The High River UC Sunday School Sunflower Project: Recovery in High River is moving along slowly but surely. There is still a long road ahead, and with another spring and its rains coming, anxiety will be running high. The Sunday School children and leaders have been Inspired by a project undertaken in New Orleans; they wish to put an envelope of sunflower seeds, with a note of hope created by their children, into every mailbox in High River. Sunflowers are great at pulling toxins out of the soil (*left by the flood waters and all the chemicals that were mixed in, which sat for weeks in parts of town*). They will need approximately 4,000 packs of seeds to reach every household. If you would like to join in brightening up High River this spring, please bring your packages to the office by March 28th.

We are a caring community: It is important to us that those in need of prayers and pastoral care receive it. If you know of someone in need, we encourage you to have them, or a member of their immediate family, contact us personally.
