Vessel Walkthrough

"Euterpe" is just such a classic! Look at her lines. She has the classic sweeping lines, not broken up like other Broward's of her vintage. "Euterpe" is a cockpit motor yacht with all the right features: a nice teak cockpit with all the necessities, transom door, cockpit grill and fishing opportunities, huge salon, one nice big master stateroom, his and her heads, two identical VIP staterooms, two guest staterooms, a full galley, pilothouse, crew quarters and lounge and a huge bridge...A must see!!
