INSURANCE IS SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS

1. Commercial General Liability

The standard wording mentioned above is that in force on the effective date of the policy or, as the case may be, on the date of the last renewal immediately preceding the loss or damage.

Note: The IBC 2100 standard form wording to which this endorsement is specifically subject contains clauses limiting coverage amounts, resulting in a reduction of the amounts available for incidents occurring during the policy period.

The policy does not cover liability arising out of the preparation or approval of maps, plans, adjusters' report summaries, surveys, specifications, or estimates.

Any deductible stated in the policy does not apply to the holder, its employees, or members of its city council, executive committee, or borough councils.

2. Non-Owned Automobile Liability

Coverage is governed by the standard wording as approved by the Inspector General of Financial Institutions of the province of Québec and applicable at the time of loss.

Except with respect to the reduction of limits following an insured loss, the insurer agrees to notify the holder's city clerk 30 days in advance of any reduction in coverage or policy cancellation by registered or certified mail to 2 rue des Jardins, Québec (Québec) G1R 4S9.

All other terms and conditions of the contract(s) remain unchanged.
