- All classes have a minimum number of enrollees for the course to run. If this minimum is not met, then the class will be cancelled, thus it is important that you register for a program at least 2 weeks prior to the start date. To avoid disappointment, list 2<sup>nd</sup> and 3<sup>rd</sup> choices for classes. If a class/workshop is cancelled, all registrants will be notified by telephone before the program start date. If in doubt about the status of a class, please phone us.
- No news is good news! If you have not heard from us, you will be expected at class at the prescribed day and time. Please record this information on your calendar. If in doubt about the status of a class, please phone us.
- Unless otherwise noted, all standard supplies are included; students must provide any “specialty” or “premium” supplies (e.g., jewelry tools/supplies, oversized canvases), “personal choice” items, or materials for more than 1-2 projects. (e.g., wool for felting).
- Full refunds will be given only if an art class or workshop is cancelled due to insufficient enrollment. Credit for art class, less a \$15 administration fee, will be given if notification is received 1 week prior to the start of the program and your vacancy is filled.
- Once a class has begun, credit/refunds will not be given. Careful consideration should be given before registering for a class.
