In return for sponsorship I will _____.

I look forward to hearing from you and thank you for considering my sponsorship enquiry.

Yours Sincerely,
