Tolman Family Members, The Salt of Earth

At the beginning of yet another year, I wish each of you a prosperous year all year long. I've felt a sense of deep gratitude for those fine members of the Thomas Tolman Family Organization who have participated in one way or another to support this great organization and its worthy goals. I appreciate the time and means spent to reach out to find our lost family members both among the living and the dead. Many of you have contributed in a variety of ways, either through the payment of family dues, working on research projects, preserving photos and histories of our ancestors, maintaining and verifying information of our living family members, having family gatherings and reunions large and small, strengthening family ties with your own immediate family members, and the service so many of you have rendered in temple service.

I have recently been drawn to studying the 15th chapter of Luke. In this chapter the Master introduces three parables to answer the Sadducees and Pharisees who were finding fault regarding how the master could lower himself to eat with sinners and publicans. The three parables are the parable of the lost sheep, the lost coin and the prodigal son. Of course, each of these parables has great application to each of us in so many different ways. It is in the second, the parable of the lost coin, that has made me think of our responsibilities as members of the Thomas Tolman Family.

In Luke 15:8-10 we read "Either what woman having ten pieces of silver, if she lose one piece, doth not light a candle, and sweep the house, and seek diligently till she find it? And when she hath found it, she calleth her friends and her neighbors together, saying, Rejoice with me; for I have found the piece which I had lost. Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth."

According to Robert L. Millet in his book, Lost and Found, Reflections on The Prodigal Son, "Here a precious item is lost because of neglect of the owner." "This too is a parable of chastisement, an accusation against those who see themselves as perpetually faithful." "It isn't something she (the woman) planned to do; unfortunately the coin was misplaced. In the same way, a brother or sister may be lost through our neglect..." (pp. 23-24) David O. McKay said, "Our charge is not only coins, but also the living souls of children, youth, and adults (McKay, Gospel Ideals, 536-37)."

Those of you who have contributed so much to your families, both the living and the dead, have not neglected or lost the coins, but rather have your purses full and secure. Thanks for what you have done in the past, and we need your help now to make this year even more profitable for you, your family, and the Thomas Tolman Family Organization.

May the Lord bless you,

John Mills

Dear Family Members,

Every once in a while at Christmas time I think about sitting on Santa's lap and asking him if he will grant me a few of the genealogical wishes I have. For instance:

- (1) I wish every member of the family would understand the value of an organization such as ours.** Some of us have recently had the privilege of viewing the 1978 dedication services of our Genealogy Center in Bountiful. The Center is such a unique possession which came as a result of an even more unique dedication and sacrifice. I hope the next generations will value it as much as those of us do, whose parents toiled and sweat to bring about its existence. Without a repository for family records, the records often end up lost, destroyed or becoming the personal possession of a family genealogist.
- (2) I wish every member of our family would recognize the importance of depositing a copy of their records at the family center.** Every day on the news we have stories of deaths, fires and other circumstances that result in the loss of records. It is a great safeguard to have copies of your records housed outside your own home.
- (3) I wish every married family unit would feel the necessity of contributing their annual dues to our family organization.** Research can be costly in both time and money. The dues assist us in covering the costs incurred for postage, travel, copying and compiling the records. You can't find a better investment, either temporally or spiritually, for a mere \$25.
- (4) I wish the members of the family would catch the Spirit of Elijah and help with the research.** I have to smile at those who tell me that their family genealogy is done. I occasionally hear that statement in our family. Believe me, there is more than enough work left for those who want to be involved in the salvation of our dead and earn that salvation for themselves.

2007 FAMILY ACQUISITIONS:

NEW WEB MASTER:

At our October Semi-annual meeting **Trent Larson** was sustained as our new web master with plans to make some changes and additions to our website and give us greater accessibility of family data and keep us all apprised with what is happening in our research. Look for some exciting additions in the near future! Trent is the son of Norman Ross and Sharon Lee Gould Larson, grandson of Ross Tolman and Elinora Noble Larson, ggson of Frederick William and Mary Alice Tolman Larson, 2ggs of Joshua Alvin and Mary Jane Gorringer Tolman and 3ggs of Cyrus and Alice Bracken Tolman. We express our heartfelt thanks to **Robert Tolman**, who has served as our web master over the past several years and blessed us with his talents.

HIGHLIGHTS OF 2007 FAMILY RESEARCH:

Since September of this year we have added to the Ancestor Data Base 1,260 names, bringing the total to 59,297. The Nathan Data Base has had 84 names added for a total of 59,897, giving us a grand total of 119,194 names on the Thomas Tolman data base.

Our research emphasis has been on several end-of-line@ ancestors to try and verify their parents. We are meeting with some success and will update you as those connections are verified.

HISTORY OF JUDSON TOLMAN:

Sometime during 2008 we will need to publish a third edition of Judson Tolman's History since we only have four or five copies left of the second edition. As mentioned before, we are adding biographical sketches of his twenty children who lived to maturity. The additional pages could raise the cost of the third edition from \$25 to \$28-\$30, depending on the number we print. We need to have a rough estimate of how many copies to print and would like you to indicate any interest you have by filling in and returning the following form. We could also provide the additions to Judson's history as a separate addendum that you could place in your current copy of his history, or perhaps as a PDF file you could download and print off at your convenience. We will know more as we move ahead into these additions.

I would like to pre-order _____ copies of the 3rd Edition of Judson Tolman's history to include biographical sketches of his children. I understand they will cost from \$28-\$30 per copy plus shipping.
I am interested in an addendum or a PDF file. Yes _____ No _____ Circle which one you want.

Benjamin History Publications Orders:

Over the years the journals of Benjamin Hewitt Tolman II were in the possession of several different family members. In the early 1960's, the original journals were loaned to the Office of the Church Historian for microfilming. The journals were later donated permanently to the Office of the Church Historian.

During the last two years, Dawn Tolman Mills, Ila Tolman Jensen, Alice Tolman Lamborn and Valmai Tolman Vaughan, granddaughters of Benjamin Hewitt Tolman II, traveled to the Church Historian's Office in Salt Lake City in order to purchase copies of the microfilmed pages of their grandfather's journals with the idea of writing a history of his life. They were allowed to order only 100 pages each at a time, so it took a few trips.

It was decided that the journals would be typed for easier reading. We are so grateful for the effort made by Benjamin Hewitt Tolman II's posterity to provide this volume for current and future generations. Many hours of typing and proofreading were rendered, demonstrating what is truly a labor of love.

We are planning to print these journals and offer them for sale within the next two months. To help us know how many copies to print, we need you to please fill out the Pre-Order Form below.

With the rising costs today of fuel, postage, publications and research, your \$25. gift will really help us in our research and publications of our Tolman histories. Your \$25. contribution is basically only one meal out to eat, but will last a whole year in helping our family move ahead with our research, archiving, and publications of our great family. Not much of a sacrifice when you compare it to the many sacrifices our ancestors gave for us so we could live and raise our families in this wonderful country, along with the privilege of sharing the restored gospel of Jesus Christ. Let us sacrifice our share for our children and grandchildren by sending in your family dues today. May the Good Lord bless you and your family this New Year.

Deaths

Jana Kaye Tolman Fife

Jana Kaye Tolman Fife God, Family & Friends Others may have plaques, trophies and worldly acclaim, but Jana has the names of those that she loved and those

that loved her etched in her heart. After years of showing us how to gracefully and beautifully make the best of life's trials, Jana passed away on Monday, December 24, 2007. Throughout life, Jana thanked her Heavenly Father for all of her blessings - even the MS that made her life so challenging. Service was Jana's life. She loved and served her beautiful children. All five of Jana's children served missions: Morgan in Argentina, Megan in Oregon, Dustin in Ukraine, and Zach and Sausha in Taiwan. Jana taught each of them obedience and faithfulness, and instilled in her children a love of the Savior. In spite of her pain and health challenges, Jana continued to serve, as is evidenced by the many that love her. Primary was an integral part of that service. Whatever she did in life she did it with all of her strength and energy. As a primary chorister, she would spend as much as twenty hours in a week preparing for Sunday. There was no doubt about her love for the Primary children or their love for her. The family would like to thank all of those that helped our mom throughout the years, including the Crosswinds Second Ward, Community Nursing Services, the Spanish Fork Clinic, and, especially, Dr. Frandsen. Jana loved and appreciated each of you, and often tried to return your service. Jana is survived by her husband, Rod; her children: Morgan (Jennie), Megan (Stephen) Miller, Zachary (Meredith), Dustin (Sloane), and Sausha; her grandchildren, Dashiell, Myles, and Royal; her parents, Judson and Darla Tolman; and her siblings: Rod (Virginia) Tolman, Debi (Gary) Jensen, Craig (Julie) Tolman, Cynthia (Don) Williams, Shawn (Melinda) Tolman, Sue (David) Hannah, Yeng Lao, and Chia (Alex) Johnson. Funeral services will be held on December 31, 2007, at 11:00 a.m., at 1167 South 1700 East, Spanish Fork, Utah, in the Crosswinds Second Ward chapel. A viewing will be held at the Crosswinds Second Ward Chapel on Sunday, December 30, 2007, from 7 p.m. until 9 p.m., and on Monday, December 31, 2007, from 9:45 a.m. until 10:45 a.m. Interment will be in the Spanish Fork City Cemetery. Condolences may be sent to the family at: www.walkerfamilymortuary.com

Jana Kaye is the wife of Roderic Duane Fife and daughter of Judson Junior Tolman and Darla LaRene Whitworth, grand daughter of Judson Leon and Velva Elizabeth Davids Tolman, gg daughter of Cyrus and Eliza Ann Riley Tolman and 2gg daughter of Judson and Sarah Lucretia Holbrook Tolman.

She was born along with her twin brother Melvin on August 11, 1922 in Thatcher, Arizona. She was the 9th child of David E. Haggard and Callie C. Cope. She was born into a family and extended family who adored her. She spent her early years in Thatcher and graduated from Thatcher High School with honors. May 21, 1940 she married her eternal companion and love of her life Leo Tolman. They made their home in Downey, California before moving to Bountiful in 1973. They are the parents of eight children. Ronn Tolman (Marilyn Crist), Larry Tolman (Linda), JoDel Jensen (Jerry), Suzanne Vajda (Alex), Joy Sunyich (Steve), Bob Tolman, Sheri Nicholas (Curtis), Ginger Tolman (Matt Wolfe); 30 grandchildren and 65 great-grandchildren. New Family Web Site...

Check it out! We have called Trent Larson, a cousin who is great with computers and web sites, to manage this new feature. This will help us save lots of money by being able to communicate with each other without the cost of printing and mailing.

We are looking to have the Newsletter & Magazine available on our web site very soon. Please send us your e-mail address so we can provide this service to you. Those who pay their annual dues will have a password to access the Magazine, and everyone else can access the Newsletters and announcements and new information coming from the family organization.

Wonderful Story: Last night, (Sunday, January 13, 2008) at our Tolman Executive meeting, Loraine Tolman Pace our family genealogist and daughter of William O. Tolman, whom most of you know was the moving force behind our organization until his death, shared a story from Bill's journal dated "6,7,8 July 1978: *Thomas Tolman Family Reunion. This has been a very busy month with reunions. Loraine was here for the Dedication of (the) Center...*" "It will interest all to know that cousins kept calling me, 'Will, are you going to make it in time for the dedication?' 'Are you going to have enough to pay for everything?'" "I had the faith that we would be successful and that the relatives would really come through and they did. The carpet layers worked almost all nite Thursday nite 6 July and finished about 8:30 A.M. Friday, 1/2 hour before S. Dilworth Young with his wife arrived to see the home before going to Val Verda Stake Center for dedication at 10:00A.M. It was a wonderful experience and the entire program was videotaped in color for future generations."

And now, nearly 30 years later, here is that video tape, in full color, transformed with our new modern technology into a fine DVD that can be viewed by us, the future generations....and beyond.
